de México y de la literatura hispanoamericana del siglo xx. Fue autora de títulos emblemáticos como Los recuerdos del porvenir, La semana de colores (del que procede el cuento publicado en este volumen), Un hogar sólido, Felipe Ángeles, La mudanza, Y Matarazo no llamó y Memorias de España 1937, textos, todos, que exigen más que la atención, la complicidad y el compromiso de sus lectoras y lectores. Figura polémica del México moderno, Elena Garro tuvo una vida azarosa digna de alguno de sus cuentos.

This collection of letters forms a day-by-day account of Steinbeck's writing of *East of Eden*. The letters range in subject but include textual discussion, trial flights of workmanship and family matters and provide an illuminating perspective on Steinbeck.

La memoria del tiempo

Working as a cook on a merchant ship, a woman comes to know and love Samsa, a woman who gives her the nickname "Boulder." When Samsa gets a job in Reykjavik and the couple decides to move there together, Samsa decides that she wants to have a child. She is already forty and can't bear to let the opportunity pass her by. Boulder is less enthused, but doesn't know how to say no—and so finds herself dragged along on a journey that feels as thankless as it is alien. With motherhood changing Samsa into a stranger, Boulder must decide where her priorities lie, and whether her yearning for freedom can truly trump her yearning for love. Once again, Eva Baltasar demonstrates her

preeminence as a chronicler of queer voices navigating a hostile world—and in prose as brittle and beautiful as an ancient saga.

On 19 August 1936 Hercules the boxer stands on the quayside at Coruña and watches Fascist soldiers piling up books and setting them alight. With this moment a young carefree group of friends are transformed into a broken generation. Out of this incident during the early months of Spain's tragic civil war, Manuel Rivas weaves a colourful tapestry of stories and unforgettable characters to create a panorama of twentieth-century Spanish history. For it is not only the lives of Hercules the boxer and his friends that are tainted by the unending conflict, but also those of a young washerwoman who sees souls in the clouded river water and the stammering son of a judge who uncovers his father's hidden library. As the singed pages fly away on the

breeze, their stories live on in the minds of their readers.

The antithesis of the madre abnegada is the mujer mala, the whore, a notion the author also questions by revealing the complexity of the mother-daughter relationship, through which women may perpetuate their own oppression."--Jacket.

For decades, the creative combination of myth, fantasy, history, and reality in Elena Garro's work has fascinated students and scholars of Mexican literature. This book highlights marginality, a recurrent theme throughout Garro's work. Postmodernism, feminism, and theory on historical drama and marginality provide the means to examine how marginal

characters evolve into alienated ones. Rather than presenting a limited focus on only one genre, all of Garro's fiction - novel, short story, and theater - is examined. This in-depth coverage permits veteran Garro readers and initiates alike to enter into the entire glorious world of one of the premier writers of twentieth-century Mexico.

Una obra maestra, un punto y aparte en la literatura mexicana. Escrita con una prosa dotada de deslumbrantes poderes sensoriales, Los recuerdos del porvenir marcó el luminoso arranque en la trayectoria de Elena Garro. El pueblo de Ixtepec es quien cuenta en estas páginas una sucesión de episodios en los que se mezclan la crueldad y la fe, la pasión y el odio, la mentira y la perfidia, con la mirada propia de los grandes relatos fantásticos, a través de un amplio reparto de personajes de las distintas capas sociales, desde las prostitutas y los

---

campesinos hasta las antiguas familias y los religiosos. Ixtepec se ubica en la tierra caliente del corazón de México, en un sitio que es todos y es ninguno, pues se trata del pueblo imaginario en que Elena Garro ambientó su representación de los convulsos años posrevolucionarios de un México en el que la injusticia del despojo de tierras, el racismo y la violencia contra las mujeres eran, como lo son hoy, un asunto de todos los días. Fábula poderosa de las heridas históricas de un país y una época, Los recuerdos del porvenir está llamada a ocupar, finalmente, su sitio como un clásico indiscutible de la literatura hispanoamericana.

