Meet Arthur "The Hat" Salzman. Gangster. Wizard. Screwed. When I was killed for the fifth time, and before breakfast, I knew for sure I'd made a terrible mistake. It was meant to be a simple job. Steal item, deliver said item to my posh broker, get paid. Easy peasy wizard squeazy. Blame it on the insomnia, my own greed, or maybe just stupidity, but I swear on my wand I didn't know what was in the bag. If I had, I'd never have got involved. Soon, every gangster, spook, and magic abuser in the city wanted what I had. But they went too far, broke the Code. Backed up by my faery godmother, and a Stepford mom who's main goal in life was to be my sidekick, the body count escalated as the truth was revealed. And they all forgot one important thing. The Hat's a goddamn Wildcat Wizard!

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or

---

about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

When Russel B. Nye and Martin Gardner teamed up to bring out a new edition of *The Wonderful Wizard of Oz*, theirs was the first critical analysis of L. Frank Baum American classic. The book opens with an essay by Nye, entitled "An Appreciation," which is an overview of Baum's creative and imaginative genius. Nye explores the

reasons why earlier critics virtually ignored the Oz stories. Gardner, in his essay, "The Royal Historian of Oz," presents a brief biographical sketch, revealing little-known facts about this prolific writer. The volume also contains the complete, original text of the *Wonderful Wizard of Oz*, along with many original illustrations by artist W. W. Denslow.

hidden from the world? Yeah, total noob move, I know. But my memory is returning, and the Hidden have given me twenty-four hours to make amends. Cover it up. Finish the job I was given, or else. Failure isn't an option. Well, it is, but I like me, and I like being alive. Time is running out as I battle to make things right and exact revenge on those that took so much from me. Easier said than done as I deal with angry mages, bitey zombies, oversexed imps, creepy necromancers, and grumpy trolls-and those are just my friends!-all while trying to stop myself falling in love with my best friend, Kate, who just so happens to be a hot vampire. I'm Faz Pound, a.k.a. Black Spark, Dark Magic Enforcer, and time is running out. At least I have my looks. For now.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the

Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

It all started in the usual manner. Vicky fondling slimy beastie tentacles, me shouting at her, everything going wrong, us eventually getting away, even getting paid. But our new client, bored with his life, decided he wanted in on some wizard action. What better way to do that than summon the Hangman? Before I could say, "Hey, don't touch that," everything came crashing down and being chased by an immortal dude in dusty jeans and surprisingly boxfresh footwear became just one problem among many. It had been a bad year and I was in a funk, so I really couldn't be arsed with any of it. Until it involved family and friends. The yearly Necronote arrived. Soph felt sick to  
his stomach, same as he had for over three  
centuries. It meant one thing--kill, or be killed.

---

Birthday's should be a time for celebration, but for Necros they're a nightmare. In the company of a jittery dragon wyrmling, and several new friends he meets along the way, Soph tries to keep it together as he battles magic way beyond his ken. Worse than that, he has to leave his family in the care of his mother-in-law, a witch bitch with annoyingly nice hair. Soph's violent side is stretched to the limit as he does what it takes to continue his sorry existence, yet all he wants is peace. To watch his daughter grow, and be with the animals he has the gift of communicating with. As the temperature in the United Kingdom soars to new heights, the ban on motor vehicles becomes absolute, and strict electric quotas tighten, it's like returning to a bygone age for our damaged zoolinguist. But having to cycle to go kill a guy certainly has its drawbacks.

The zombie venom entered my bloodstream, the Council HQ was ready to blow, and I was

tapped out of magic. With the hunger already on me, wyrmlings closing in, and my body shutting down, I was almost defeated. But where there's life, there's hope. I had a family, I had friends, and I had the chance at a future. All I had to do was find a cure before I became one of the undead, destroy the maniacs after me and my boss, and life would be peachy, right? Wrong. The need to feed becomes irresistible, family get dragged into my mess, and then a new set of problems present themselves that test me to my limits, and beyond. I gotta admit, I'm this close to just jacking it all in and letting this infection win. At least then there will be peace. No pain. No hurt. No disappointment. Hi, I'm Faz Pound, and I'm having a bad life.
