conscious foodies and bakers! With more than half a million copies of their books in print, Jeff Hertzberg, MD and Zoë François have proven that people want to bake their own bread, so long as they can do it quickly and easily. But what about people with celiac disease or gluten sensitivity? They want to eat well too, but gluten is everywhere: in cakes, pastas, desserts, gravy—even in beer and Scotch whiskey. But the thing they miss most? Bread. Based on overwhelming requests from their readers, Jeff Hertzberg and Zoë François have returned to their test kitchens to create an entirely gluten-free bread cookbook—most

of the recipes that readers loved in *Artisan Bread in Five Minutes a Day* appear here in a gluten-free version. In just five minutes a day of active preparation time, you can create delectable, gluten-free Sandwich loaves, European Peasant Bread, 100% Whole Grain Loaves, French Baguettes, Crock Pot Bread, Caraway "Rye" Bread, Challah, and even fabulous dessert breads like Brioche, Doughnuts, and Sticky Pecan Caramel Rolls. *Gluten-Free Artisan Bread in Five Minutes a Day* extends their revolutionary stored-dough method to yeasted and unleavened breads made without wheat, barley, or rye. With 90 recipes—plus 100

instructional photos and 40 gorgeous color images—the authors adopt the rich palette of world breads to their unique method. With this revolutionary approach, you CAN have mouthwatering gluten-free artisan bread in just five minutes a day!

Ex-commando and Montana police chief Skip Walkins's life just got a whole lot worse. The malevolent god Asmodeous the Pale has escaped to Earth's magical twin, Theia, where he plans to release his underworld minions and enslave mankind. Skip, in a fit of unwise bravery, follows. He ends up allied again with Gavin Blackburn and the Shardyn Knights. Desperate to warn the Theians

about Asmodeous, the Knights don't blink at crossing a sky-high mountain range and battling a legendary necromancer to do so. The thing is, nobody wants to listen to the Knights' tales of dread. Immersed in a magic-fueled tournament for immortality, the Theians give Gavin and Skip a motley crew of mismatched warriors to lead against all the fury of the underworld. And if Gavin and Skip can't stop Asmodeous, both Theia and Earth will be doomed. See how the struggle began in Drynn. 126,000 words Hemlock and After Berghahn

up in her life again, she ' s determined to avoid him, no matter how good he looks in his uniform. But that ' s easier said than done in Whitford, especially when he ' s renting the house right next door.... Falling for Max (Book Eight of the Kowalskis) Max Crawford has always been a little awkward when it comes to social interactions, and working from home doesn ' t help. He spends so much time alone, painting beautiful, historically accurate model trains that half of Whitford has begun to joke that he may be a serial killer. Not exactly prime husband material. Tori Burns has found happiness in Maine, thanks in large part to her shifts at the Trailside Diner. She likes the work, and she loves the local gossip. When shy, geeky Max Crawford becomes a regular, she ' s intrigued. When she finds out he ' s in the market for a wife, she ' s fascinated...and determined to help. As she turns his comfortable life all sorts of upside down, she ' ll have to find a way to show just how she ' s fallen for him...the real him. What it Takes (A Kowalski Reunion Novel) Being a paramedic in Whitford is nothing like Ben Rivers ' s city life, but when Josh Kowalski offers him the job, the lure of his hometown is too much to resist. Also too much to resist: Laney Caswell. Ben always thought he ' d

Redemption: A Defiance Novel  
Perfect Edge Explosive, revealing, and intelligent, The Red Circle provides a uniquely personal glimpse into one of the most challenging and secretive

military training courses in the world. Now including an excerpt from The Killing School: Inside the World's Deadliest Sniper Program BEFORE HE COULD FORGE A BAND OF ELITE WARRIORS... HE HAD TO BECOME ONE HIMSELF.

Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in

the Persian Gulf and Afghanistan, The Red Circle provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors-including Marcus Luttrell and Chris Kyle-that makes his story so

---

compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account

of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military. Hero's Homecoming  
Carina Press  
On its appearance in 1952 the Times Literary Supplement called Hemlock and After 'a novel of remarkable power and literary skill which deserves to be judged by the highest standards'.

Angus Wilson's first novel is concerned with the hypocrisies of middle-class society. The protagonist, Bernard Sands, is a novelist and an intellectual who tries to found a centre for young writers. However, Sands is a secret homosexual and in the post-war Britain of the time his liberal ideas cause much anxiety to those in charge. Surrounded by false friends

and scheming enemies Sands has to come to terms with his emotions and is forced to decide where his loyalties lie. A compassionately written novel Hemlock and After explores the conflict of duty and love in one man's life and the consequences of our choices. Written at a time when homosexuality was still an offence Hemlock and After is a brilliantly handled novel

from a writer who was described by John Betjeman as 'mercilessly accurate and never dull.'

Gifts of Honor

Penguin UK

Christmas is the perfect time to start from scratch

Lieutenant Sully Jax saved his unit during an IED attack, but he couldn't save his marriage. He can't even remember it.

Recovered from his injuries, he's come home to the family and friends he knows—and an ex-wife who's a stranger to him.

Lucy Crabtree was heartbroken last Christmas

when Sully announced his plan to go on one last tour of duty, and devastated when he asked for a divorce after he awoke in the hospital with no memory of her.

