A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! *Love Me Gently* is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

How to Win Business and Influence Friends Dutton

Bethany Lopez has loved writing for as long as she can remember, but her love of cooking came a little bit later in life. In *Love & Recipes*, she combines the two into one fun cookbook. With recipes ranging from easy to difficult, she's incorporated dishes for every home cook. And, because each dish comes from the pages of her fiction novels, each recipe references back to the book and/or character from which the dish derived. Whether making a quick dinner for two, or looking for that perfect dish to bring to your family's holiday dinner, *Love & Recipes* has the dish for you!

The Price to Love Createspace Independent Publishing Platform

Are you wondering what the next killer app will be? Do you want to know how you can maintain and add to your value during these rapidly changing times? Are you wondering how the word love can even be used in the context of business? Instead of wondering, read this book and find out how to become

a lovecat—a nice, smart person who succeeds in business and in life. How do you become a lovecat? By sharing your intangibles. By that I mean: Your knowledge: everything that comes from all the books that I'll encourage you to devour. Your network: the collection of friends and contacts you now have, which I'll teach you how to grow and nurture. Your compassion: that human warmth you already possess—in these pages I'll convince you that you can show it freely at the office. What happens when you do all this? * You become a rich source of information to all around you. * You are seen as a person with valuable insight. * You are perceived as generous to a fault, producing surprise and delight. * You double your business intelligence in one year. * You triple your network of personal relationships in two years. * You quadruple the number of colleagues in your life who love you like family. In short, you become one of those amazing, outstanding people to whom everyone turns, who leads rather than follows, who never runs out of ideas, contacts, or friendship. Here's the real scoop: Nice guys don't finish last. They rule!

Dustin is a seventeen-year-old young man who finds out that his girlfriend, Sandy

Love Me Gently Portfolio

"Beauty is skin deep, but ugly is to the bone." That's what Kat's grandfather used to say. With the global games only a few months away, her jump team encounters serious financial troubles. Their only chance is for Kat to take the enticing, though questionable investment offer from Lorenzo Watt. One look at his handsome face reminds her of Granddaddy's warning. She wonders if Lorenzo is worth the risk of a deeper look. Lorenzo knows his looks are a commodity, an asset to charm and manipulate gorgeous women into marrying off-worlders. To him, it's just a job that repays a debt. Complications arise when he is assigned to lure Kat into being a starbride. He didn't expect her to be quite so challenging, nor did he anticipate the lure of her beauty.

Addicted to a Savage 2 Currency

All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the

mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

The Likeability Factor Harlequin

Love is a Killer is a compilation of poems and songs on the subject of LOVE; more specifically: HEARTBREAK. But WAIT!... This is no ordinary collection of sorrowful musings: split into four parts, this book explores the dark depths of not only the fragile human heart, but also the twisted mind of love-crazed killers and love-sick monsters. This is HEARTBREAK; with a twist of madness, and a splash of Rock 'n' Roll! This is the first publication from British Indie Horror film maker/director/actress/writer, Claire Fluff Llewellyn. A former singer/songwriter who currently resides in the US, where she makes movies under the banner of 'Bloody Brit Productions'. A life-long fan of the horror genre, she incorporates a sense of the macabre in all her work, along with a wicked sense of humour.

Love Tap Createspace Independent Publishing Platform

Grief put her down. Can love pick her up? Newlyweds Renny and Adam Carter have been married for six wonderful months. One evening their peaceful ride down a misty two-lane road in Whisper, North Carolina is tragically interrupted. They're hit by a truck carrying tree logs. Renny's husband is instantly killed. She escapes with a broken life, a broken heart, and a fractured mind. Merek Spencer's mother was kidnapped fifteen years ago. The event shocked the small and idyllic town of Whisper. But soon the spectacular crime lost its luster, and things returned to normal for everyone except Merek and his father, James, who blames himself for the crime. For this reason, Merek has had to play role reversal with his father. And despite Merek's model good looks, he is a loner by choice, working late hours as an architect. At age 36, he has had plenty of opportunities to open himself up to love, but for some reason he cannot. All of that changes when he meets Renny Carter on the worst night of her life. He pulls her out of a wrecked car and his long dormant feelings awaken from their deep sleep. Reluctantly and ashamedly, Renny also feels the connection. Merek and Renny part ways never expecting to see one another again. Fate has another plan. How soon should love arise after a devastating loss? Can such a love be legitimate? What about the guilt? Can such a love be of God?

