The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work—poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

So when I see her at one of my matches--and find out that she's engaged--I need to understand why she turned her back on me all those years ago. Beloved actress and New York Times best-selling author Valerie Bertinelli returns with a heartfelt look at turning sixty, the futility of finding happiness in numbers on a scale, learning to love herself the way she is today, and tips for a healthier outlook on life. Valerie Bertinelli shares an inspiring blueprint that offers women in midlife support and hope. She shares personal stories that many women will relate to from her past decade: hitting her fifties, taking care of her dying mother, the evolving relationship with her husband, a career change, her relationship with food, and the battle to believe in herself as she is. Despite her success receiving Emmys for her Food Network show and critical praise for her books and cookbook, Bertinelli still judged herself harshly if she gained a pound or showed too many wrinkles. But after her mother died, she found an old recipe box with notes of the strong women that came before her, reminding her that she has to find out who she is and take care of herself. Saying, “ enough already! ” Bertinelli set out on a journey to love herself and see that perfection is not the goal; it ’ s the joy we can find every day in our lives, our loved ones, and the food we share. Recipes and advice will be sprinkled throughout the book.
