What Ever It Takes Sweet Acacia Press

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

The Lost Dragon Lulu.com

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR "A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we've all been doing it wrong for a long, long time." —Elizabeth Gilbert, author of Big Magic and Eat Pray Love No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you're not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-

start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, *Breath* turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

When I Lost You Createspace Independent Pub

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

Lost Connections Bloomsbury Publishing

The Journey to Find Me is designed to show teenagers and young men and women how to tap into the greatness inside of them. The author uses his own experiences to pour knowledge into the readers so that they can find their purpose earlier and use it to reach their goals and dreams.

NaS Lost Michael Grant

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her

from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

A.L. Jackson Books

A tough-loving guide to figuring out your next steps and believing in yourself enough to take them If there's one phrase women's leadership expert Maxie McCoy hears over and over again in talking to young women, it's "I'm so lost." Not only do they doubt the direction their lives are going—they don't even know where to start making changes. This book provides a straight shot of encouragement to change that. You're Not Lost is the manifesto for a generation of women who don't have the self-confidence to trust their instincts and go for it. This compelling guide gets to the root of the problem, showing you how to drop the panic-inducing, big-picture obsession over "Where am I going with my life?" and instead shines a spotlight on the small yet impactful decisions that will take you from lost to found. With step-by-step advice, thought-provoking exercises, and real-life stories from Maxie and other inspirational women who have been there and succeeded, this book is an energizing action plan for getting to the amazing career and life you deserve.

What's Wrong with Pauly? Penguin

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Knightingale Stephanie Laws

A poignant tale of love and friendship in a world beyond hope...Outpost Three: a huddle

of crumbling buildings choked by a concrete wall. Cracked pavement, rusted metal, splintering boards. Huge robotic Sentries police the streets, but the Ten Laws are broken every time one turns its back. Eden is determined, smart, and a born survivor. Stripped of her memories and dumped on the streets of the Outpost, slavers and starvation are only the beginning of her problems. A devastating conflict is coming that threatens to consume her world and tear her newfound family apart. Life is harsh. It makes no exceptions. Not even for the innocent. "Absolutely heart-stopping! Grizzly, dark, haunting and gripping in a way that kept me glued in to the very end. If you are looking for a strong and smart heroine in a kick butt dystopian world, this is the book for you." - Leti Del Mar, author of Land of the Unaltered "A dark dystopian world, intelligent robots, warlords, rats...oh and sexy boys. 'E' has everything you could ask for." - Nicola S. Dorrington, author of Chasing Freedom "The characters are fascinating, especially the enigmatic love interest Jonas, and his threatening rival, the dark and sizzling Matt." - Pol Blaze, author of Pan-Dim.

You're Not Lost David's Books

From New York Times Bestselling Author Lauren Blakely comes a HOT new standalone romance...Here's what you need to know about me -- I'm well-off, well-hung and quick with a joke. Women like a guy who makes them laugh. Even better if he's loyal and hard-working. That's me. Enter Natalie. Hot, sexy, smart, and my new assistant. Which makes her totally off limits...Hey, I'm a good guy. Really. I do my best to stay far away from the kind of temptation she brings to work. Until one night in Vegas...Yeah, you've heard this one before. Bad news on the business front, drowning our sorrows in a few too many Harvey Wallbangers, and then I'm banging her. In my hotel room. In her hotel room. Behind the Titanic slot machine at the Flamingo (don't ask). And before I can make her say "Oh God right there YES!" one more time, we're both saying yes--the big yes--at a roadside chapel in front of a guy in press-on sideburns and a shiny gold leisure suit. We'll just untie the knot in the morning, right? The trouble is . . . I don't know how to keep my hands off my soon-to-be ex-wife.

Powerful Profits From Blackjack Lyle Stuart

There are some mistakes we make that we will regret for the rest of our lives. For Christian Davison, it was the day he betrayed Elizabeth Ayers. For five years, Christian has regretted the day he walked away from his family and will do anything to win them back. Can Elizabeth forgive someone who has committed the unforgiveable? Or are there some wounds that go so deep they can never heal?

Lost to You Moonclipse

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. But I'm Not Depressed is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Lost In You: A Billionaire Romance Penguin

Private property is everywhere. Almost anywhere you walk in the United States, you will spot "No Trespassing" and "Private Property" signs on trees and fence posts. In America, there are more than a billion acres of grassland pasture, cropland, and forest, and miles and miles of coastlines that are

mostly closed off to the public. Meanwhile, America's public lands are threatened by extremist groups and right-wing think tanks who call for our public lands to be sold to the highest bidder and closed off to everyone else. If these groups get their way, public property may become private, precious green spaces may be developed, and the common good may be sacrificed for the benefit of the wealthy few. Ken Ilgunas, lifelong traveler, hitchhiker, and roamer, takes readers back to the nineteenth century, when Americans were allowed to journey undisturbed across the country. Today, though, America finds itself as an outlier in the Western world as a number of European countries have created sophisticated legal systems that protect landowners and give citizens generous roaming rights to their countries' green spaces. Inspired by the United States' history of roaming, and taking guidance from present-day Europe, Ilgunas calls into question our entrenched understanding of private property and provocatively proposes something unheard of: opening up American private property for public recreation. He imagines a future in which folks everywhere will have the right to walk safely, explore freely, and roam boldly—from California to the New York island, from the Redwood Forest to the Gulf Stream waters.

