But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. A Stroke of Midnight ABC-CLIO

Discover Caroline Hanson's best-selling Valerie Dearborn Series. This box set contains three full-length novels. Love is Darkness Love is Fear Love is Mortal Love is Darkness-- Valerie Dearborn wants a cotton candy life, but it's more like a puffer fish: pointy, unusual, and--if not prepared exactly right--deadly. In London for graduate school, Val knows she's finally free. Her father and ex-almost-boyfriend are back in California and she's out of the Vampire hunting biz for good. Or is she? She draws the attention of Lucas, a 1600 year old Vampire, and King to his kind. He's also wicked hot. As golden as Lucifer, and just as tempting, he makes Valerie an offer she can't refuse-- help him find out if the Others (Empaths, Fey and Werewolves) still exist or he'll stop protecting those she loves. Lucas tells her that Empaths were a Vampire's biggest weakness before going extinct hundreds of years ago. While the Fey or a Werewolf might kill a Vampire, an Empath could enslave them, seducing or harming with emotions at will. The one detail he leaves out? Valerie is an Empath. And after 1600 years of an emotionless existence, Lucas wants Valerie like a recovering alcoholic wants a wine cooler. Can she keep those she loves alive, stop Lucas from munching on her, survive a fanged revolution and still find a way to have that boring, normal life she's always wanted? Probably not, but boy is she gonna try! Love is Fear- After a lot of swearing and only a little nookie, Valerie Dearborn has decided to make a change. No more lusting after Lucas, the hot, but emotionless, vampire king who can't commit. Instead she's going to make it work with Jack. After all, not only is he breathing, but he's the love of her life.... Isn't he? Valerie is an Empath, with supernatural abilities that seem to do nothing more than give her the hots for Lucas. Once upon a time, Empath's had a purpose. They were ambassadors to the Others--Fey, Witches, Werewolves and Vampires. They could settle the emotions of a Werewolf and make Vampires feel again. But that was long ago. Lucas isn't about to let Valerie go. He needs her to help him find the Fey, last seen in the Colony of Roanoke, North Carolina, circa 1587. He still believes they are the key to restoring balance to the world and the only way to keep vampires under control. They won't trust him, but they will trust Val. Between Jack, Lucas and Rachel, Val knows life won't be dull. Nor will it be the normal, 2.5 kids kind of life she's always wanted. As their enemies close in, Val must ask herself what life is really about--trust, duty or mind-blowing orgasms? And even if she finds the answer, she may not live long enough to enjoy it. Love is Mortal- A determination to survive.... Betrayed by everyone she loves, Valerie Dearborn will do anything to get out of Fey and avoid becoming Cerdwellyn's queen. Even if it means she has to rely upon Lucas, the monster who betrayed her. A bid for redemption.... Lucas felt nothing for hundreds of years, but Valerie's blood has changed everything. Forced to confront his sins, he'll do what he can to help Valerie survive. Even if it costs him his life. A destiny cut short.... Cerdwellyn, King of the Fey lost his true queen centuries ago. He's determined to make Valerie her replacement, but ghosts from his past have other plans. The end of the story. As Valerie struggles to survive she must choose between reality and illusion, between sacrifice and love, all in hopes of figuring out the truth: that if you love someone you must be willing to make the ultimate sacrifice." Action packed, fun-filled story with a sassy heroine, a hot-as-hell love interest and a bad-ass vamp whom you can't help but fall for." - Gothic Angel Book Reviews

Inequality, Crime and Public Policy (Routledge Revivals) Routledge

With Essays by Baru, Bart Beaty, Cécile Vernier Danehy, Hugo Frey, Pascal Lefèvre, Fabrice Leroy, Amanda Macdonald, Mark McKinney, Ann Miller, and Clare Tufts In Belgium, France, Switzerland, and other French-speaking countries, many well-known comics artists have focused their attention on historical and political events. In works ranging from comic books and graphic novels to newspaper strips, cartoonists have addressed such controversial topics as French and Belgian collaboration and resistance during World War II, European colonialism and U.S. imperialism, anti-Semitism in France, the integration of African immigrant groups in Europe, and the green and feminist movements. History and Politics in French-Language Comics and Graphic Novels collects new essays that address comics from a variety of viewpoints, including a piece from practicing artist Baru. The explorations range from discussion of such canonical works as Hergé's Tintin series to such contemporary expressions as Baru's Road to America (2002), about the Algerian War. Included are close readings of specific comics series and graphic novels, such as Cécile Vernier Danehy's examination of Cosey's Saigon Hanoi, about remembering the Vietnam War. Other writers use theoretical lenses as a means of critiquing a broad range of comics, such as Bart Beaty's Bourdieu-inspired reading of today's comics field, and Amanda Macdonald's analysis of bandes dessinées (French comic books) in New Caledonia during the 1990s. The anthology establishes the French-language comics tradition as one rich with representations of history and politics and is one of the first English-language collections to explore the subject.

Are Islam and the West on a collision course? From the Ayatollah Khomeini to Saddam Hussein, the image of Islam as a militant, expansionist, and rabidly anti-American religion has gripped the minds of Western governments and media. But these perceptions, John L. Esposito writes, stem from a long history of mutual distrust, criticism, and condemnation, and are far too simplistic to help us understand one of the most important political issues of our time. In this new edition of The Islamic Threat: Myth or Reality?, Esposito places the challenge of Islam in critical perspective.

Exploring the vitality of this religion as a global force and the history of its relations with the West, Esposito demonstrates the diversity of the Islamic resurgence--and the mistakes our analysts make in assuming a hostile, monolithic Islam. This third edition has been expanded to include new material on current affairs in Turkey, Afghanistan, Palestine, and Southeast Asia, as well as a discussion of international terrorism.