She's finally moving on from her hurt and from losing the man she loved more than anything, and her cookie-baking business is taking off just in time for the holidays. But now Sully's back, and she can't deny she still loves him. But how can she trust her heart to someone who breaks it every time she sees him? Sully might not remember Lucy, but something inside

won't let her go.

With every bite of her cookies, he finds a new love for Lucy, and he soon realizes he wants to rebuild his life...with her by his side.

In their bold experimentation and bracing engagement with culture and politics, the "New Hollywood" films of the late 1960s and early 1970s are justly celebrated contributions to American cinematic history.

Relatively unexplored,

---

however, has been the profound environmental sensibility that characterized movies such as *The Wild Bunch*, *Chinatown*, and *Nashville*. This brisk and engaging study explores how many hallmarks of New Hollywood filmmaking, such as the increased reliance on location shooting and the rejection of American self-mythologizing, made the era such a vividly "grounded" cinematic moment. Synthesizing a range of

narrative, aesthetic, and ecocritical theories, it offers a genuinely fresh perspective on one of the most studied periods in film history. [Been Down So Long It Looks Like Up to Me](#) Two Gnomes Media Hailey Genest has seen most of her friends marry and have babies, and she's happy for them, but it was a lot easier before she hit forty. She's spent her entire life in Whitford,

Maine, and if she hasn't found her Prince Charming by now, she has to accept she's probably not going to. When a new friend suggests they go on an adventure and embrace being single, Hailey agrees. Surviving in the woods is game warden Matt Barnett's idea of a relaxing vacation. But when he meets two women in need of help, he leads them back to safety—a task

---

that proves more fun than expected, thanks to a certain hot blonde. He can't resist pushing her buttons, even though she's made it clear that the rugged, outdoorsy type just isn't for her. Hailey is glad to see the back of her tempting-tour-guide slash-pain-in-the-ass. When he shows up in her life again, she's determined to avoid him, no matter how good he looks in his uniform.

But that's easier said than done in Whitford, especially when he's renting the house right next door.... 74,000 words Anglo-Saxon Attitudes Carina Press Years ago, Lucas Davenport almost died at the hands of Clara Rinker, a pleasant, soft-spoken, low-key Southerner, and the best hitwoman in the business. Now retired and living in

Mexico, she nearly dies herself when a sniper kills her boyfriend, the son of a local druglord, and while the boy's father vows vengeance, Rinker knows something he doesn't: The boy wasn't the target-she was-and now she is going to have to disappear to find the killer herself. The FBI and DEA draft Davenport to help track her down, and with his fiancée deep in wedding preparations,

---

he's really just as happy to go-but he has no idea what he's getting into. For Rinker is as unpredictable as ever, and between her, her old bosses in the St. Louis mob, the Mexican druglord, and the combined, sometimes warring, forces of U.S. law enforcement, this is one case that will get more dangerous as it goes along. And when the crossfire comes, anyone

standing in the middle won't stand a chance.... Filled with the rich characterization and exceptional drama that are his hallmarks, *Mortal Prey* proves that John Sandford just keeps getting better. *Finessing the Contessa* Penguin The treatise *De mundo* offers a cosmology in the Peripatetic tradition which subordinates what happens in the cosmos to the might of an omnipotent god. Thus the work is paradigmatic for the philosophical

and religious concepts of the early imperial age, which offer points of contact with nascent Christianity. *The Dark Prophecy (The Trials of Apollo Book 2)* Carina Press 'Angus Wilson is one of the most enjoyable novelists of the 20th century... *Anglo-Saxon Attitudes (1956)* analyses a wide range of British society in a complicated plot that offers all the pleasures of detective

fiction combined with a steady and humane insight.' Margaret Drabble First published in 1956, Anglo-Saxon Attitudes draws upon perhaps the most famous archaeological hoax in history: the 'Piltdown Man', finally exposed in 1953. The novel's protagonist is Gerald Middleton, professor of early medieval history and taciturn

creature of habit. Separated from his Swedish wife, Gerald is increasingly conscious of his failings. Moreover, some years ago he was involved in an excavation that led to the discovery of a grotesque idol in the tomb of Bishop Eorpwald. The sole survivor of the original excavation party, Gerald harbours a potentially ruinous secret... The Spectral

The second book in the latest series from international bestselling author, Rick Riordan He was once an immortal God, now he's an awkward teenager. Things aren't going well for Apollo. There's only one way he can earn back Zeus' favour, and that's to seek and restore the ancient oracles - but that's easier said than done. Apollo must head to the American Midwest where, rumour has it, a haunted cave may hold answers. There are a few things standing in his way though.

Bundle 1 Carina Press From Tana French, author of the forthcoming novel The Hunter, "the most important crime novelist to emerge in the past 10 years" (The Washington Post), the New York Times bestseller called "the most stunning of her books" (The New York Times) and a finalist for the Edgar Award. Back in 1985, Frank Mackey was a nineteen-year-old kid with a dream of escaping his family's cramped flat on Faithful Place and running away to London with his girl, Rosie Daly. But

---

on the night they were supposed to leave, Rosie didn't show. Frank took it for granted that she'd dumped him—probably because of his alcoholic father, nutcase mother, and generally dysfunctional family. He never went home again. Neither did Rosie. Then, twenty-two years later, Rosie's suitcase shows up behind a fireplace in a derelict house on Faithful Place, and Frank, now a detective in the Dublin Undercover squad, is going home whether he likes it or not.