Her Perfect Life Penguin

Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

The New York Times Bestseller and A Reese's Book Club Pick "This love story between Lucy & Gabe spans decades and continents as two star-crossed lovers try to return to each other...Will they ever meet again? This book kept me up at night, turning the pages to find out, and the ending did not disappoint."—Reese Witherspoon "One Day meets Me Before You meets your weekender bag."—The Skimm "Extraordinary."—Emily Giffin He was the first person to inspire her, to move her, to truly understand her. Was he meant to be the last? Lucy is faced with a life-altering choice. But before she can make her decision, she must start her story—their story—at the very beginning. Lucy and Gabe meet as seniors at Columbia University on a day that changes both of their lives forever. Together, they decide they want their lives to mean something, to matter. When they meet again a year later, it seems fated—perhaps they'll find life's meaning in each other. But then Gabe becomes a photojournalist assigned to the Middle East and Lucy pursues a career in New York. What follows is a thirteen-year journey of dreams, desires, jealousies, betrayals, and, ultimately, of love. Was it fate that brought them together? Is it choice that has kept them away? Their journey takes Lucy and Gabe continents apart, but never out of each other's hearts. This devastatingly romantic debut novel about the enduring power of first love, with a shocking, unforgettable ending, is Love Story for a new generation. "It's the epic love story of 2017."—Redbook

[Federal Trade Commission Decisions](#) Penguin

People come into our lives. Some stay, and many go. Some build us up, while most tear us down. They become our friends, our enemies, our lovers, our tormentors. Christian Davison came into mine, and I knew I'd never be the same. To Elizabeth Ayers, New York City had always been a dream. She's worked her entire young life to make it here. Groomed to one day take over his father's law firm, attending Columbia University was Christian Davison's only option. Neither wanted anything more until they sat across from each other at a caf table after being paired as study partners. Christian wants her, but Elizabeth knows better than to give into their intense attraction. Yet there is little she can do to stay away . . .

Exiled Harlequin Books

The Lost Tales of Power is a collection of novels that describe an immense persistent multiverse. The books are a mixture of standalone and miniseries all set in the same universe with overlapping and intertwining story lines. Included in this collection is the full text of Enemy of an Enemy, The Academy, and Rise of Shadows. In addition to the three complete novels, included is a brief introduction to each book. Enemy of an Enemy: Everything seemed to be going Vydor's way, until the Dragon Claw was sent on a rather unusual assignment to investigate a minor incident deep within the Empire's space. That would send Vydor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the Empire itself. The Academy: The Empire had fallen, and the Imperial Navy was disbanded leaving James with nothing but his nightmares to remind him of the role he once played in The Great War. James must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry, and a new ever-present shadow of evil lurks over the remnants of the once great Empire. Rise of Shadows: In The Enemy of an Enemy, darkness came to the Empire, and magic was born from the bowels of men's fears. The great and mighty Imperial Navy had to face and overcome unspeakable horrors. In The Academy, fledgling wizards were gathered and trained to fight back and keep the light, while the darkness laid in wait, biding its time and silently gathering its forces. Now as warriors of light, those wizards must begin to make a stand against the rising tide of darkness or watch their realm be overcome! The Lost Tales of Power is an open-ended series of Science-Fantasy books set in a vast multiverse. Lost Tales Series so far: Volume I - The Enemy of an Enemy Volume II - The Academy Volume III - Rise of Shadows Volume IV - Resurgence of Ancient Darkness Volume V - The Sac'a'rith Volume VI - Spectra's Gambit Volume VII - TBA Keywords: magic, space, space opera, science fantasy, space exploration, military space, future, military sci-fi, science fiction series, aliens, adventure, war, navy, series, science fiction novels, science fiction ebooks

THE INTERNATIONAL BESTSELLER 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The

more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON 'Beautiful' RUSSELL BRAND Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions – ones that offer real hope.

A Man Approved of God GIG PowHer Press

“Danny Goldberg’s new book is a stirring, brilliant, last-chance plea to Democrats that if they are unwilling to do their job—be a voice for working people, young people, women, the elderly, the poor and people of color, (in other words, for the MAJORITY of the country)—then their days as a party are numbered. Years from now, if the Democrats have long faded from American memory, anthropologists and historians will ask, ‘Didn’t any of them read this book by Danny Goldberg?’”—Michael Moore

“Danny Goldberg has written with pinpoint accuracy an important memoir filled with fascinating insights. His searing insights should be required reading for anyone concerned with the state of democratic politics in this country.”—Reverend Jesse L. Jackson, Sr. “If Lester Bangs and Maureen Dowd had a love child, he’d have written this book.”—Arianna Huffington “Danny Goldberg’s memoir contains the powerful reflections of the most progressive activist in the recording industry. His candor, vision and sense of humor is infectious.”—Cornel West

When did American government become the enemy of American pop culture? Music insider and progressive activist Danny Goldberg has spent decades tuning in to the rhythms and voices that speak straight to the hearts and desires of America’s youth. In that time, one fact has become increasingly clear: our venerable political leaders are tone deaf. In this startling, provocative book, Goldberg shows how today’s professional public servants have managed to achieve nothing less than the indefensible, wholesale alienation of an entire generation.
