Here goes a story about two brothers. The one was hard-working and smart while the other one was quite the opposite. He was so stupid that he even did not know what it meant to get scared or be afraid of something. A sexton offered to help him and tried to give the young boy the creeps. But it went all wrong. The sexton ended up with a broken leg. What happened? Will the young boy get himself out of the mess? What if you knew that one of the two brothers in the story was going to become king? Who would you bet on? Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 200 fairytales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

After he escapes from the dungeon, Thor is horrified to learn of another assassination attempt on King MacGil. When MacGil dies, the kingdom is set into turmoil. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, A MARCH OF KINGS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God's presence... embrace His promises... cry out to Him... ..but don't know how! From your heart's deepest cry to life's joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He's waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book "Too many of God's "chosen ones" don't know how to have a real relationship with their Lord. We want to feel His presence, but we don't know how to let Him in. We want to see His promises come true, but we don't believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we're afraid to break down and admit that we're weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning."

A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to

adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. EL AMOR SE HACE Ediciones Selectas Diamante SA de CV

For Macallan and Levi, it was friends at first sight. Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of Macallan's friends. They are platonic and happy that way. Eventually they realize they're best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder... are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking again -- and one kiss away from true love?

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further.

After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

Graciela Iturbide (b. 1942), a winner of the 2008 Hasselblad Foundation Award and acclaimed as one of

Latin America's greatest photographers, presents in *Mi ojo* a personal selection, described as "mysterious," of her black-and-white images. Photography is taken here to an extreme, through the use of silver ink on black cardboard for the printing. This gives the images the look of negatives, while at the same time underlining the intrinsic strangeness of the photographs. The book has been published in a small, intimate format, in accordance with the highest standards of design and impression. It is a limited-edition curiosity aimed at connoisseurs of Iturbide's work and of contemporary photography books. Also, at Graciela Iturbide's own request, it contains a replica of her "eye." Las drogas están por todos lados. Cada vez hay más variedad y presentaciones; también los vendedores son más creativos para enganchar a los jóvenes. Este libro es una fuente de información indispensable. El lector se "beberá" sus páginas con avidez. De principio a fin quedará atrapado con la historia de los personajes e impactado por los efectos que causan drogas actuales como GHB, rohipnol, éxtasis, PCP, efedrina, ketamina, crack, LSD, cannabis y muchas otras, incluyendo el alcohol. LA DROGA es el principal enemigo social, pero lo es más la ignorancia y la creencia de que lo sabemos todo al respecto. Ha llegado el momento de informarnos, de entender que estamos en guerra y no podemos darnos el lujo de descuidarnos. Seguramente nunca antes has tenido en las manos un libro sobre las drogas tan interesante y útil como éste. Aprovéchalo y compártelo.
