**Blades of Freedom (Nathan Hale's Hazardous Tales #10)** Pelican Publishing  
Early European explorers regularly portrayed California as an island on their maps, mistaking the Gulf of California as extending northward without limit. This volume is written to show that California history can also be presented in a different way: its thesis, plainly stated, is that California (despite all of its unique qualities) has never been an island.

Louisiana Purchase Univ. Press of Mississippi  
Outlines alternative assessment strategies that are tied directly to the chapter content in the text, History of a free nation.  
American Political Cartoons W. W. Norton & Company  
Carolyn Kolb provides a delightful and detailed look into the heart of her city, New Orleans. She is a former Times-Picayune reporter and current columnist for New Orleans Magazine, where versions of these essays appeared as "Chronicles of Recent History." Kolb takes her readers, both those who live in New Orleans and those who love it as visitors, on a virtual tour of her favorite people and places. Divided into sections on food, Mardi Gras, literature, and music, these short essays can be read in one gulp or devoured slowly over time. Either way, the reader will find a welcome companion and guide in Kolb. In bringing her stories up to date, Kolb's writings reflect an ongoing pattern of life in her fascinating city. Since the devastation of Hurricane Katrina in 2005, some of these things remembered will never return. Some of the people whose stories Kolb tells are no longer with us. It is important to her, and to us, that they not be forgotten. Kolb, and her readers, can honor them by sharing and enjoying their stories. As Kolb says, "When things fail, when the lights go out and the roof caves in and the water rises, all that remains, ultimately, is the story." This collection of such stories was made with love.

Missouri Compromise Threatens National Unity | U.S. Politics 1801-1840 | History 5th Grade | Children's American History of 1800s University Press of Kentucky  
Profiles the man who was the primary author of the Declaration of Independence and who later went on to become the third president of the United States.  
The Mysterious Stranger and Other Cartoons Speedy Publishing LLC  
From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial cartoons have been a part of American journalism and politics. American Political Cartoons chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. "Good cartoons hit you primitively and emotionally," said cartoonist Doug Marlette. "A cartoon is a frontal attack, a slam dunk, a cluster bomb." Most cartoonists pride themselves on attacking honestly, if ruthlessly. American Political Cartoons recounts many direct hits, recalling the discomfort of the cartoons' targets---and the delight of their readers. "This is it. On these pages are the drawings and the points that truly make our politics, government, and democracy the enjoyable mess it is Nobody could have assembled and explained it all better and more completely than Stephen Hess and Sandy Northrop. Give yourselves a break. This IS it!" JIM LEHRER, PBS NewsHour  
American Monthly Review of Reviews Pelican Publishing  
Compilation of Fred Mulhearn's Louisiana political cartoons from 1980 - 2017.  
American Monthly Review of Reviews Copyright Office, Library of Congress

What? You don't know what a Burgess is? -- You can't outline the Monroe Doctrine? -- Recall the 14th Amendment? -- Explain the difference between a sputnik and a beatnik? Then you need The Cartoon History of the United Statesto fill those gaps. From the first English colonies to the Gulf War and the S&L debacle, Larry Gonick spells it all out from his unique cartoon perspective.

The Louisiana Purchase BookCaps Study Guides  
Bold, full-color graphic illustrations and exciting text work together to explain to reluctant readers events that shaped the course of world history.  
History of the Committee on Finance, United States Senate Harper Collins

A political history of how the fledgling American republic developed into a democratic state offers insight into how historical beliefs about democracy compromised democratic progress and identifies the roles of key contributors.

Jefferson and the Embargo Princeton Review  
A history of the events leading to, surrounding, and resulting from the Louisiana Purchase, presented in the form of a comic book.  
Thomas Jefferson Wildside Press LLC

As television screens across America showed Chinese students blocking government tanks in Tiananmen Square, the fall of the Berlin Wall, and missiles searching their targets in Baghdad, the connection between media and revolution seemed more significant than ever. In this book, thirteen prominent scholars examine the role of the communication media in revolutionary crises -- from the Puritan Revolution of the 1640s to the upheaval in the former Czechoslovakia. Their central question: Do the media in fact have a real influence on the unfolding of revolutionary crises? On this question, the contributors diverge, some arguing that the press does not bring about revolution but is part of the revolutionary process, others downplaying the role of the media. Essays focus on areas as diverse as pamphlet literature, newspapers, political cartoons, and the modern electronic media. The authors' wide-ranging views form a balanced and perceptive examination of the impact of the media on the making of history.

Lewis and Clark and Exploring the Louisiana Purchase Greenwood  
When President Thomas Jefferson bought the Louisiana Territory from cash-strapped France in 1803, he doubled the size of the United States without really knowing what he was getting. He dispatched Meriwether Lewis and William Clark and their Corps of Discovery to explore a territory that would include part or all of fifteen future states and to seek a water route to the West Coast. Westward expansion began immediately, all for the bargain price of 15 million dollars. This book richly explores this fascinating part of history.