Digital Strategies for Market Dominance John Wiley & Sons

Many of us live a mundane existence in which we get up, go to work, come home, and go to sleep. This cycle keeps repeating each and every day. The worst part is that we likely work a job that we don't enjoy doing, but we keep working that job in order to provide for our family. Stop right now and pay attention, because it

doesn't have to be that way. This book; Stir Up the Gift Within, encourages people to use their talents to do what they love. It teaches people exactly how to find their talents so that they can use them to pursue their passions in life. There are bigger dreams and goals lurking inside each and every one of us; we need to stir up that gift within us. The difference between successful people and ordinary people is that successful people take action and pursue their dreams. Ordinary people tend to accept what life has thrown at them without trying to make any changes or go against the ideals of society in order to seek out that better life. All successful people found a way to use their talents to do what they love. The hardest part was learning how to do it, and that is exactly what you will learn in this book.

Killer Love Createspace Independent Publishing Platform

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Love Is the Killer App: How to Win Business and Influence Friends." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Steamy Contemporary Romance Series Createspace Independent Publishing Platform

Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?

Unleashing the Killer App Createspace Independent Publishing Platform

It was only supposed to be a short visit. It turned into a love affair.

Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

This is the ultimate guide for your growing business.

Serve to Be Great Createspace Independent Publishing Platform

"The bestselling author of Love Is the Killer App unveils a methodology that sales managers and account executives can use to solve their team's toughest problems by combining the wisdom and creativity of everyone who has a stake in the sale. B2B sales reps often find that their deals get stuck at a crucial point in the decision-making process. This book is Tim Sanders's guide to breaking through the resistance and getting the deal unstuck using a scalable, repeatable process that he calls "Dealstorming." By including a diverse group of individuals in the organization who has a stake in the sale, questioning existing assumptions, and channeling the collective experience of the group, sales teams can uncover creative solutions to closing otherwise impossible deals. In Sanders's experience as a sales executive and consultant, utilizing this process has led to a stunning 70 percent close ratio. Take, for example, the way Alyssa Wichman of CareerBuilder used dealstorming to break a deadlock with staffing firm Allegis. When she found out that Allegis was sponsoring a golf tournament to raise money for their favorite nonprofit, she and her team sat down to come up with ways to meet the Allegis executives there, going so far as to take over manning a beer cart on the course to speak with the execs on the ninth hole. They were impressed she'd gone to such lengths to have a few minutes with them, so they agreed to a meeting the following week.

Naturally Composed Lorhainne Eckhart

Even the actions of a single person can help to change the world. How? Through simple acts of leadership and compassion. Open up this book, and discover the true stories of people whose actions have caused a chain reaction at work and in their communities. Among them: A manager who gives an employee some supportive praise, and as a result literally saves his life (page 231). A small group of bank tellers who spearhead a movement to raise millions of dollars for breast cancer, making it the biggest fundraiser in North America, and enhancing their company's reputation (page 213). A sales manager who gets a copy of a groundbreaking book that leads to a transformation of the company's operations. As a result, hundreds of millions of pounds of carpet waste avoid the landfill, and the company sparks a revolution in its industry (page 12). A "responsibility revolution" is shaking up corporate America. In this provocative and insightful book, bestselling author Tim Sanders reveals why companies must go beyond making a profit and start making a difference. Every one of us, regardless of title or position, can inspire our companies to change the way they do business, helping them to become a positive force for enriching people, communities, and the environment. When this happens, not only do we help save the world, we help save our companies from becoming irrelevant. We also become part of what Sanders calls the Responsibility Revolution. Companies that don't participate in this revolution risk becoming obsolete. Today customers, employees, and investors are demanding that companies focus on their social responsibilities—not just their bottom lines. Sixty-five percent of American consumers say they would change to brands associated with a good cause if price and quality were equal; 66 percent of recent college graduates will not work for companies with poor social values. And more than sixty million people are willing to pay a premium for socially and environmentally responsible products. In *SAVING THE WORLD AT WORK*, Tim Sanders offers concrete suggestions on how all of us can help our companies join the Responsibility Revolution. Drawing on extensive interviews with hundreds of employees and CEOs, and illuminated by countless stories of people who are making a difference in the workplace and in the world, Sanders offers practical advice every individual and company can use to make the world a better place--now and in the future.

A Novel Flaming Hearts Press LLC

We don't belong together. I'm betrothed. Promised to his enemy. But Luka Lutrova doesn't look at me like I'm someone else's bride. He looks at me like I'm his. That's how I knew he would help me escape from the mafia family who claimed me: the evil and notorious Zappia cult. What I didn't know was what he would expect of me in return. From one

prison to another. I would never not be a killer's bride, but Luka's touch is hard to resist. He's firm and possessive, but safe. Our son and I would have a home with the Lutrovas. A better life. But the Zappias will never let us go. Not without war and bloodshed. Luka will do anything to make me his bride. And I will do anything to be his. *KILLER LOVE* is the first book in the *KILLER LOVE* saga by Tabatha Drake. Seven books. Five couples. One dark and dangerous adventure. Author's Note: This book was previously published as *Bloodlines*. It has been revised for new readers, including extended and deleted scenes for old readers to enjoy.
