Jackson's Trust

Henry Holt

He's a better fighter

A fighter to the core, Hudson

Reyes has collected enough battle scars now to last several

lifetimes. But after his combat injuries retire him from the

life he wasn't ready to give up, Hudson

finds himself spending the

carbon copy days of his new career as a Hollywood fight

scene and weapons specialist just doing what he knows best: surviving. Until he meets her. The one woman who makes him want to live again. With wounds as deep as his own, she's a scrappy little thing--an angel-faced paradox that comes as a package deal with an offbeat town of admirably protective, but downright nosy folks. And a wicked roundhouse kick that's become intimately familiar with his head. ...but she has all the weapons. An antique arms authenticator by day and a self-

defense instructor by night, Liana Lin has made a living turning the unthinkable demons of her past into the passions that fuel, and fill, her life. So when the unjustly handsome man she's been unable to stop thinking about literally takes her to the mat with martial arts styles unlike anything she's ever seen--pinning her with a molten hot stare that melts her like a marshmallow trapped between a graham cracker and a chocolate square--Lia flips into no-holds-barred fight mode. Because if one man

could find a way to disarm her carefully built defenses, it'd be him. Now if only they could stop sparring long enough to find out...

Violet Duke

-- A USA

TODAY best-seller --

Brewmaster and town sweetheart

Dani Dobson is officially declaring war against her hot, maddening new menace of a neighbor--and his shop. How the man manages to provoke her so much is beyond her. But he does, and really, she's just picking up the gauntlet he tosses her way. The terms of their little throwdown? Her business versus his in the arena of romance. And the stakes? Very likely, her heart. Chocolatier and town newcomer Luke Bradford loves his shop's new home. Partly because he

couldn't ask for a better fresh start for both his professional and personal life, and partly (okay, mostly) because he gets to lock horns with the feisty beer-brewing beauty next door, and effectively push all her buttons on a fairly regular basis. To be fair, in his defense-- Just kidding. He has no defense. As far as the meddling matchmakers in this quirky little town are concerned, this is going to be their most unlikely (and interesting) pairing yet... "Violet Duke always writes such

compelling, delightful characters who manage to pull you in and make you feel a part of their lives." -- #1 New York Times Bestselling Author Barbara Freethy ? AUTHOR NOTE ? Be forewarned, this slow-burn romcom is definitely sweeter (and longer) than my other books (but there is still some on-page steam, as well as a few curse words--no f-bombs though, per usual). A book about a brewmaster and chocolatier battling over Valentine's Day supremacy?

Yep, it was a given I was going to go all-out on the feel-good romance for this one. :) So if you're in the mood for a light and fun love story (with some of my token laugh-and-cry Violet Duke-ness, of course) between two stubbornly romantic characters who work hard for their happily ever after, this is the book for you! xoxo ? Las Sombras/The Shadows Violet Duke Summer Rayne Oakes, an urban

houseplant expert and environmental scientist, is the icon of wellness-minded millennials who want to bring nature indoors, according to a New York Times profile. Summer has managed to grow 1,000 houseplants in her Brooklyn apartment (and they're thriving!) Her secret? She approaches her relationships with plants as intentionally as if they were people. Everyone deserves to feel the inner peace that comes from taking care of greenery. Beyond the obvious benefits--beauty and cleaner air--there's a strong

psychological benefit to nurturing plants as a path to mindfulness. They can reduce our stress level, lower our blood pressure, and improve our overall outlook. And they offer a rare opportunity to find joy by caring for another living being. When Summer Rayne Oakes moved to Brooklyn from the Pennsylvania countryside, she knew that bringing nature indoors was her only chance to stay sane. She found them by the side of the road, in long-forgotten window boxes, at farmers' markets, and in local garden shops. She

Choosing the Right Man (a feel-good second chance romance) Legare Street Press She's his best friend, and the woman he never stopped loving... To this day, Isaac McKnight still has no idea why the perfectly-imperfect woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though.

But now, it's a year later and he and XoeY are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For XoeY Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-

finding formula analyzing the exes responsible for her most epic 'ohs' seems brilliant. The only problem with her genius man-uation, however, is the one ex she never truly got over. Her best friend Isaac. "Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. They made their way to Hollywood when the popularity of the Wild West shows began to decline, found work acting in action-packed silent westerns, and became idols for early moviegoers everywhere. More than 100 of those cowboys who starred in silent westerns between 1903 and 1930 are highlighted in this work. Among those included are Art Acord, Broncho Billy Anderson, Harry Carey, Fred Cody, Bob Custer, Jack

Daugherty, William Desmond, William Duncan, Dustin Farnum, William Farnum, Hoot Gibson, Neal Hart, William S. Hart, Jack Holt, Jack Hoxie, Buck Jones, J. Warren Kerrigan, George Larkin, Leo Maloney, Ken Maynard, Tim McCoy, Tom Mix, Pete Morrison, Jack Mower, Jack Perrin, William Russell, Bob Steele, Fred Thompson, Tom Tyler, and Wally Wales, to name just a few. Biographical information and a complete

filmography are provided for each actor. Richly illustrated with more than 300 movie stills. Sunset McFarland Emma Stevens still lives with the guilt of an impossible decision from her past: being forced to choose which of her young siblings to save in the fire that decimated their childhood home. To this day, she 's never stopped thinking about the boy next door who 'd dragged her to

safety that night. Or the fact that he 'd been the one to cause the fire in the first place... Jake Rowan may not have been able to save Emma 's little brother all those years ago, but he was able to save his own brother. By taking the fall for the accidental fire he 'd had nothing to do with, and serving out his sentence in juvie, Jake managed to keep his older brother out of

prison. At the cost of his own future...and the girl of his dreams. Now, fourteen years later, Jake finds himself on Emma ' s doorstep once again. Not to save her life this time, but to repair it—along with her heart—if she ' ll let him. Previously published by Montlake Romance (c) 2017. Making Do Or Making Art Violet Duke The greatest novel of the Mexican Revolution, in a brilliant new

translation by an award-winning translator The Underdogs is the first great novel about the first great revolution of the twentieth century. Demetrio Macias, a poor, illiterate Indian, must join the rebels to save his family. Courageous and charismatic, he earns a generalship in Pancho Villa ' s army, only to become discouraged with the cause after it becomes hopelessly factionalized. At once a spare, moving depiction of the limits of political idealism, an authentic representation of Mexico ' s peasant

life, and a timeless portrait of revolution, The Underdogs is an iconic novel of the Latin American experience and a powerful novel about the disillusionment of war. Design Your Natural Midwest Garden Penguin -- A USA TODAY Bestseller -- Before that night, Addison Milan had been just a college dropout secretly raising her two young siblings in a beat-up minivan she'd

bought with her first semester's tuition refund--the only money her addict mother hadn't taken off with when she'd abandoned them nearly two years ago. Before that night, Caine Spencer had been just a rough, gruff cop sent to check out the phoned-in claims of suspected child neglect involving the same woman he'd met just months prior when she'd first served him the city's worst diner coffee...which he'd been drinking daily ever since. Before that night, Addison would never have thought the man she'd been fighting hard not

to fall for--her only friend in her new shadow of a life--would be in a position to rip her family apart. Before that night, Caine would never have believed any woman could make him fall head over heels, let alone make him feel so damn compelled to look the other way when it came to his job. Then that one perfect night changed everything.
