Melissa Marr's gift for

writing lore shines yet
again with LOVE
STRUCK, a new kind of
Fairy Tale, one with sea-
fay seals who shed their
skins on land to take
human form, fay called
Selchies. This is a
completely unique legend
to me, and there for, the
story held a freshness
and wonder that tends to
be rare for fans of the
Faerie genre.

Love Is Hell book by

Scott Westerfeld -
ThriftBooks

Love is Hell is an anthology of 5 short stories by young adult authors: 2 of whom were familiar to me - Scott Westerfeld and Melissa Marr. The other 3 authors, Laurie Faria Stoloz, Justine Larbalestier, and Gabrielle Zevin were new to me. I enjoyed all of these stories and managed to read the book in one day. The stories were original and well paced.
