journey, *Everything in Between* explains why it's OK not to feel good all the time and that, sometimes, life hurts. *Everything in Between* tells stories of loss, of letting go, and of learning how to love again. Most of all, *Everything in Between* tells stories of hope in the midst of darkness, joy in the pain, and how to hold on when it feels like life is falling away. *Everything in Between* is the story of a life searching for hope in the midst of hurt and meeting the Lord in all his glory instead. This is my story of

discovering the truths of the Bible through the goodness of God. *Secret Heart Bookouture* From the New York Times bestselling author of *The Downstairs Girl*, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love—while protecting her own heart at all costs. Perfect for fans of *When Dimple Met Rishi* and *I ' ll Be the One* and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows

what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking—all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, *Mimosa* doesn ' t want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman ' s son, the school soccer star, to help fix the situation, Mim quickly begins to

realize that falling in love isn't always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee's *The Secret of a Heart* Note is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world.

'An unforgettable tale
that I couldn't
recommend more.' 5/5
GirlsLovetoRead.com If
you enjoyed Me Before
You by JoJo Moyes, One
Day by David Nicholls,
or The Notebook by
Nicholas Sparks - then
make time for Kelly
Rimmer's stunning,
heartbreaking new

novel Me Without You. A
story of how love can
break our hearts - and
heal them. A year ago I
met the love of my
life. For two people
who didn't believe in
love at first sight, we
came pretty close.
Lilah MacDonald -
beautiful, opinionated,
stubborn and all kinds
of wonderful in ways
that words could never
quite capture. The
woman who taught me to
live again. My Lilah,
who gave me so much,
and yet kept from me a
secret that she knew
would break my heart.

My name is Callum Roberts, and this is our story. Me Without You is a book to make you smile, bring you to tears and remind you to hold on tightly to those you love. What people are saying about Me Without You... 'I was hooked right from the start, and it was just the most beautiful portrayal of falling in love I've ever read. It's the type of love you dream of and want for yourself... Kelly Rimmer has done an outstanding job with Me Without You, it's engaging, it warmed my heart to the very core, and then tore it out and stomped all over it. (Quite meanly, may I add?) I knew it was coming, I knew the ending was inevitable before the first page, but the depth of Rimmer's writing and Callum's narrative slated me, and I ended up in tears. It was both sad and beautiful at the same time, and I admire Lilah for living her entire life on her own terms. I will miss Callum and Lilah. They stole into my heart, their story is one I will long remember and Me Without You is an unforgettable tale that I couldn't recommend more.' 5/5

GirlsLovetoRead.com 'I fell in love with this amazing book after the first sentence and would read it all over again. A wonderful mixture of emotions, real love, secrets, laughter and sadness.'

Sky's Book Corner 'Me Without You is the beautiful, moving story of Callum and Lilah and they turned me into a complete emotional

wreck. I loved the banter and the chemistry between them both right from the first, brilliant chapter and then as the book went on, it warmed and broke my heart all at the same time... It's an incredible novel. Reviewed the Book 'It's been a while since I've read a book that made me 'ugly cry.' You know what I mean... big, fat tears rolling down your cheeks leaving you with eyes so puffy you look like you've had an allergic reaction. Think Claire Danes in... well... pretty much any role she's ever been in. Kelly Rimmer's Me Without You certainly broke that dry spell... Told in alternating points of view from Lilah and Callum, Me Without You is a heartbreaker of a book that has great characters and a gut-wrenching ending that left me feeling a weird mix of bereft and yet hopeful.' 4/5 JudgingCovers.co.uk 'There's not much I can say without giving the story away, other than how much I adore Callum

and Lilah. Their love story is so genuine and heartfelt... This book is beautifully written, and I found myself highlighting like crazy throughout. I highly recommend this book, but I must warn you, it's one that will make you cry.' 4.5/5 Mrs Leif's Blog
