Office, Library of Congress

Inside this book are short biographical sketches about the many artists represented in the Library of Congress' Swann Collection compiled by Erwin Swann (1906-1973). In the early 1960s, Swann, a New York advertising executive started collecting original cartoon drawings of artistic and humorous interest. Included in the collection are political prints and drawings, satires, caricatures, cartoon strips and

panels, and periodical illustrations by more than 500 artists, most of whom are American. The 2,085 items range from 1780-1977, with the bulk falling between 1890-1970. The Collection includes 1,922 drawings, 124 prints, 14 paintings, 13 animation cels, 9 collages, 1 album, 1 photographic print, and 1 scrapbook.

*Cartoon History of the United States* Princeton Review

Based on a 1912 publication about Texans who fought for the South in the Civil War, *Texas Boys in Gray* presents a collection of fascinating remembrances of those who were there. Sometimes humorous

---

and sometimes heartbreaking, the experiences of these men are documented as a tribute to Texas war veterans. Texas Boys in Gray captures, in their own words, the patriotism, the fear, the confusion, the bravery, the terrible wounds, the desperate hunger, the camaraderie, the horrible prison conditions, and the joyful reunions that were all part of that historical time.

**American Monthly Review of Reviews** W. W. Norton & Company

A comprehensive overview of the wars that saw the United States emerge as a world power; one that had immense implications for America, especially in Latin America and Asia. ABC-CLIO, acclaimed publisher of superior references on the United States at war, revisits a pivotal moment in America's coming-of-age with The Encyclopedia of the Spanish-American and Philippine-

American Wars: A Political, Social, and Military History. Again under the direction of renowned scholar Spencer Tucker, the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match. The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world's foremost historians, covering everything from the course of the wars to relevant economic, social, and cultural matters in the United States,

---

Spain, and other nations. Featuring a separate volume of primary-source documents and a wealth of images and maps, the encyclopedia portrays the day-to-day drama and lasting legacy of the war like never before, guiding readers through a seminal event in America's transition from the Gilded Age to the Progressive Era.

**Blades of Freedom (Nathan Hale's Hazardous Tales #10)**

Graphic Planet- Nonfiction

When President Thomas Jefferson bought the Louisiana Territory from cash-

strapped France in 1803, he doubled the size of the United States without really knowing what he was getting. He dispatched Meriwether Lewis and William Clark and their Corps of Discovery to explore a territory that would include part or all of fifteen future states and to seek a water route to the West Coast. Westward expansion began immediately, all for the bargain price of 15 million dollars. This book richly explores this fascinating part of history.

*Lewis and Clark and Exploring the Louisiana Purchase* Holt McDougal

A history of major financial crises--and how taxpayers have been left with the bill In the

1930s, battered and humbled by the Great Depression, the U.S. financial sector struck a grand bargain with the federal government. Bankers gained a safety net in exchange for certain curbs on their freedom: transparency rules, record-keeping and antifraud measures, and fiduciary responsibilities. Despite subsequent periodic changes in these regulations, the underlying bargain played a major role in preserving the stability of the financial markets as well as the larger economy. By the free-market era of the 1980s and 90s, however, Wall Street argued that rules

---

embodied in New Deal-era regulations to protect consumers and ultimately taxpayers were no longer needed--and government agreed. This engaging history documents the country's financial crises, focusing on those of the 1920s, the 1980s, and the 2000s, and reveals how the two more recent crises arose from the neglect of this fundamental bargain, and how taxpayers have been left with the bill.

**New Orleans Memories** Univ. Press of Mississippi  
Carolyn Kolb provides a delightful and detailed look into the heart of her city, New

Orleans. She is a former Times-Picayune reporter and current columnist for New Orleans Magazine, where versions of these essays appeared as "Chronicles of Recent History." Kolb takes her readers, both those who live in New Orleans and those who love it as visitors, on a virtual tour of her favorite people and places. Divided into sections on food, Mardi Gras, literature, and music, these short essays can be read in one gulp or devoured slowly over time. Either way, the reader will find a welcome companion and guide in Kolb. In bringing her stories up to date,

---

Kolb's writings reflect an ongoing pattern of life in her fascinating city. Since the devastation of Hurricane Katrina in 2005, some of these things remembered will never return. Some of the people whose stories Kolb tells are no longer with us. It is important to her, and to us, that they not be forgotten. Kolb, and her readers, can honor them by sharing and enjoying their stories. As Kolb says, "When things fail, when the lights go out and the roof caves in and the water rises, all that remains, ultimately, is the story." This collection of such

stories was made with love. [Missouri Compromise Threatens National Unity | U.S. Politics 1801-1840 | History 5th Grade | Children's American History of 1800s](#) Cavendish Square Publishing, LLC  
Bourbon? Calliope? St. Claude? Craps Street??! New Orleans history, legend, and myth are humorously and colorfully told through its street names, in a famous book all the locals grew up with – and tourists will enjoy – by cartoonist and humorist John Churchill Chase. The new ebook edition takes Chase's second and best edition and makes it more usable to the digital reader, adding a fully-linked index, active Contents, linked notes and

---

cross-references, all the cartoons from the original, and more. It is searchable and properly formatted for e-readers, pads, and smartphones, and features all the drawings and map sketches of the original Second Edition, even including (unlike other versions) the cover inset drawings and the original dustjacket. A quality digital republication from Quid Pro Books and its Quaint Press imprint, this ebook still makes locals and visitors laugh while learning the sometimes embarrassing truths behind the people, neighborhoods, avenues, and "neutral grounds" of the hodgepodge that became New Orleans. "Once upon a time," Chase writes, "while minding my own business drawing historical cartoons, I became intrigued with the realistic manner in which the street names of New Orleans told my city's lusty history...." He closes his preface thanking his wife, "who says that she does so believe that I was at the library all the times I said I was, and not at the Sazerac Bar. I also wish to thank the bartenders of the Sazerac Bar." This classic work is funny yet very informative. And in its new digital format with special features from Quid Pro Books, it serves as a great guide to the city's pathways to the present.

---

on to become the third president of the United States.

Louisiana Purchase Pelican Publishing

Discover the story of the Haitian Revolution—the largest uprising of enslaved people in history—in this installment of the New York Times bestselling graphic novel series *Why would Napoleon Bonaparte sell the Louisiana Territory to the recently formed United States of America? It all comes back to the island nation of Haiti, which Napoleon had planned to use as a base for trade with North America. While Napoleon climbed the ranks of the French*

army and government, enslaved people were organizing in Haiti under the leadership of François Mackandal, Dutty Boukman, Jean-Jacques Dessalines, and Touissant L'Ouverture, who in 1791 led the largest uprising of enslaved people in history—the Haitian Revolution. Nathan Hale's *Hazardous Tales* are graphic novels that tell the thrilling, shocking, gruesome, and TRUE stories of American history. Read them all—if you dare!
