Martin family. It was during a botched escape attempt that she was killed, along with their unborn child. Still wracked with grief and anger, Riker is now fueled solely by the desire to rescue vampire slaves...and slaughter their owners. When Riker stumbles upon Nicole in a chance meeting, he immediately recognizes her as a member of the Martin family that once enslaved his wife—and she recognizes him as the wild vampire she saw kissing a pregnant slave in the moments before her violent death—an image that has haunted her dreams for years. When Riker kidnaps Nicole and they spend a night together in a cave on the way back to his clan, suddenly they begin to realize that they aren't as different from one another as they may have thought—and they're finding themselves drawn to one another...
