With Love and Light is written in three phases. First pertaining to the background of Jamie Butler's life. Growing up a Medium is everything you've ever imagined and equally as confusing. The book then answers the questions you always wanted to ask a Medium but never had a chance. (Do spirits watch us during sex?) Jamie's humor shines through the most delicate of topics (spirituality, death, etc.) and amid some of the most incredible enlightening stories. The final portion of the book delves into firsthand accounts of people who have experienced her gift.

As the reader you live vicariously for a moment through more than a dozen people's private interactions and experiences with a true Medium. The connections made and lessons learned will remain with you, even after you finish With Love and Light. The Book of Light Penguin You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking

God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and

"Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul."

—John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty

glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If

we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale. “Marvelous.” —AJ Finn, author of *The Woman in the Window*. My name is Amber Reynolds. There are three things you should know about me: 1. I’m in a coma. 2. My husband doesn’t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can’t move. She can’t speak. She can’t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn’t remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth? Award You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power

of culture and the transformative possibilities of Christian practices. He explains that worship is the "imagination station" that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring*

---

the Kingdom, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in Desiring the Kingdom to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage,

family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life. *The Way of Kings* Ambassador International To find more information about Rowman and Littlefield titles, please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com). *Why I Love the Apostle Paul* Crossway We're facing an information overload. With

the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political opinions, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us consume a more balanced, healthy diet of information, Brett McCracken has created the "Wisdom Pyramid." Inspired by the

food pyramid model, the Wisdom Pyramid challenges us to increase our intake of enduring, trustworthy sources (like the Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when so much of our daily media diet is toxic and making us spiritually sick, The Wisdom Pyramid suggests that we become healthy and wise when we reorient our lives around God—the

foundation of truth and the eternal source of wisdom. *Big Book of Bible Skills* Shadow Mountain Key Traits of a Healthy Church to Develop within the Local Body What is an ideal church, and how can you tell? How does it look different from other churches? More importantly, how does it act differently,

especially in society? Many of us aren't sure how to answer those questions, even though we probably have some preconceived ideas. This book answers those questions and many more. Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church: expositional preaching,
