Young Bess Hardwick knew that the only way to escape a commoner's life was to serve in a noble family and marry well. So the headstrong beauty set out for London and the Tudor court, the arena for the richest, most ambitious men, none more powerful than the four men who would claim her. None more dangerous than Princess Elizabeth, who made Bess friend, confidante, then lady-in-waiting in her own glittering court... Dangerously seductive, William Cavendish, the king's dashing financial adviser, vowed to have Bess at any cost. Frail, adoring Robert Barlow offered a marriage she couldn't refuse. Newly crowned Queen Elizabeth bade her marry courtly Sir William St. Loe. But reckless passion drove Bess into the arms of George Talbot, the devastating Earl of Shrewsbury, whose wicked daring ignited in Bess the passion of a lifetime--even as it sparked the jealous interest of the most perilous ally of all: the Virgin Queen....

A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. Ser feliz es la meta Multnomah

For Macallan and Levi, it was friends at first sight. Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of Macallan's friends. They are platonic and happy that way. Eventually they realize they're best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder . . . are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking again -- and one kiss away from true love?

Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God ’ s presence... embrace His promises... cry out to Him... .but don ’ t know how! From your heart ’ s deepest cry to life ’ s joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He ’ s waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book “ Too many of God ’ s “ chosen ones ” don ’ t know how to have a real relationship with their Lord. We want to feel His presence, but we don ’ t know how to let Him in. We want to see His promises come true, but we don ’ t believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we ’ re afraid to break down and admit that we ’ re weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning. ”
