Bee stings on the backside! That was just the beginning. Tim was about to enter a world of the past, with bullying boys, stones and Indian spirits of long ago. But they were real spirits, real stones, very real memories... In this powerful family saga, author Tim Tingle tells the story of his family 's move from Oklahoma Choctaw country to Pasadena, TX. Spanning 50 years, Saltypie describes the problems encountered by his Choctaw grandmother—from her orphan days at an Indian boarding school to hardships encountered in her new home on the Gulf Coast. Tingle says, “ Stories of modern Indian families rarely grace the printed page. Long before I began writing, I knew this story must be told. ” Seen through the innocent eyes of a young boy, Saltypie — a 2011 Skipping Stones honor book, WordCraft

Circle 2012 Children's Literature Award-winner, and winner of the 2011 Paterson Prize for Books for Young People in the category of Grades 4-6 — is the story of one family 's efforts to honor the past while struggling to gain a foothold in modern America. Tim Tingle, a member of the Choctaw Nation of Oklahoma, is a sought-after storyteller for folklore festivals, library conferences, and schools across America. At the request of Choctaw Chief Pyle, Tim tells a story to the tribe every year before Pyle 's State of the Nation Address at the Choctaw Labor Day Gathering. Tim 's previous and often reprinted books from Cinco Puntos Press—Walking the Choctaw Road and Crossing Bok Chitto—received numerous awards, but what makes Tim the proudest is the recognition he receives from the American Indian communities. Mercy for Today Jason Aronson  
Who are you? When you start to explore this question, you find out how elusive it really is. Are you a physical body? A collection of experiences and memories? A partner to relationships? Each time you consider these aspects of yourself, you realize that there is much more to you than any of these can define. The Untethered Soul, spiritual teacher Michael Singer explores the question of who we are and arrives at the conclusion that our identity is to be found in our consciousness, the fact of our

---

ability to observe ourselves, and the world around us. By tapping into traditions of meditation and mindfulness, Singer shows how the development of consciousness can enable us all to dwell in the present moment and let go of painful thoughts and memories that keep us from achieving happiness and self-realization. This book, copublished with the Institute of Noetic Sciences (IONS), offers a frank and friendly discussion of consciousness and how we can develop it. In part one, he examines the notion of self and the inner dialogue we all live with. Part two examines the experience of energy as it flows through us and works to show readers how to open their hearts to the energy of experience that permeates their lives. Ways to overcome tendencies to close down to the rest of the world are the subject of part three. Enlightenment, the embrace of universal

consciousness, is the subject of part four. And finally, in part five, Singer returns to daily life and the pursuit of unconditional happiness. Throughout, the book maintains a light and engaging tone, free from heavy dogma and prescriptive religious references. The easy exercises that figure in each chapter help readers experience the ideas that Singer presents. Visit [www.untetheredsoul.com](http://www.untetheredsoul.com) for more information.

*Key Traits of a Healthy Church to Develop within the Local Body* What is an ideal church, and how can you tell? How does it look different from other churches? More importantly, how does it act differently, especially in society? Many of us aren't sure how to answer those questions, even though we probably have some preconceived ideas. This book answers those questions and many more. Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church: expositional preaching, biblical theology, and a right understanding of the gospel. Dever then calls us to develop those characteristics in our own churches. By following the example of New Testament authors and addressing all members of the church, pastors and laity alike, Dever challenges all believers to do their part in maintaining the local
