Few writers ask us to question our fundamental assumptions about education as provocatively as Alfie Kohn. Time magazine has called him 'perhaps the country's most outspoken critic of education's fixation on grades [and] test scores.' And the Washington Post says he is 'the most energetic and charismatic figure standing in the way of a major federal effort to make standardized curriculums and tests a fact of life in every U.S. school.' In this new collection of essays, Kohn takes on some of the most important and controversial topics in education of the last few years. His central focus is on the real goals of education—a topic, he argues, that we systematically ignore while lavishing attention on misguided models of learning and counterproductive techniques of motivation. The shift to talking about goals yields radical conclusions and wonderfully pungent essays that only Alfie Kohn could have written. From the title essay's challenge to conventional, conservative definitions of a good education to essays on standards and testing and grades that tally the severe educational costs of overemphasizing a narrow conception of achievement, Kohn boldly builds on his earlier work and writes for a wide audience. Kohn's new book will be greeted with enthusiasm by his many readers and by any teacher or parent looking for a refreshing perspective on today's debates about schools.

**NATIONAL BESTSELLER** • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The

House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’ masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’ Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Newbery Honor–winner Joan Bauer's newest protagonist always sees the positive side of any situation—and readers will cheer him on! Jeremiah is the world’s biggest baseball fan. He really loves baseball and he knows just about everything there is to know about his favorite sport. So when he’s told he can’t play baseball following an operation on his heart, Jeremiah decides he’ll do the next best thing and become a coach. Hillcrest, where Jeremiah and his father Walt have just moved, is a town known for its championship baseball team. But Jeremiah finds the town caught up in a scandal and about ready to give up on baseball. It’s up to Jeremiah and his can-do spirit to get the town – and the team – back in the game. Full of humor, heart, and baseball lore, Soar is Joan Bauer at her best.

This National Book Award finalist by Pulitzer Prize-winning novelist Louise Erdrich is the first installment in an essential nine-book series chronicling 100 years in the life of one Ojibwe family, and includes beautiful interior black-and-white artwork done by the author. She was named Omakayas, or Little Frog, because her first step was a hop. Omakayas and her family live on an island in Lake Superior. Though there are growing numbers of white people encroaching on their land, life continues much as it always has. But the satisfying rhythms of their life are shattered when a visitor comes to their lodge one winter night, bringing with him an invisible enemy that will change things forever-but that will eventually lead Omakayas to discover her calling. By turns moving and humorous, this novel is a breathtaking tour de force by a gifted writer. The beloved and essential Birchbark House series by Louise Erdrich includes The Birchbark House, The Game of Silence, The Porcupine Year, Chickadee, and Makoons.

Aviation in Northern California 1910-1939: Vol. 1, San Francisco Bay Area is the only book to give a detailed account of early flying in the Bay Area. Historian Allen Herr recalls the aviation pioneers who flew weekly exhibitions promoting the Panama-Pacific International Exposition fifteen months prior to its San Francisco opening. These pioneers formed flying schools, built airports, manufactured aircraft, and competed against each other. Herr captures the energy behind the Bay Area aviation movement, tells who was involved, and describes the effects of their extraordinary determination and achievements. This edition is one of three in Herr's series of Aviation in Northern California 1910-1939.

From Jewell Parker Rhodes, the author of Towers Falling and Ninth Ward (a Coretta Scott King Honor Book and a Today show Al's Book Club for Kids pick) comes a tale of a strong, spirited young girl who rises beyond her circumstances and inspires others to work toward a brighter future. Ten-year-old Sugar lives on the River Road sugar plantation along the banks of the Mississippi. Slavery is over, but laboring in the fields all day doesn't make her feel very free. Thankfully, Sugar

has a knack for finding her own fun, especially when she joins forces with forbidden friend Billy, the white plantation owner's son. Sugar has always yearned to learn more about the world, and she sees her chance when Chinese workers are brought in to help harvest the cane. The older River Road folks feel threatened, but Sugar is fascinated. As she befriends young Beau and elder Master Liu, they introduce her to the traditions of their culture, and she, in turn, shares the ways of plantation life. Sugar soon realizes that she must be the one to bridge the cultural gap and bring the community together. Here is a story of unlikely friendships and how they can change our lives forever.

The Odyssey is one of the oldest works of Western literature, dating back to classical antiquity. Homer's epic poem belongs in a collection called

---

the Epic Cycle, which includes the Iliad. It was originally written in ancient Greek, utilizing a dactylic hexameter rhyme scheme. Although this rhyme scheme sounds beautiful in its native language, in modern English it can sound awkward and, as Eric McMillan humorously describes it, resembles "pumpkins rolling on a barn floor." William Cullen Bryant avoided this problem by composing his translation in blank verse, a rhyme scheme that sounds natural in English. This epic poem follows Ulysses, one of the Greek leaders that brought an end to the ten-year-long Trojan war. Longing for home, he travels across the Mediterranean Sea to return to his kingdom in Ithaca; unfortunately, our hero manages to anger Neptune, the god of the sea, making his trip home agonizingly slow and extremely dangerous. While Ulysses is trying to return home, his family in Ithaca is also in danger. Suitors have traveled to the home of Ulysses to marry his wife, Penelope, believing that her husband did not survive the war. These men are willing to kill anyone who stands in their way. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
