discourse. An intensive vocabulary syllabus builds key word skills. Comprehensive writing sections feature rhetorical skills, prewriting, and error correction. Bound-in Grammar and Pronunciation Boosters provide additional reference and practice. Summit 1 Don't Waste Your Pain None of us escapes the heartache and disappointments of life. To live is to hurt, and we all have the wounds to prove it. Regardless of how we've been hurt, we all face a common question: What should we do with our pain? Should we stoically

ignore it? Should we just "get over it"? Should we optimistically hope that everything will work out in the end? If we fail to respond appropriately to the wounds that life and relationships inflict, our pain will be wasted; it will numb us or destroy us. But suffering doesn't have to mangle our hearts and rob us of joy. It can, instead, lead us to life--if we know the path to healing. Healing is not the resolution of our past; it is the use of our past to draw us into deeper relationship with God and his purposes for our lives. If you're ready to shape a future characterized by

love, service, and joy, now is the time to step out onto The Healing Path. This textbook introduces the main units and concepts you require to describe speech sounds accurately. By working through the book and the various exercises included, you will come to understand the need for a dedicated system of description and transcription for speech sounds,

and for a degree of phonological abstraction to support our understanding of the behaviour of sounds in particular languages and varieties. You will learn to carry out elementary, broad phonetic transcription, and be able to establish contrastive vowel and consonant systems for your own varieties and to express simple generalisations reflecting the productive and predictable patterns of English sounds. At the end of the book there is a section guiding

you through some of the exercises and there is also a detailed glossary which will be useful for assignments or revision during exams.

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven? With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on

this issue." This is not a book about who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God. Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.
