USA TODAY - Loving Logan has a sweet, snappy, impish energy that makes for a fun, fast read. Light, laugh out loud, feel good romantic comedy. With a conga dancing basset hound. A "Love, Laugh, Bark" novel. Bailey and Logan's story. If you like romantic comedy with a sexy rich guy, an Irish heroine who mutters in Gaelic, a crazy bet, a long held secret, and lots of pets, then chances are you ' ll enjoy LOVING LOGAN.What Bailey O ' Donlan fancies this Christmas is for Logan Mitchell, the only man she's ever loved, to disappear before he learns her secret.She's not asking much. After all, Mitch has disappeared before. Bailey ' s seen neither hide nor hair of him in eight long years, ever since the Christmas Eve she climbed through his bedroom window with stars in her eyes. Instead, what she gets is one stray golden retriever, one conga-dancing basset hound with nervous gas, four kittens, and two brothers who can ' t wait to meddle in

her life. Rich and successful, Logan has come home to stay, and to escape from being Society magazine's Most Eligible Bachelor. Ever since the magazine hit the newsstands, he's been getting letters. And not just your typical fan mail kinds of letters, either. He's getting marriage proposals by the truckload, and strange women are asking him to father their children. He's got pictures of women in all manner of dress and some not dressed at all. When Bailey embarrasses him in front of their friends, he foolishly accepts a bet offered by Bailey's brother Greg--that Logan can make Bailey fall in love with him again before Christmas day. But Logan's plans to win Bailey over get completely derailed when he learns that she's already in love--with the man who left her with a broken heart and a young daughter. The O'Donlan clan has another agenda, however, and it's not long before Bailey and Logan square off with super-soakers, bologna and brussels sprout casseroles, beer-drenched shirts, a freakish late night pizza delivery, secret decoder rings, a mob of big-haired women, and some wild entertainment called Foreplay. It's Christmas at O'Malley's, with leprechauns, Guinness, good luck and laughter, lullabies, dreams and love ever after. USA TODAY - Loving Logan has a sweet, snappy, impish energy that makes for a fun, fast read and a solidly enticing start to what I hope will be the first of many stories featuring the O'Donlan family. Bryan's characters are pleasantly unpredictable — Logan is successful and smart-alecky, but he's also thoughtful, insecure and refreshingly ready to settle down and begin a family — not realizing he got a jumpstart on that eight years ago. Bailey is struggling with her own insecurities, which contrast nicely against her poise as an entertainer at her uncle's bar and her confidence as a single mother. I especially enjoyed the Irish family feel — the over-protectiveness of Bailey's brothers, the caring and camaraderie and even the occasional skirmish. And Bryan's cast of critters will thoroughly charm you. Meet Bailey's adopted basset hound: Bailey's gaze locked on Chumley, lying flat out, his extra skin pooled around him like a black and tan puddle, both paws draped melodramatically around an empty dog food bowl, with a look of injured reproach on his face. See what I mean? Love, lust, laughter and the luck of the Irish — this heart-catching contemporary has it all. If Katie Bryan isn't planning to make Loving Logan part of a series, I just might have to start a petition.

 "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review)
 Dana Schwartz's Anatomy: A Love Story is a gothic tale full

of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Currer is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

The setting is wartime Yorkshire, England 1944. It is an engaging story of innocent young love, as Jack Potter, a 17-year-old career-driven young man falls fast and hard for Maggie Swinton, a caring and beautiful 16-year-old young woman who comes to work at his place of employment. An immediate and

profound attraction is forged between Maggie and Jack and, as they explore their emerging strong feelings and love blossoms, the story sensitively reveals that age is no barrier to great love. As the story unfolds, Jack and Maggie's love deepens, but they must deal with the struggles and heartache of wartime separation as Jack leaves his Maggie to serve his country. Will absence 'make the heart grow fonder' or will it be a case of 'out of sight, out of mind'? After all, they are so very young. Surprise events take the reader on a journey of discovery with these two endearing characters and their families. A heart-warming tale of first love and its immense potential to overcome all odds.

Jack is a romantic comedy, the first book in the series *For The Love Of A Good Woman*. It can be read as a standalone, but the characters are intertwined in the rest of the series. "Do I need to worry about this being poisoned?" Harper turned to me with a glare. "Excuse me?" "Well, I mean, you already told me that you had plans to murder me at work.

Figured maybe this was a sneak attack." Sean turned to Harper. "Seriously? You told him you had plans to murder him?" "No, I was posing a scenario in which we wouldn't be together anymore." "And one of those scenarios was you murdering him." Harper started to get flustered and couldn't find the right words to say. I inwardly laughed. The guys were just busting her chops, but I thought it was hilarious. She got herself into this and she could get herself out." I was just... I was saying that people break up and it wasn't smart to move in together." Cole was the next to speak up. "So he asks you to move in and you plot to murder him?" Jack I've never been much for relationships. Until I met her. She's feisty, every man's wet dream, and a heap load of trouble. Every instinct in me screams to take care of this woman, but she's independent and won't accept my help. I won't let that get me down though. I have to have this woman and I'll do everything in my power to have her. That is, if I don't f**k it up. But life sometimes throws curve balls that throw the best laid plans off course. Harper He's the most delectable man I've ever seen and he wants me. The only problem is, he is too overbearing. I don't need a man to take care of me. I'm perfectly capable of providing for myself. My attraction to him is undeniable and our chemistry is off the charts. The more I fight this man, the more I want him. Need him. Our differences may be too big to overcome and he may not want me when he finds out the truth.

Lawless Silhouette

A magical story of motherly love and the

bonds of love between us from the number one bestselling author of *Songs of Love and War*. Celeste is mourning the tragic death of her young son, Jack, from leukaemia. So when she learns that her nephew is coming to stay, she doesn't think she can bear to have another child in the house. But when Bruno arrives, she makes him feel welcome and loved, even though her heart is breaking. She finds sanctuary in the little summerhouse at the end of her garden, where the quilt she was making her son lies unfinished, her love and grief stitched into the material. Having another child in the house brings back all her memories, but stirs up the love that has lain dormant in her. Can she open her heart again? Can love triumph over loss, and hope flourish once more? A magical and beautiful novella, for mothers everywhere.

Young Love's Legacy Createspace Independent Publishing Platform
Biography of the 1950s movie and television actor, Jack Kelly, co-star of TV's *Maverick*. In real life, Jack was a child performer, son of New York model, Nan Kelly, brother of actress Nancy Kelly, brother-in-law of actor Edmond O'Brien and cinematographer Fred Jackman Jr. On American television, he portrayed James Garner's brother on *Maverick* (1957-1962).

Women often said that he was the reason they tuned in, and they still say that, even though the show's been in re-runs for decades. His best-known films included *A Crooked Road* (1954) with Mickey Rooney, *To Hell and Back* (1955) with Audie Murphy, and *The Forbidden Planet* (1956) with Leslie Nielsen. In the late 1960s on American television, Jack hosted *Sale of The Century*, starred in *Get Christie Love* (1975), and also appeared on *The Hardy Boys and Nancy Drew* (1977) series. After he retired from show business, he served as a City Councilman and Mayor of Huntington Beach, California, and he was also a newspaper publisher. He loved some of the most beautiful women in Hollywood, became a husband, and would probably tell everyone that his greatest joy was in being a father.