In Memory, Myth, and Time in Mexico, noted Mexican scholar Enrique Florescano's Memoria mexicana becomes available for the first time in English. A collection of essays tracing the many memories of the past created by different individuals and groups in

Mexico, the book addresses the problem of memory and changing ideas of time in the way Mexicans conceive of their history. Original in perspective and broad in scope, ranging from the Aztec concept of the world and history to the ideas of independence, this book should appeal to a wide readership.

El porvenir de los recuerdos de las desdibujadas criaturas de Garro Simon and Schuster Este volumen compila la narrativa científica completa de Elena Garro, incluyendo dos piezas inéditas, con prólogo de Geney Beltrán. Luego de Sor Juana Inés de la Cruz, la literatura mexicana fue un yermo hasta bien entrado el siglo xix, y aun entonces siguió siéndolo en cuanto a obra creada por mujeres... hasta que llegó Elena Garro. Así de grande es la autora de La semana de colores, Andamos huyendo Lola, El

accidente y otros cuentos... Este volumen reúne todos sus cuentos más dos piezas inéditas, con prólogo de Geney Beltrán Félix.

#### ENGLISH DESCRIPTION

This volume compiles the complete short stories of Elena Garro, including two previously unpublished pieces, with a prologue by Geney Beltrán. After Sor Juana Inés de la Cruz, Mexican literature was relatively barren until well into the 19th century, and even then continued to be lacking in works created by women... until Elena Garro came on the scene. That demonstrates the greatness of the author of *La semana de colores*, *Andamos huyendo Lola*, *El accidente y otros cuentos*, and others. This book collects all of her short stories plus two previously unpublished works, with a prologue by Geney Beltrán Félix.

Umami Harper Collins

This remarkable first novel depicts life in the small Mexican town of Ixtepec during the grim days of the Revolution. The town tells its own story against a variegated background of political change, religious persecution, and social unrest. Elena Garro, who has also won a high reputation as a playwright, is a masterly storyteller.

Although her plot is dramatically intense and suspenseful, the novel does not depend for its effectiveness on narrative continuity. It is a book of episodes, one that leaves the reader with a series of vivid impressions. The colors are bright, the smells pungent, the many characters clearly drawn in a few bold strokes. Octavio Paz, the distinguished poet and critic, has written that it "is truly an

extraordinnary work, one of the most perfect creations in contemporary Latin American literature."

Este libro contiene las novelas breves La casa junto al r ío, Y Matarazo no llam ó ..., In és, Un coraz ón en un bote de basura, Busca mi esquina, Primer amor y Un traje rojo para un

duelo. « Si de unos a ños para ac á estamos releyendo la historia literaria con nuevos ojos, habr ía que releer estas novelas con esos mismos, para darles su justo lugar en la obra de Garro y en la literatura de su tiempo, lejos de los prejuicios que las circundan. Si Garro est á llegando a las manos de m ás y m ás personas, quiz ás estas novelas por fin dejen de ser un ap éndice de su obra y pasen a ser disfrutadas y apreciadas por lectoras y lectores frecuentes y espaciados, por gusto propio y por asignatura, en M éxico entero y en el mundo. »

– Del prólogo de Jazmina Barrera « As í como resulta err óneo acercarse a la producción literaria de Elena Garro desde la perspectiva del realismo m ágico, es necesario leer y releer estas novelas bajo la óptica de una mujer, de una escritora, cuyo interés por la búsqeda de diversas formas de expresión literaria asume sus riesgos y la mayor ía de las veces resulta lo suficientemente bien lograda como para ofrecer una de las escrituras m ás originales, aut énticas e inimitables de la

**ENGLISH DESCRIPTION** This book contains the short novels The House by the River, Matarazo Didn ' t Call..., In é s, A Heart in a Garbage Can, Look for my Obituary, First Love, and A Red Suit for a Duel. « If for years now we ' ve been rereading the history of literature with new eyes, we should reread these novels with those same eyes, to give them their rightful place in Garros universe and in the literature of her time, far from the prejudices around them. If Garro is arriving to the hands of more and more people, perhaps these novels can no longer be an appendix of her work and will be enjoyed and appreciated by frequent and occasional readers, whether for their pleasure or as a pending subject, in Mexico and in the whole world. » – From Jazmina Barrera's Prologue

