Remember / Return / Rejoice / Reunion Pantheon
A powerful and elegant debut novel about love, memory, exile, and war. One snowy December morning in an old European city, an American man leaves his shabby hotel to meet a local woman who has agreed to help him search for an apartment to rent. **THE APARTMENT** follows the couple across a blurry, illogical, and frozen city into a past the man is hoping to forget, and leaves them at the doorstep of an uncertain

future-their cityscape punctuated by the man's lingering memories of time spent in Iraq and the life he abandoned in the United States. Contained within the details of this day is a complex meditation on America's relationship with the rest of the world, an unflinching glimpse at the permanence of guilt and despair, and an exploration into our desire to cure violence with violence. A novel about how our relationships to others-and most importantly to ourselves-

alters how we see the world, **THE APARTMENT** perfectly captures the peculiarity and excitement of being a stranger in a strange city. Written in an affecting and intimate tone that gradually expands in scope, intensity, poetry, and drama, Greg Baxter's clear-eyed first novel tells the intriguing story of these two people on this single day. Both beguiling and raw in its observations and language, **THE APARTMENT** is a crisp novel with enormous range that offers profound

and unexpected wisdom.

The Light of Other Days
Vintage

A New York Times Notable Book from the winner of the

PEN/Malamud Award for Excellence in the Short Story and "one of our most gifted writers" (Chicago Tribune) By turns compassionate, gently humorous, and haunting, this collection—sixteen classics with seven new stories—proves William Maxwell's assertion that "nobody can touch Charles Baxter in the field that he has carved out for himself."

Whether friends or strangers, the characters in these stories share a desire—sometimes muted and sometimes

fierce—to break through the fragile glass of convention. In the title story, a substitute teacher walks into a new classroom, draws an outsized tree on the blackboard on a whim, and rewards her students by reading their fortunes using a Tarot deck. In each of the stories we see the delicate tension between what we want to believe and what we need to believe. "A warmly disposed yet unsentimental chronicler of American lives ... Some [stories are] poignant and disturbing, and all of them

highly readable." —The New York Times Book Review
The Gulp Simon and Schuster

It's supposed to be the happiest of days, but Elizabeth can't shake a growing sense of dread. Is the storm a sign? Something bad is about to happen. Elizabeth knows it. Indeed, there are dark currents of conflict and doubt coursing through the Baxter family. In the midst of them, Kari Baxter

is starting to panic. Is marrying Tim a mistake? And what about her family? Her brother Luke is angry and resentful of their sister Ashley, who has recently returned from Paris, a single mom with a son she too often leaves with their parents. At the same time, Ashley and their sister Brooke have lost the faith that is the family's glue. Against all this, Kari sees Ashley rejecting her longtime love, Landon Blake, who clearly cares for her, no matter what happened in Paris. When the storm reaches a terrifying crescendo, a shocking moment of danger brings important

truths to light. At the end of the long day, can the Baxters remain a family, tested but stronger?
