He's got nothing to lose. His heart belongs to a female vampire, an aristocratic beauty who's way out of his league. If he

can't have Marissa, then at least he can fight side by side with the Brothers. Fate curses him with the very thing he wants. When Butch sacrifices himself to save a civilian vampire from the slayers, he falls prey to the darkest force in the war. Left for dead, he's found by a miracle, and the Brotherhood calls on Marissa to bring him back. But even her love may not be enough to save him. *Lynn Viehl

A heart-pounding new series set in the Black Dagger Brotherhood world, about a scientist fighting to save the gray wolves—and getting caught in a deadly trap herself... Lydia Susi is passionate about protecting wolves in their natural habitat. When a hotel chain develops a tract of land next to the preserve, Lydia is one of the most vocal opponents of the project—and becomes a target. One night, a shadowy figure threatens Lydia's life in the forest, and a new hire at the Wolf Study Project comes from out of nowhere to save her. Daniel Joseph is both mysterious, and someone she intrinsically wants to

trust. But is he hiding something? As the stakes get higher, and one of Lydia's colleagues is murdered, she must decide how far she will go to protect the wolves. Then a shocking revelation about Daniel challenges Lydia's reality in ways she could never have predicted. Some fates demand courage, while others require even more, with no guarantees. Is she destined to have true love...or will a soul-shattering loss ruin her forever? *Beyond the Shadow of Night* Berkley Possessing a destructive curse and the ability to see the future, Vishous finds fate playing a cruel trick on him when he

meets Jane Whitcomb, a human doctor who introduces him to true pleasure but who can never be a part of his future. *Dark Lover* Simon and Schuster Paradise, blooded daughter of the king's First Advisor, is ready to break free from the restrictive life of an aristocratic female. Her strategy? Join the Black Dagger Brotherhood's training center program and learn to fight for herself, think for herself...be herself. It's a good plan, until everything goes wrong. The schooling is unfathomably difficult, the other

recruits feel more like enemies than allies, and it's very clear that the Brother in charge, Butch O'Neal, a.k.a. the Dhestroyer, is having serious problems in his own life. And that's before she falls in love with a fellow classmate. Craeg, a common civilian, is nothing her father would ever want for her, but everything she could ask for in a male. As an act of violence threatens to tear apart the entire program, and the erotic pull between them grows irresistible, Paradise is tested in ways she never anticipated--and left wondering whether she's strong enough

to claim her own power...on the field, and off.
