*"Love Medicine"* W. W. Norton & Company

In her boldest and most darkly humorous novel yet, award-winning, critically acclaimed and bestselling novelist Louise Erdrich tells the intimate and powerful stories of five Great Plains women whose lives are connected through one man. Stranded in a North Dakota blizzard, Jack

Mauser's former wives huddle for warmth and pass the endless night by remembering the stories of how each came to love, marry and ultimately move beyond Jack. At times painful, at times heartbreaking and often times comic, their tales become the adhesive that holds them together in their love for Jack and in their lives as women. Erdrich, with her characteristic powers of observation and luminescent prose, brings these women's unforgettable stories to life with astonishing candor and warmth. Filled with keen perceptions about the apparatus for survival, the force of passion and the necessity of hope, *Tales of Burning Love* is a tour de force from one of the most formidable American writers at work today.

Mixedblood Messages Harper Collins  
In this challenging and often humorous book, Louis Owens examines issues of Indian identity and relationship to the environment as depicted in literature and film and as embodied in his own mixedblood roots in family and land. Powerful social and historical forces, he maintains, conspire to colonize literature and film by and about Native Americans into a safe "Indian Territory" that will contain and neutralize Indians. Countering this colonial "Territory" is what Owens defines as "Frontier," a dynamic, uncontainable, multi-directional space within which cultures meet and even merge. Owens offers new insights into the works of Indian writers ranging from John Rollin Ridge, Mourning Dove, and D'Arcy McNickle to N. Scott Momaday, Leslie Silko, James Welch,

---

and Gerald Vizenor. In his analysis of Indians in film he scrutinizes distortions of Indians as victims or vanishing Americans in a series of John Wayne movies and in the politically correct but false gestures of the more recent *Dances With Wolves*. As Owens moves through his personal landscape in Oklahoma, Mississippi, California, and New Mexico, he questions how human beings collectively can alter their disastrous relationship with the natural world before they destroy it. He challenges all of us to articulate, through literature and other means, messages of personal and environmental — as well as cultural—survival, and to explore and share these messages by writing and reading across cultural boundaries.

Set in North Dakota, at a time in the early 20th century when Indian tribes were struggling to keep what little remained of their lands, 'Tracks' is a tale of passion and deep unrest. *Normal People Don't Live Like This* Harper Collins

“ Wonderful! Leah and Helen are authentic, vulnerable characters, whose intimate truths are exposed at perfect, unexpected moments. ” —Elizabeth Strout At the center of this startling fiction debut is Leah Levinson, a teen at sea in the anonymous ordeals of a middle-

class upbringing on the Upper West Side in the 1970s. In ten installments, written from varying perspectives, we witness her uneasy relationships with faster, looser peers—girls she is drawn to but also alienated by. No one, though, alienates Leah more than her mother, Helen. Estranged yet intertwined, they struggle within the confines of their personalities, unaware of how similar their paths are. Just when they seem at a lonely impasse, each makes an impulsive change—Leah taking a risky trip abroad, Helen renting a secret room in a welfare hotel. Jolted from their old patterns, the two of them independently glimpse the possibility of a more hopeful life. Dylan Landis is a gifted portraitist of unforgettable female characters. *Normal People Don't Live Like This* is a striking debut.

*Louise Erdrich's Love Medicine* Harper Collins

The first of Louise Erdrich's polysymphonic novels set in North Dakota - a fictional landscape that, in Erdrich's hands, has become iconic - *Love Medicine* is the story of three generations of Ojibwe families. Set against the tumultuous politics of the reservation, the lives of the

Kashpaws and the Lamartines are a testament to the endurance of a people and the sorrows of history.

**Reading Louise Erdrich's Love Medicine** Harper Collins  
The surprising hidden history behind Charlotte Brontë's Jane Eyre. Why did Charlotte Brontë go to such great lengths on the publication of her acclaimed, best-selling novel, Jane Eyre, to conceal its authorship from her family, close friends, and the press? In *The Secret History of Jane Eyre*, John Pfordresher tells the enthralling story of Brontë's compulsion to write her masterpiece and why she then turned around and vehemently disavowed it. Few people know how quickly Brontë composed Jane Eyre. Nor do many know that she wrote it during a devastating and anxious period in her life. Thwarted in her passionate, secret, and forbidden love for a married man, she found herself living in a home suddenly imperiled by the fact that her father, a minister, the sole support of the family, was on the brink of

blindness. After his hasty operation, as she nursed him in an isolated apartment kept dark to help him heal his eyes, Brontë began writing Jane Eyre, an invigorating romance that, despite her own fears and sorrows, gives voice to a powerfully rebellious and ultimately optimistic woman's spirit. *The Secret History of Jane Eyre* expands our understanding of both Jane Eyre and the inner life of its notoriously private author. Pfordresher connects the people Brontë knew and the events she lived to the characters and story in the novel, and he explores how her fecund imagination used her inner life to shape one of the world's most popular novels. By aligning his insights into Brontë's life with the timeless characters, harrowing plot, and forbidden romance of Jane Eyre, Pfordresher reveals the remarkable parallels between one of literature's most

beloved heroines and her passionate creator, and arrives at a new understanding of Brontë's brilliant, immersive genius.

