**Dog Is Love** Workman Publishing

From cold-nose wake-up to bedtime with a Little Dog-shaped lump under the covers, a day that a little girl spends with her Little Dog is recounted in thirty short, playful poems and enchanting watercolor illustrations. Little Dog protects the little girl from vacuum cleaners and beetles, chases cats, digs up flowers, and waits hopefully as kitchen preparations take place and as popcorn is eaten. The little girl, who loves Little Dog enough to "bake / birthday cookies with / liver powder," retrieves tennis balls, brings home a present from the pet store, and observes how little a wet Little Dog becomes at bath time. A perfect introduction to the pleasures of poetry, this beguiling volume belongs on every young dog lover's bookshelf.

A Novel Harper Collins

Dawn Sylvia-Stasiewicz is a very special trainer. She knows dogs instinctively, and, drawing on lessons she learned from raising three children, she uses the power of positive reinforcement and bonding to train dogs to be joyful, obedient, and devoted members of a family. Dog lovers throughout the Washington, DC, area know her: She trained each of the late Senator Ted Kennedy's dogs, and when the Obama family were deciding on a puppy—and could have chosen any trainer in the world to work with—it was Ms Sylvia-Stasiewicz who trained Bo. In *The Love That Dog Training Program*, a lively, accessible, authoritative book, she shares her invaluable and proven program. Her method is based on positive reinforcement. She believes in trust and treats, not choke collars; in bonding, not squeezing or hitting. Her dogs are happy and self-confident, spirited yet very well-behaved. The basic program is five weeks, it takes only 15 or 20 minutes a day, and it works for both puppies and dogs, including retraining a dog with bad habits. Illustrated with step-by-step photographs, *The Love That Dog Training Program* covers hand-feeding. Crate training and potty training. Simple commands—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct common behavioral problems including jumping, barking, noise phobias, hiding, and more. Then: how to make your dog comfortable in the world—a dog that travels well, knows how to behave in a dog park or vet's office, is comfortable around strangers, and more. As the author points out, dog training never ends, it just gets easier—and even more rewarding.

George and Harold have to figure out how to fix history in the tenth book in this #1 New York Times bestselling series by Dav Pilkey, the author and illustrator of *Dog Man!* George and Harold have been turned into evil zombie nerds doomed to roam a devastated, postapocalyptic planet for all eternity! Unfortunately, the boys can't count on Captain Underpants for help because Tippy Tinkletrousers and his time-traveling hijinks prevented George and Harold from creating him in the first place! With Tippy having changed the course of human history forever, George and Harold will have to figure out a way to change it back!

**Heartbeat** Harper Collins

Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family

was at its wit's end. Unconditional love, they would learn, comes in many forms. *Marley & Me* is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

Candice Gaines loves Christmas. Not only does she bask in the twinkling lights, sing Christmas carols and go crazy with the decorations, she's also in the giving spirit, donating much of her time and wealth to various charities in the local area. Charlie Sullivan despises Christmas. Though it keeps his family afloat, considering they own Sullivan Family Christmas Tree Farm, the main provider for Christmas trees on the Monterey peninsula. He'd much rather work among the trees versus have to deal with people. But Charlie's parents are taking on more philanthropic projects—and as their oldest child, they want him to be their official public representative. He just has to play nice and convince everyone he's not a total holiday hater. When Charlie's mom asks Candice to accompany him to a variety of holiday parties and events, she reluctantly agrees. She thinks Charlie is a big ol' Grinch, but is determined to change his mindset and help him spread Christmas cheer. Charlie finds Candice too chatty, too sweet, too much. Do people like her really exist? Why yes, yes they do. The more time they spend together—along with a few kisses under the mistletoe—the more they start to like each other. Hopefully Charlie can convince Candice he doesn't have a heart that's two sizes too small before the ball drops on New Year's Eve.

**The Loved Dog** Michael O'Mara Books

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

*Now a major CBeebies show!* Random House Digital, Inc.

A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait—the capacity to love—is what makes dogs such perfect companions for humans, and to explain how we can better reciprocate their affection.

The woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep. From the illustrator of the world's first picture book adaptation of Robert Frost's "The Road Not Taken" comes a new interpretation of another classic Frost poem: "Stopping By Woods on a Snowy Evening." Weaving a simple story of love, loss, and memories with only illustrations and Frost's iconic lines, this stirring picture book introduces young readers to timeless poetry in an unprecedented way.

**This Is a Dog Book!** Monica Murphy

"Intriguing, delightful, and touching." —School Library Journal (starred review) "Creech's best yet." —Publishers Weekly (starred review) It started out as an ordinary summer. But the minute thirteen-year-old Zinny discovered the old, overgrown trail that ran through the woods behind her family's house, she realized that things were about to change. It was her chance to finally make people notice her, and to have a place she could call her very own. But more than that, Zinny knew that the trail somehow held the key to all kinds of questions. And that the only way to understand her family, her Aunt Jessie's death, and herself, was to find out where it went. From Newbery Medal-winning author Sharon Creech comes a story of love, loss, and understanding, an intricately woven tale of a young girl who sets out in search of her place in the world—and discovers it in her own backyard. An ALA Best Book for Young Adults

**How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work** Workman Publishing Company

Run run run. That's what twelve-year-old Annie loves to do. When she's barefoot and running, she can hear her heart beating . . . thump-thump, thump-thump. It's a rhythm that makes sense in a year when everything's shifting: Her mother is pregnant, her grandfather is forgetful, and her best friend, Max, is always moody. Everything is changing, just like the apple Annie's been assigned to draw a hundred times. Newbery Medal winner Sharon Creech masterfully weaves this story about a young girl beginning to understand the many rhythms of life and how she fits within them.
