Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a

surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing,

In this new monograph, author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark, feared, often seductive figure lingering in alleys, to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop

culture. Dudek takes a close look at three hugely-popular vampire series for young adults, drawing parallels between the TV series Buffy the Vampire Slayer, the Twilight Saga novels/films, and The Vampire Diaries TV series/book series. By defining a new era of vampire texts and situating these three series within this transition, *The Beloved Does Not Bite* signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for

young adults.

**Magic of the Moonlight:
A Full Moon Novel**

Penguin UK

Delilah is thrown into the world of supernatural when she meets a bleeding man on a train who needs her blood to heal. The brutal strength of his passion coaxes her to abandon her senses and surrender to him. As

time goes on, she begins to realize that the Vampire is not the only one she wants to submit to. Liam has watched her his whole life and seeing her with the Vampire makes his Wolf snarl. ~~~~~ I've never strayed far from home before. But now, I have no choice but to leave to find help for my sick mother. It is supposed to be an easy journey into town to hire a doctor. Of course, things are never that easy. I meet a bleeding man on a train who pins me with his gaze

and his strong hands. He touches me in a way no one ever had before and I am swept away by his gentle but firm caresses. He tells me he wants me. He needs me. Would I give myself to him? I am afraid, but his eyes draw me in and I can't find it in myself to deny him. He leans in and his teeth sink into the soft flesh of my neck and my knees are weak. I cling to him, feeling the pleasure and pain of his mouth against my skin, his hands around

my waist, lifting me and pressing me to his chest. He is strong enough to lift me off my feet and he does. Nothing will ever be the same again. ~~~~~ PG Excerpt ~~~~~ The vampire is taunting him, showing off all the way he has her. And Liam... Liam is too weak to look away. She is so beautiful, even as she is being defiled by the vampire. Her skin is lovely and so pale that all the love bites are featured prominently from a distance and she makes

the loveliest noises, little moans and whimpers that makes him come undone. The vampire has been teaching her perverse things. He shouldn't be listening in on them as they make love, but he can't help himself. It's not like he doesn't know what sex is, but the way they go about it is insane. He almost panics when he scents how fertile she is one day, but as the days pass and it becomes clear that she's not carrying the vampire's child, he begins

to relax and have other thoughts. Some vampires are so ancient that they are no longer capable of siring offspring. It's a small trade-off for immortality. The first time he finds himself being a voyeur is entirely coincidental. He had been walking home from a long shift at work when he sees light from his neighbor's place. The door is opened, allowing the firelight to illuminate them. Even without it, he is able to see them clearly with his night vision. He

feels himself growing angered by the sight of Delilah cradled in the vampire's chest, her legs curled up in her chest. She is turned to him so that her face is hidden in the nape of his neck. There is a thick blanket spread over the both of them. They are just a couple enjoying the night view and he feels like a voyeur for stopping in his tracks to stare at them. Shamed, he means to walk past them without a word but he stops as a gust of air blows towards

him from their direction. It carries her scent, sweet and innocent even now but with something else... a thick, musky scent that is undeniably one of arousal. He bristles but is able to keep his mind clear enough to stay hidden. "Charles..." Her voice is small and hurt. For a second, he thinks to attack the man, thinking that he had caused her pain. She wriggles in his grasp and tries to shift and adjust her position. The blanket falls from her shoulders and

pools at their feet. Neither of them move to pull it back up.