### **The Birchbark House**

HarperCollins

A finalist for the Pulitzer Prize, *The Plague of Doves*—the first part of a loose trilogy that includes the National Book Award-winning *The Round House* and *LaRose*—is a gripping novel about a long-unsolved crime in a small North Dakota town and how, years later, the consequences are still being felt by the community and a nearby Native American reservation. Though generations have passed, the town of Pluto continues to be haunted by the murder of a farm family. Evelina Harp—part Ojibwe, part white—is an ambitious young girl whose grandfather, a repository of family and tribal

history, harbors knowledge of the violent past. And Judge Antone Bazil Coutts, who bears witness, understands the weight of historical injustice better than anyone. Through the distinct and winning voices of three unforgettable narrators, the collective stories of two interwoven communities ultimately come together to reveal a final wrenching truth. Bestselling author Louise Erdrich delves into the fraught waters of historical injustice and the impact of secrets kept too long.

“Haunted and haunting. . . . With fearlessness and humility, in a narrative that flows more artfully than ever between destruction and rebirth, Erdrich has opened herself to possibilities beyond what we merely see—to the dead alive and busy, to the breath of trees and the souls of wolves—and inspires readers to open their hearts to these mysteries as well.”— Washington Post Book World From the author of the National Book Award Winner *The Round House*, Louise Erdrich's breathtaking, lyrical novel of a priceless Ojibwe artifact and the effect it has had on those who have come into contact with it over the years. While appraising the estate of a New Hampshire family descended from a North Dakota Indian agent, Faye Travers is startled to discover a rare moose skin and cedar drum fashioned long ago by an Ojibwe artisan. And so begins an illuminating journey both

backward and forward in time, following the strange passage of a powerful yet delicate instrument, and revealing the extraordinary lives it has touched and defined. Compelling and unforgettable, Louise Erdrich's *Painted Drum* explores the often-fraught relationship between mothers and daughters, the strength of family, and the intricate rhythms of grief with all the grace, wit, and startling beauty that characterizes this acclaimed author's finest work.

The Plague of Doves Persea Books

Winner of the National Book Award • Washington Post Best Book of the Year • A New York Times Notable Book From one of the most revered novelists of our time, an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever

transforms his family. One Sunday in the spring of 1988, a woman living on a reservation in North Dakota is attacked. The details of the crime are slow to surface because Geraldine Coutts is traumatized and reluctant to relive or reveal what happened, either to the police or to her husband, Bazil, and thirteen-year-old son, Joe. In one day, Joe's life is irrevocably transformed. He tries to heal his mother, but she will not leave her bed and slips into an abyss of solitude.

Increasingly alone, Joe finds himself thrust prematurely into an adult world for which he is ill prepared. While his father, a tribal judge, endeavors to wrest justice from a situation that defies his efforts, Joe becomes frustrated with the official investigation and sets out

with his trusted friends, Cappy, Zack, and Angus, to get some answers of his own. Their quest takes them first to the Round House, a sacred space and place of worship for the Ojibwe. And this is only the beginning. The Round House is a page-turning masterpiece—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.

**Trickster Figures in Louise Erdrich's - Love Medicine -**

Harper Collins

"These molten poems radiate with the ferocity of desire, and in them Erdrich does not spin verse so much as tell tales—of betrayal and revenge, of hunting and being hunted." —Minneapolis Star Tribune A passionate book of poetry from Pulitzer Prize-winning author Louise Erdrich. In this important collection, Erdrich has selected the best poems from her two previous books of poetry, *Jacklight* and *Baptism of Desire*, and added 19 new poems. In an entirely unique fashion, *Original Fire* unfolds the themes and introduces the characters of some of Erdrich's most acclaimed fiction. The beloved storyteller Nanapush, most recently seen in *The Last Report on the Miracles at Little No Horse*, appears in these poems as the questing rascal Potchikoo. And a series

of poems called "The Butcher's Wife"—dating from 1984—contains, in embryo, the story of her novel, *The Master Butchers Singing Club*.

**Four Souls** MacAdam/Cage Publishing

When Irene America discovers that her artist husband, Gil, has been reading her diary, she begins a secret *Blue Notebook*, stashed securely in a safe-deposit box. There she records the truth about her life and marriage, while turning her *Red Diary*—hidden where Gil will find it—into a manipulative charade. As Irene and Gil fight to keep up appearances for their three children, their home becomes a place of increasing violence and secrecy. And Irene drifts into alcoholism, moving ever closer to the ultimate destruction of a relationship filled with shadowy need and strange ironies. Alternating between Irene's twin journals and an unflinching third-person

narrative, Louise Erdrich's *Shadow Tag* fearlessly explores the complex nature of love, the fluid boundaries of identity, and the anatomy of one family's struggle for survival and redemption.

**The Painted Drum** University of Missouri Press

**The Night Watchman** Harper Collins This National Book Award finalist by Pulitzer Prize-winning novelist Louise Erdrich is the first installment in an essential nine-book series chronicling 100 years in the life of one Ojibwe family, and includes beautiful interior black-and-white artwork done by the author. She was named *Omakayas*, or *Little Frog*, because her first step was a hop. *Omakayas* and her family live on an island in Lake Superior. Though there are growing numbers of white people encroaching on their land, life continues much as it always has. But the satisfying rhythms of their life are shattered when a visitor comes to their lodge one winter night, bringing with him an

---

invisible enemy that will change things forever—but that will eventually lead Omakayas to discover her calling. By turns moving and humorous, this novel is a breathtaking tour de force by a gifted writer. The beloved and essential Birchbark House series by Louise Erdrich includes *The Birchbark House*, *The Game of Silence*, *The Porcupine Year*, *Chickadee*, and *Makoons*.
