Battling the Buddha of Love is a work of advocacy anthropology that explores the controversial plans and practices of the Maitreya Project, a transnational Buddhist organization, as it sought to build the "world's tallest statue" as a multi-million-dollar "gift" to India. Hoping to forcibly acquire 750 acres of occupied land for the statue park in the Kushinagar area of Uttar Pradesh, the Buddhist statue planners ran into obstacle after obstacle, including a full-scale grassroots resistance movement of Indian farmers working to "Save the Land." Falcone sheds light on the aspirations, values, and practices of both the Buddhists who worked to construct the statue, as well as the Indian farmer-activists who tirelessly protested against the Maitreya Project. Because the majority of the supporters of the Maitreya Project statue are converts to Tibetan Buddhism, individuals Falcone terms "non-heritage" practitioners, she focuses on the spectacular collision of cultural values between small agriculturalists in rural India and transnational Buddhists hailing from Portland to Pretoria. She asks how could a transnational Buddhist organization committed to compassionate practice blithely create so much suffering for impoverished rural Indians. Falcone depicts the cultural logics at work on both sides of the controversy, and through her examination of these logics she reveals the divergent, competing visions of Kushinagar's potential futures. Battling the Buddha of Love traces power, faith, and hope through the axes of globalization, transnational religion, and rural grassroots activism in South Asia, showing the unintended local consequences of an international spiritual development project.

"Barthes's most popular and unusual performance as a writer is "A Lover's Discourse," a writing out of the discourse of love. This language primarily the complaints and reflections of the lover when alone, not exchanges of a lover with his or her partner is unfashionable. Though it is spoken by millions of people, diffused in our popular romances and television programs as well as in serious literature, there is no institution that explores, maintains, modifies, judges, repeats, and otherwise assumes responsibility for this discourse . . . Writing out the figures of a neglected discourse, Barthes surprises us in "A Lover's Discourse" by making love, in its most absurd and sentimental forms, an object of interest." Jonathan Culler

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and

desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and

In no other work does Franz Kafka reveal himself as in *Letters to Milena*, which begins as a business correspondence but soon develops into a passionate but doomed epistolary love affair. Kafka's Czech translator, Milena Jesenská, was a gifter and charismatic twenty-three-year-old who was uniquely able to recognize Kafka's complex genius and his even more complex character. For thirty-six-year-old Kafka, she was "a living fire, such as I have never seen." It was to Milena that he revealed his most intimate self and, eventually, entrusted his diaries for safekeeping.

THE STORY: Andrew Makepeace Ladd III and Melissa Gardner, both born to wealth and position, are childhood friends whose lifelong correspondence begins with birthday party thank-you notes and summer camp postcards. Romantically attached, they continue *The Buddha and His Dhamma* Diamond Pocket Books (P) Ltd. This book explores the lives and social histories of Indian soldiers who fought in the First World War. It focuses on their motivations, experiences, and lives after returning from service in Europe, Mesopotamia, East Africa, and Palestine, to present a more complete picture of Indian participation in the war. The book looks at the Indian support to the war for political concessions from the British government and its repercussions through the perspective of the role played by more than one million Indian soldiers and labourers. It examines the social and cultural aspects of the experience of fighting on foreign soil in a deadly battle and their contributions which remain largely unrecognised. From micro-histories of fighting soldiers, aspects

of recruitment and deployment, to macro-histories connecting different aspects of the War, the volume explores a variety of themes including: the material incentives, coercion and training which converted peasants into combatants; encounters of travelling Indian soldiers with other societies; and the contributions of returned soldiers in Indian society. as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as “Loving Your Enemies” and “Shattered Dreams,” and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King’s fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Kamin Mohammadi was nine years old when her family fled Iran during the 1979 Revolution. Bewildered by the seismic changes in her homeland, she turned her back on the past and spent her teenage years trying to fit in with British attitudes to family, food and freedom. She was twenty-seven before she returned to Iran, drawn inexorably back by memories of her grandmother's house in Abadan, with its traditional inner courtyard, its noisy gatherings and its very walls steeped in history. *The Cypress Tree* is Kamin's account of her journey home, to rediscover her Iranian self and to discover for the first time the story of her family: a sprawling clan that sprang from humble roots to bloom during the affluent, Biba-clad 1960s, only to be shaken by the horrors of the Iran-Iraq War and the heartbreak of exile, and toughened by the struggle for democracy that continues today. This moving and passionate memoir is a love letter both to Kamin's extraordinary family

and to Iran itself, an ancient country which has survived so much modern more than five hundred letters Kafka wrote to Felice—through their tumult but where joy and resilience will always triumph over despair.

Franz Kafka met Felice Bauer in August 1912, at the home of his friend Max Brod. Energetic, down-to-earth, and life-affirming, the twenty-five-year-old secretary was everything Kafka was not, and he was instantly smitten. Because he was living in Prague and she in Berlin, his courtship was largely an epistolary one—passionate, self-deprecating, and anxious letters sent almost daily, sometimes even two or three times a day. But soon after their engagement was announced in 1914, Kafka began to worry that marriage would interfere with his writing and his need for solitude. The

breakup, a second engagement in 1917, and their final parting in the fall of that year, when Kafka began to feel the effects of the tuberculosis that would eventually claim his life—reveal the full measure of his inner turmoil as he tried, in vain, to balance his desire for human connection with what he felt were the solitary demands of his craft.

The Buddha and His Dhamma was B.R. Ambedkar's last work. Published posthumously, it presented a radical reorientation of Buddhist thought and literature, aptly called navayana. It deals with Ambedkar's conceptualization of Buddhism and the possibilities it offered for liberation and upliftment of the Dalits. It presents his reflections on the life of the Buddha, his teachings, and the spread of Buddhism by interweaving anecdotes with detailed analyses of the religion's basic tenets. The author also includes important elements of the Buddhist canon and tradition to make the teachings more accessible. In the first critical and annotated edition of this work, the editors address the on-going debate on Ambedkar's interpretation of the Buddha's dhamma by focusing on the accuracy of his citations and providing missing sources. They also discuss Ambedkar's modification of source materials. The introduction contextualizes the scholarly work related to the text.
