all soon-to-be siblings. What's in Your Tummy Mummy? Rodale Books Belly fat: Either you have it, or you are doing everything you can to keep it off. Despite what the headlines on the newsstands claim, achieving a flat stomach is not a ten-minute transformation; it's a lifestyle transformation. In his latest work, bestselling author John Chatham blasts the myths surrounding belly fat. The groundbreaking research in The Belly Fat Diet reveals a science based approach to healthy eating and looking good, and it doesn't involve starving yourself. Achieving a

flat stomach is not about doing hundreds of crunches or worrying about how much you eat; it's about what you eat. The Belly Fat Diet teaches you how to eat more and weigh less, so there's no need to ever go hungry. It's common knowledge that obesity is dangerous to your health, but did you know that belly fat is the deadliest fat on your body? Belly fat increases your risks of heart disease, diabetes and other chronic illnesses. • Discover the scientific secrets to why eating when you are hungry actually leads to shedding weight and stomach fat • The Belly Fat Diet offers workouts, healthy meal plans and a shopping list to help you minimize your intake of sugar

and processed carbohydrates • Fight disease with a few easy steps that will help reduce your risk of diabetes and heart disease • Learn how to break the cortisol cycle and reverse insulin resistance • Gain scientific insights into the supplements that work and those that don't Health (4th Edition) Speedy Publishing LLC Lose Your Mummy TummyDa Capo Lifelong Books **Crying in H Mart** Createspace Independent Publishing Platform Pregnancy affirmations to uplift, inspire, and empower expecting mamas .

growing uterus. Called a diastasis, this separation doesn't fully close up in 98 percent of new moms. The larger the diastasis, the weaker the muscles and the greater chance for mom to develop back problems down the road. Of perhaps greater concern for moms, new and veteran alike, the larger the diastasis, the bigger the belly that just won't seem to go away after baby's delivery! Lose

Your Mummy Tummy introduces the Tupler Technique, a set of deceptively simple abdominal and breathing exercises that decrease the diastasis and result in a firmer, flatter, and stronger belly. Like Kegels- those all-important and privately-practiced pregnancy exercises- the Tupler Technique can be practiced almost anywhere and at anytime. Including illustrations for a

15 or a 30-minute at-home exercise routine, Lose Your Mummy Tummy ensures: A tighter, flatter stomach A smaller waistline A reduction or elimination of back pain The ability to safely lift your baby and heavy objects More energy Better posture The perfect preparation for your next pregnancy **When You Lived in My Belly** Createspace Independent Pub Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second

---

installment in a new series of adventure mystery stories that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the

Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo.

---

And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation- and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, is afraid that Mark is in danger of losing his

"artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay-which is sometimes zany and sometimes frightening-he meets his hero, Michelangelo, who

teaches him the true meaning of art.

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time

---

for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own

share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who

has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation,

leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmissive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..".

There's something inside Mummy's tummy. I don't know what it could be. Perhaps it's a buzzing flea or a chimpanzee? It's getting bigger every day and Mummy won't tell me. But you can lift the flaps to see! A

wonderful and fun story for young children about a new addition to the family from much-loved author and illustrator Sam Lloyd.

*There's A House Inside My Mummy*  
Rizzoli Publications  
Award-winning and critically acclaimed author Candace Fleming presents the edge-of-your-seat true story of the search for Tutankhamun's tomb, the Western public's belief that the dig was cursed, and the battle for ownership of the treasures within. During the reign of the New Kingdom of Egypt, the boy pharaoh Tutankhamun ruled and died tragically young. In order to send him on his

way into the afterlife, his tomb was filled with every treasure he would need after death. And then, it was lost to time, buried in the sands of the Valley of the Kings. His tomb was also said to be cursed. Centuries later, as Egyptomania gripped Europe, two Brits -- a rich earl with a habit for gambling and a disreputable, determined archeologist -- worked for years to rediscover and open Tutankhamun's tomb. But once it was uncovered, would ancient powers take their revenge for disturbing and even looting the pharaoh's resting place? What else could explain the

Independent Publishing Platform  
A funny and tender picture book about waiting for a new brother or sister to arrive. There's a house inside my mummy, Where my little brother grows, Or maybe it's my little sister No one really knows.  
Waiting for a new brother or sister to arrive can be a confusing and worrying time for young children.  
Sharing this simple rhyming story together is the perfect way to reassure your little one and involve them in all the excitement. Told with humour and warmth by Giles Andreae, the author of much-loved family favourite Giraffes

Can't Dance. 'A great book for sharing with your first born while your second is still in the 'tummy house' - The Times A note from the author: 'When my wife became pregnant for the second time, I was talking to Flinn, our 2-year old son, about what was going to take place and how exciting it would be for him to have a brother or sister. I started to think about it as though I were a young child myself ... 'There's a house inside my mummy' was a phrase that just popped into my head, and from then on the book was a joy to write.'
