Looking for Palestine: Growing Up Confused in an Arab ...

Looking for Palestine: Growing Up Confused in an Arab-American Family. The United States may be the last nation to imagine Palestine. We have so much more to untangle than the rest of the world. So a memoir by an American woman raised in the heart of the New York City elite is a welcome addition to the newly emerging literature by and about this multidimensional people living in exile in diaspora or under occupation and siege.

Looking for Palestine : NPR

I'm almost exactly the same age as the author and I remember very clearly the incidents she describes from the eighties and nineties: the pervasive anti-Arab stereotypes, the feeling of growing up in a private school, New York City environment where despite some (limited) attempts at inclusiveness, blonde was still presented as the ideal version of beauty.