« Just as it is wrong to approach the literary production of Elena Garro from the perspective of magical realism, it is necessary to read and reread these novels from the point of view of a woman, a writer, whose interest in the search for various forms of literary expression assumes its risks and, most of the time, a risk well enough achieved to offer one of the most original, authentic and inimitable writings of the Hispanic Literature of all time. »

Where is the common ground for feminist theory and Latin American culture? Jean Franco explores Mexican women's struggle for interpretive power in relation to the Catholic religion, the nation, and post-modern society; and examines the writings of women who wrote under the shadow of recognized male writers, as well as the works of more marginal figures. In this original and skillfully written book Franco demonstrates the many feminisms that emerge in apparently rigid and adverse situations, and provides the foundation for a more comprehensive, less ethnocentric feminist theory.

Retratos de dolor, rabia y añoranza de los últimos años de una escritora

figura de Elena Garro crece por su grandeza literaria, por sus personajes apasionados y llenos de ternura inscritos en historias memorables con enorme carga histórica y existencial; por su inigualable mirada al deseo, al dolor, al abismo. Gracias a los estudiosos de la literatura hispanoamericana sabemos de su vida, sus amores, sus reclamos... y gracias a Laura Ramos sabemos cómo vivió los últimos años, cómo soportó la soledad y el olvido con su hija Helena Paz, cómo recordaban y conjuraban estas mujeres coloridas, furiosas, lastimadas, luminosas, ensañadoras, llenas de lumbre y ternura. Elena Garro: los recuerdos sin porvenir es una obra única por su acercamiento frontal a la escritora y su hija por una editora que convivió con ellas los últimos años de su vida. Recorre las horas de penuria y

rencor de estas mujeres, los momentos lamentables de hambre y vicio, el asedio de la enfermedad, el alcohol, la violencia doméstica y sus amados gatos: testigos de esta tragedia que solo lo atemperaba la contemplación del cielo de México, las postales de París, las fotografías de Madrid, los anhelos de Buenos Aires. Entrar en estas páginas nos permite conocer detalles íntimos de Elena Garro y sus evocaciones de Bioy Casares, Rufino y Olga Tamayo, Pablo Picasso, Ernst Jünger y el eternamente amado/odiado Octavio Paz. Laura Ramos no juzga ni condena, solo lo comparte sumaravillosa experiencia con la escritora magistral y sus intentos por ayudarla a sobrellevar el pantano donde vivió sus últimos tiempos; el libro es una aportación a la biografía de Elena Garro, condenada con su hija a ser un personaje maldito y

perseguido, las páginas descubren vivencias totalmente inéditas de la escritora, una voz candorosa y furibunda que dejó siempre su sangre ardiente, rebelde y amorosa en cada uno de sus actos y sus escritos.

A Haunting tale of power, corruption, and the complex search for identity Conversation in The Cathedral takes place in 1950s Peru during the dictatorship of Manuel A.

Odría. Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms

that govern power and the people behind it. More than a historic analysis, Conversation in The Cathedral is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

These two novellas are characterized by clarity of style and dramatic presentation of affairs of the heart. In First Love, two tourists befriend German prisoners of war in France, and experience the tension between primal human kindness and social conventions. Look For My Obituary explores a surrealistic, haunting love affair set in a world of arranged marriages. Called the best writer in Mexico today by Emmanuel Caballo, Elena Garro was the winner of the 1996 Sor Juana Inez de la Cruz Prize for women writers

**ALFAGUARA**

The first major study on the works of the Mexican novelist, Angeles Mastretta, demonstrating the rich complexity and range of the author's fiction and essays.

The Mexican novelist, Angeles Mastretta [b. 1949], has only recently received serious critical attention largely because her work has been seen as 'popular' and therefore inappropriate for academic study. This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author's fiction and essays. In the tradition of Post-Boom Latin American women's writing, Mastretta's texts are motivated by a desire to speak primarily of the silenced experiences and voices of women. Two of her novels, referential and testimonial in style, can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives. The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta's texts are also considered in this volume. Her feminist works avoid facile simplifications: heterogeneous and dialogical, they interweave the historical and the fictional, the everyday and the fantastic. The originality of Mastretta's writing lies in its elusive postmodern ambiguities: shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis. Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent.
