Stuff You Should Know Faber & Faber

This dystopian classic is 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' 'One of my favorite books - I read it every couple of years.' Suzanne Collins, author of The Hunger Games What are we? Humans? Or animals? Or savages? What's grown-ups going to think? Going off-hunting pigs-letting fires out-and now! A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they explore the dazzling beaches, gorging fruit, seeking shelter, and ripping off their uniforms to swim in the lagoon. At night, in the darkness of the jungle, they are haunted by nightmares of a primitive beast. Orphaned by society, they must forge their own; but it isn't long before their innocent games devolve into a murderous hunt ... 'Thrills me with all the power a fiction can have ... Exemplary.' Ian McEwan 'An existential fable backlit with death's incandescent glare.' Ben Okri 'Violently real ... An apocalyptic novelist [who writes with] humanist rage and defiance.' Marlon James 'Beautiful and desperate, something quite out of the ordinary.' Stevie Smith 'Beautifully written, tragic and provocative.' E. M. Forster 'A fragment of nightmare.' New Statesman 'A post-apocalyptic, dystopian survivor-fantasy ... [A novel] for all time ... A cult classic.' Guardian 'Stands out mightily in my memory ... Such a strong statement about the human heart.' Patricia Cornwell 'Terrifying and haunting.' Kingsley Amis What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1.0, University of Cologne (Englisches Seminar), course: Cinematic (Re-) Creation, 26 entries in the bibliography, language: English, comment: This paper investigates some of the key aspects of "Lord of the Flies," such as characterisation, narration, and symbolism. It discusses some of the philosophical theories which the novel is based on (i.e. Hobbes, Rousseau). Furthermore the book's role as an anti-robinsonade will be taken into account. The second part of the paper will contrast the novel against the filmic adaptation by Harry Hook and point out some parallels and differences between the two pieces of work., abstract: Lord of the Flies was first published in 1954 and from then on has been read by millions of pupils, students and adults. Today the book is still popular as it deals with a subject that is timeless and fundamental: the human struggle between civilisation and the savage instinct. The book is a fable showing how the inherent evil in man's nature threatens order in a society. Golding uses an allegorical story to illustrate this threat to civilisation. Because of it's timeless topic and because it is an ideal showcase for allegorical structure and literary analysis the novel has been dealt with in numerous school lessons and university courses. This paper gives an overview of some aspects of Lord of the Flies which are important for understanding the text and interpreting the film. I will first investigate how the characters are presented in the book and comment on some narrative aspects. I will then go on to discuss the role of the book as an anti-robinsonade in the historical context of the English novel. I will also point out some philosophical aspects of Lord of the Flies. I am going to focus on aspects of the view of human nature as argued by Thomas Hobbes in his book The Leviathan and contrast it against the philosophy of Jean Jacq

Best-known for the cruel moral vision of such novels as "Lord of the Flies, The Inheritors, Pincher Martin, Free Fall, The Spire, Close Quarters," "and Fire Down Below," William Golding expressed a view of humanity that was essentially religious, torn between the brutal realities of good and evil. A Nobel Laureate, he also won the Booker Prize for "Rites of Passage," Distinguished critic Virginia Tiger argues that his writings explore themes of human destiny and vision. Drawing upon her own personal recollections of conversations with Golding and quoting from her correspondence with him, she shows how structure supports content in this extraordinary body of work. The only book to offer a complete commentary on his entire

literary oeuvre.

Golding ’ s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Lose yourself in an epic naval journey in the second novel in the Booker Prize-winning Sea Trilogy by the author of Lord of the Flies. This tropical nowhere was the whole world - the whole imaginable world. A decrepit warship is becalmed halfway to Australia, stilled in an ocean wilderness of heat and sea mists. In this surreal, fê te-like atmosphere, a ball is held with a passing ship: the passengers dance and flirt, while beneath them seaweed like green hair spreads omniously over the hull. Half-mad with fear, drink, love and opium, both vessel and passengers feel themselves going to pieces: and the very planks seem to twist themselves alive as the ship comes apart at the seams . . . 'No living writer has represented the fragility of man's experience so marvellously as Golding.' AS Byatt 'It is in Golding's magnificent, therapeutic, terrifying descriptions of seascapes that the deepest meanings can be found.' Kate Mosse 'Stunning . . . As exciting as any thriller.' Sunday Times 'A feat of imaginative reconstruction, as vivid as a dream.' Daily Mail 'Tells an utterly absorbing tale, in language of immense force and subtlety.'

