for Young

Readers

Lilla and Papa

enjoy spending

magical times in

Lilla's sunflower

patch. Before

Papa leaves for

a trip that will

take him far

away from home

for a long time,

Lilla gives him a

sunflower seed.

"To remember

me, Papa," Lilla

whispers.

Seasons pass

and Lilla's mood falls like autumn leaves. Finally, news comes that her papa is coming home!

The following summer, to her surprise, she receives letters from families with photos of their loved ones pictured with sunflowers. She learns that her gift to her father brightened the dark days for many people, and that her one small seed continued spreading sunshine across the country.

Colleen Rowan Kosinki's lyrical

style and whimsical artwork brings this story of love to life. Not only will Lilla's Sunflowers resonate with military families but with any child missing a loved one. This is a wonderful gift for holidays celebrating our country's military heroes as well a quiet story for bedtime read-alouds. For kids aged 3 to 6, this is a must-have for military families or for families where one of parent does a lot of traveling and is

away from the home for extended periods of time. It also serves as a charming story about sharing what you have and the benefits that can reap. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes

bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. *Knight of Her*

Heart Inner Traditions / Bear & Co As Arthurian myth sowed the seeds of democracy, *THE ROWAN TREE* foretells an international culture of dignity. Anchored by a pair of interlocking love stories, this unflinching novel of ideas brims with passionate quests, revelatory failures, and inextinguishable hope. *THE ROWAN TREE* is an inspirational tour de force that reaches from the rebellious American '60s into humanity's

global future. Soul-searching treks around the world intersect with campus revolution, basketball, math, ballet, and a destined rise to the White House. Love runs ahead of politics and lights the way for nations to follow.

Sea of Love Good Press

In this simple, beautifully written book Rowan Williams explores four essential components of the Christian life: baptism, Bible, Eucharist, and prayer. Despite huge differences in Christian thinking and practice both today and in past

centuries, he says, these four basic elements have remained constant and indispensable for the majority of those who call themselves Christians. In accessible, pastoral terms Williams discusses the meaning and practice of baptism, the Bible, the Eucharist, and prayer, inviting readers to really think through the Christian faith and how to live it out. Questions for reflection and discussion at the end of each chapter help readers to dig deeper and apply Williams's insights to their own lives.

My Beautiful

Memory

Dreamspinner Press LLC

Nine years she suffered, but no more. Her new name is Mia Harlow, and she is ready to live again. It took a near death experience, but Mia got away. She's rebuilt her life from the ground up, and after three long years, she's found a reason to live again. Everything is going great until her neighbor is attacked, and the past threatens to engulf Mia again. Just when she thinks all is lost, three amazing

men waltz into her life. Their complementary personalities and differing strengths bind the broken pieces that her ex-husband left behind. While Mia is healing and learning what love is supposed to be, a serial killer is on the prowl. Molly Manhunter stalks the city looking for rapists. She ensnares them with the one thing they've been accused of abusing - sex, and uses it to extinguish their lives. Molly is determined to fight against the silence that gets swept under the rug of justice, and Mia is caught up in the search for her neighbor's abuser. Will the two women cross paths? When push comes to shove, will Mia's newfound bonds weather the storm? Can one woman break the Deafening Silence, or will she become another victim to the system? Deafening Silence book one in the Manhunter trilogy. It is a dark reverse harem romance about an abuse survivor. The MC will not choose between her love interests. Expect dark

elements and explicit scenes. If such scenes will offend or trigger you, please do not buy this book. **Lilla's Sunflowers** Bloomsbury Publishing USA From Rowan Jacobsen, America's go-to expert, the author of the trailblazing *A Geography of Oysters*, comes the ultimate oyster guide--a gorgeous, full-color, must-have book. A decade ago, Rowan Jacobsen wrote a book called *A Geography of Oysters* that celebrated the romance of oysters, the primal rush of slurping a raw denizen of the sea, and the mysteries of molluscan terroir. The book struck a

chord, and American oyster culture has been on a gravity-defying trajectory ever since. With lavish four-color photos throughout by renowned photographer David Malosh, *The Essential Oyster* is the definitive book for oyster-lovers everywhere, featuring stunning portraits, tasting notes, and backstories of all the top oysters, as well as recipes from America's top oyster chefs and a guide to the best oyster bars. Spotlighting more than a hundred of North America's greatest oysters--the unique, the historically significant, the flat-out yummiest--*The Essential Oyster* introduces the oyster culture and history of

every region of North America, as well as overseas. There is no coastline from British Columbia to Baja, from New Iberia to New Brunswick, that isn't producing great oysters. For the most part, these are deeper cupped, stronger shelled, finer flavored, and more stylish than their predecessors. Some have colorful stories to tell. Some have quirks. All have character. *The Essential Oyster* will help you find the best, and help you to cherish them better. That is what's captured--and celebrated--in these pages. Power Play 7. Twin Strikers 8. Final Countdown Living Weapon Love, Like Water Lord James Warren, Viscount Sudbury, lives a quiet, safe, and predictable life alone on his estate in Suffolk, only traveling to London once a year to visit family and satisfy

his more forbidden needs. But this year, his routine is shattered when his niece and nephew ask him to help a beautiful young man they've only just met. Kyle Allen, alone and running from his abusive lover, stirs feelings in James he has long denied for fear of tarnishing his reputation and losing his family's love. Though undeniably drawn to Kyle, James's honor demands he keep that part of himself completely secret, even if Kyle is feeling the attraction as well, despite the pain

and betrayal he's recently suffered. Assistance and a future for Kyle might be secured, but then they would face a choice: stay apart and continue leading half-lives... or risk everything for love.

Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at

odds, in the chilling trial by fire. His sequel to the Printz Honor Book Scythe from New York Times bestseller Neal Shusterman, author of the Unwind dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in

whispers across the continent. As Scythe Anastasia, Citra gleams with compassion and openly challenges the ideals of the “new order.” But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? Or will it simply watch as

this perfect world
begins to unravel?
