Love is Hell is an anthology of 5 short stories by young adult authors: 2 of
whom were familiar to me - Scott Westerfeld and Melissa Marr. The other 3
authors, Laurie Faria Stolorz, Justine Larbalestier, and Gabrielle Zevin were
new to me. I enjoyed all of these stories and managed to read the book in one
day. The stories were original and well paced.

Melissa Marr's gift for writing lore shines yet again with LOVE STRUCK, a
new kind of Fairy Tale, one with sea-fay seals who shed their skins on land to
take human form, fay called Selchies. This is a completely unique legend to
me, and there for, the story held a freshness and wonder that tends to be rare
for fans of the Faerie genre.
