of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard

to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church: expositional preaching, biblical theology, and a right understanding of the gospel. Dever then calls us to develop those characteristics in our own churches. By following the example of New Testament authors and addressing all members of the church, pastors and laity alike, Dever challenges all believers to do their part in maintaining the local church. The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him.

Includes a study guide for individual and small-group use. Isn't it true—we really

don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory.

Therefore, we must comprehend “the pleasures of God.” Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only

What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. “ This is a unique and precious book that everybody should read more than once. ” —J.I. Uncertain. Confused. Overwhelmed. Many Christians feel bombarded by the messages they hear and the trends they see in our rapidly changing world. How can we resist being conformed to the pattern of this world? What will faithfulness to Christ look like in these tumultuous times? How can we be true to the gospel in a world where myths and false visions of the world

so often prevail? In *This is Our Time*, Trevin Wax provides snapshots of twenty-first-century American Life in order to help Christians understand the times. By analyzing our common beliefs and practices (smartphone habits, entertainment intake, and our views of shopping, sex, marriage, politics, and life’s purpose), Trevin helps us see through the myths of society to the hope of the gospel. As faithful witnesses to Christ, Trevin writes, we must identify the longing behind society’s most cherished myths (what is good, true, beautiful), expose the lie at the heart of these myths (what is false and damaging), and show how the gospel tells a better story – one that exposes the lie but satisfies the deeper longing.

You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible

---

predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

*Welcome to College* B&H Publishing Group

In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to Hillbilly

Elegy” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, New York Times bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to

---

the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a “toxic faith,” the other into a self-destructive spiral. Where the Light Fell is a gripping family narrative set against a turbulent time in post–World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. “I truly believe this is the one book I was put on earth to write,” says Yancey. “So many of the strands from my

childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward.”

The New York Times bestselling author of *The Prodigal Prophet* uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller “a C.S. Lewis for the twenty-first century” in a feature on his first book, *The Reason for God*. In that book, he offered a rational explanation of why we should believe in God. Now, in *The Prodigal God*, Keller takes his trademark intellectual approach to understanding Christianity and uses the

---

parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

As much a tribute to Angela Martini's beloved mother as it is a personal memoir, *Love.*

*Hope. Light.* is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity. "My mother's name is Nexhmije Ibrahimi Nussbaumer, and I am a living testament to her philosophies. Chief among them is her belief that nothing is finished until there is a happy ending—until you reach the light." As a young girl growing up in Albania, Angela is insulated from the poverty and rising political tensions in her homeland by her mother's loving, protective presence. But when Angela is nine years old, a series of events is set in motion that will forever change the course of her life—as well as her mother's. Fearing for her daughter's safety, Angela's mother, Nexhi, makes the heartrending decision to send Angela to live with her father in Switzerland, where he had fled a few years earlier once Communism began to collapse. With her characteristic determination and courage, Nexhi

---

overcomes many obstacles to finally reunite with Angela—months later and under much different circumstances than either could have imagined. Her life's path is changed yet again when she decides to take German-language classes to help her integrate into Swiss culture. A natural and brilliant teacher, Nexhi then uses her hard-won knowledge to help other displaced women learn the language, in turn bolstering their confidence and emboldening them to start over and make new lives for themselves and their families. Reflecting on the lessons of her childhood and the wonderful example set before her, Angela is inspired by her mother's efforts to bridge the divide between cultures, a lifetime of work that will have a lasting legacy, and by her abiding belief in love despite being married three times—twice to the same man! As much a tribute to the author's beloved mother as it

is a personal memoir, Love. Hope. Light. is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity. "My mother's life experiences have shown me that I must not cower before the unknown. Being fearless means seizing opportunities wherever they exist. Being fearless means never allowing people or circumstances to get in the way of your goals. Being fearless means loving like you've never been hurt before. Being fearless means forging a path through darkness to arrive at the light."

Coming Out, Then Coming Home  
Christopher Yuan, the son of Chinese immigrants, discovered at an early age that he was different. He was attracted to other boys. As he grew into adulthood, his mother, Angela, hoped to control the situation. Instead, she found that her son and her life were spiraling out of control—and her own personal demons were determined to defeat her. Years of heartbreak, confusion, and prayer followed before the Yuans found a place of complete surrender, which is God's desire for all families.

Their amazing story, told from the perspectives of both mother and son, offers hope for anyone affected by homosexuality. God calls all who are lost to come home to him. Casting a compelling vision for holy sexuality, *Out of a Far Country* speaks to prodigals, parents of prodigals, and those wanting to minister to the gay community. "But while he was still a long way off, his father saw him and felt compassion, and ran and embraced him and kissed him." - Luke 15:20 Includes a discussion guide for personal reflection and group use.
