A historical romance set in America's Old West, *Lawless* is "a novel by Jackie MacNamara," the book written by the character in #1 New York Times bestselling author Nora Roberts' *Loving Jack*. In the late 1800s, the Arizona Territory was an unsettled, wild frontier traversed by the likes of Jake Redman. Prejudiced against his partial Apache parentage, the gunslinger had little patience for the civility practiced by Sarah Conway. Yet she brought more than polite manners from her east coast city society, possessing a strength of character needed to make the western town of Lone Bluff her home—and an enticing, fiery passion as dangerous to Jake as anything he ever faced with a six-gun.

Jack is a romantic comedy, the first book in the series *For The Love Of A Good Woman*. It can be read as a standalone, but the characters are intertwined in the rest of the series. "Do I need to worry about this being poisoned?" Harper turned to me with a glare. "Excuse me?" "Well, I mean, you already told me that you had plans to murder me at work. Figured maybe this was a sneak attack." Sean turned to Harper. "Seriously? You told him you had plans to murder him?" "No, I was posing a scenario in which we wouldn't be together anymore." "And one of those scenarios was you murdering him." Harper started to get flustered and couldn't find the right words to say. I inwardly laughed. The guys were just busting her chops, but I thought it was hilarious. She got herself into this and she could get herself out. "I was just... I was saying that people break up and it wasn't smart to move in together." Cole was the next to speak up. "So he asks you to move in and you plot to murder him?" Jack I've never been much for relationships. Until I met her. She's feisty, every man's wet dream, and a heap load of trouble. Every instinct in me screams to take care of this woman, but she's independent and won't accept my help. I won't let that get me down though. I have to have this woman and I'll do everything in my power to have her. That is, if I don't f**k it up. But life sometimes throws curve balls that throw the best laid plans off course. Harper He's the most delectable man I've ever seen and he wants me. The only problem is, he is too overbearing. I don't need a man to take care of me. I'm perfectly capable of providing for myself. My attraction to him is undeniable and our chemistry is off the charts. The more I fight this man, the more I

want him. Need him. Our differences may be too big to overcome and he may not want me when he finds out the truth.