A Lively and Entertaining Guide to Reading Between the Lines Houghton Mifflin Harcourt

AN INSTANT NEW YORK TIMES BESTSELLER The “ lively ” (The New Yorker), “ convincing ” (Forbes), and “ riveting pick-me-up we all need right now ” (People) that proves humanity thrives in a crisis and that our innate kindness and cooperation have been the greatest factors in our long-term success as a species. If there is one belief that has united the left and the right, psychologists and philosophers, ancient thinkers and modern ones, it is the tacit assumption that humans are bad. It's a notion that drives newspaper headlines and guides the laws that shape our lives. From Machiavelli to Hobbes, Freud to Pinker, the roots of this belief have sunk deep into Western thought. Human beings, we're taught, are by nature selfish and governed primarily by self-interest. But what if it isn't true? International bestseller Rutger Bregman provides new perspective on the past 200,000 years of human history, setting out to prove that we are hardwired for kindness, geared toward cooperation rather than competition, and more inclined to trust rather than distrust one another. In fact this instinct has a firm evolutionary basis going back to the beginning of Homo sapiens. From the real-life Lord of the Flies to the solidarity in the aftermath of the Blitz, the hidden flaws in the Stanford prison experiment to the true story of twin brothers

on opposite sides who helped Mandela end apartheid, Bregman shows us that believing in human generosity and collaboration isn't merely optimistic—it's realistic. Moreover, it has huge implications for how society functions. When we think the worst of people, it brings out the worst in our politics and economics. But if we believe in the reality of humanity's kindness and altruism, it will form the foundation for achieving true change in society, a case that Bregman makes convincingly with his signature wit, refreshing frankness, and memorable storytelling. "The Sapiens of 2020." —The Guardian "Humankind made me see humanity from a fresh perspective." —Yuval Noah Harari, author of the #1 bestseller *Sapiens* Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction One of the Washington Post's 50 Notable Nonfiction Works in 2020

Lord of the Flies (MAXNotes Literature Guides) ABC-CLIO

Unexhausted Time inhabits a world of dream and dawn, in which thoughts touch us 'like soft rain', and all the elements are brought closer in. Feelings, messages, symbols, visions . . . Emily Berry's latest collection takes shape in the half-light between the real and the imagined, where everything is lost and yet 'nothing goes away'. Here life's innumerable impressions, moods, seasons and *déjà vu* collect and disarrange themselves, while a glowing, companionable 'I' travels the mind's landscapes in hope of refuge and transformation amid these displaced moments in time. Whether one reads *Unexhausted Time* as a long poem to step into or a series of titled and untitled fragments to pick up and cherish, the work is healing and inspiring, always asking how we might harness the power of naming without losing life's 'magic unknownness'. By offering these intangible encounters, Emily Berry more truly presents 'what being alive is'. 'Emily Berry has a refreshingly free, not to say incendiary, approach to poetry.' Observer

New Educational Edition Walter de Gruyter GmbH & Co KG

Originally issued in 1954 and updated in 1961 and 1987, this pioneering study of "small group" conflict and cooperation has long been out-of-print. It is now available, in cloth and paper, with a new introduction by Donald Campbell, and a new postscript by O.J. Harvey. In this famous experiment, one of the earliest in inter-group relationships, two dozen twelve-year-old boys in summer camp were formed into two groups, the Rattlers and the Eagles, and induced first to become militantly ethnocentric, then intensely cooperative. Friction and stereotyping were stimulated by a tug-of-war, by frustrations perceived to be caused by the "out" group, and by separation from the others. Harmony was stimulated by close contact between previously hostile groups and by the introduction of goals that neither group could meet alone. The experiment demonstrated that conflict and enmity between groups can be transformed into cooperation and vice versa and that circumstances, goals, and external manipulation can alter behavior. Some have seen the findings of the experiment as having implications for reduction of hostility among racial and ethnic groups and among nations, while recognizing the difficulty of control of larger groups.

The Spire Penguin

Succumb to one churchman's apocalyptic vision in this prophetic tale by the radical Nobel Laureate and author of *Lord of the Flies*, William Golding (recorded by Benedict Cumberbatch as an audiobook). There were three sorts of people. Those who ran, those who stayed, and those who were built in. Dean Jocelin has a vision: that God has chosen him to erect a great spire. His master builder fearfully advises against it, for the old cathedral was miraculously built without foundations. But Jocelin is obsessed with fashioning his prayer in stone. As his halo of hair grows wilder and his dark angel darker, the spire rises octagon upon octagon, pinnacle by pinnacle, watched over by the gargoyles - until the stone pillars shriek, the earth beneath creeps, and the spire's shadow falls like an axe on the medieval world below ... 'Astounding ... So recklessly beautiful, so sad and so strange ... Holds such a place in my soul that it's more or less a sacred text.' Sarah Perry 'A kind of miracle ... Genius.' *Guardian* 'Quite simply, a marvel.' *NYRB* 'Superb ... A classic.' Rebecca West 'A master fabulist ... An iconoclast.' John Fowles 'A visionary ... His masterwork [of] faith, folly and desperate desire ... Golding at his best.' Benjamin Myers
