In the steamy jungles of West Africa, a Marine Reconnaissance platoon races against time to save the lives of American citizens caught in a bloody civil war. One recon team arrives at a mission only to find they are too late. The missionaries had been burned to death while strung up crucifix style. Realizing that the rebels intend to kill all of the missionaries in the region, the Marines race through the jungle in an attempt to beat the rebels to another nearby mission before they can kill the missionaries there. The Marines arrive just in time to see the guerrillas enter the mission compound and begin killing mission workers. The recon team opens fire and the situation escalates. They successfully push the rebels back into the jungle. Gathering the mission workers, including the mission's doctor, Ellen McKenzie, they flee into the jungle. While on the run, the hospital corpsman, Sean Austin, finds himself struggling with his feelings for the young missionary doctor. Traveling day and night they arrive at the platoon's harbor site. While waiting for helicopters to evacuate the Americans to a waiting ship, the group stumbles onto a large underground crypt left by an ancient civilization. A tropical hurricane forces the Americans to take shelter within the crypt; they discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Liam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient.

A Xicana Codex of Changing Consciousness Berkley
The United States Census 2000 presents a twenty-first century America in which mixed-race marriages, cross-race adoption, and multiracial families in general are challenging the ethnic definitions by which the nation has historically categorized its population. Addressing a wide spectrum of questions raised by this rich new cultural landscape, *Mixing It Up* brings together the observations of ten noted voices who have experienced multiracialism first-hand. From Naomi Zack's "American Mixed Race: The United States 2000 Census and Related Issues" to Cathy Irwin and Sean Metzger's "Keeping Up Appearances: Ethnic Alien-Nation in Female Solo Performance," this diverse collection spans the realities of multiculturalism in compelling new analysis. Arguing that society's discomfort with multiracialism has been institutionalized throughout history, whether

through the "one drop" rule or media depictions, SanSan Kwan and Kenneth Speirs reflect on the means by which the monoracial lens is slowly being replaced. Itself a hybrid of memoir, history, and sociological theory, *Mixing It Up* makes it clear why the identity politics of previous decades have little relevance to the fluid new face of contemporary humanity.

I have never been one for history. It was the past. But

history was dropped in my lap the day two dusty, dirty boxes were discovered in the old farmhouse where my mother was born. As I opened the lids, I was immediately thrown back in time. I was now in the 1940's and caught in the realms of WWII. From the air over the Pacific to the cold harsh winter of the Ardennes in Europe, this is a daughter's story as told to her by her fathers.

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he 's still alive. But it wasn ' t always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

On July 17th 1939, Eileen Alexander, a bright young woman recently graduated from Girton College, Cambridge, begins a brilliant correspondence with fellow Cambridge student Gershon Ellenbogen that lasts five years and spans many hundreds of letters. But as Eileen and Gershon ' s relationship flourishes from friendship and admiration into passion and love, the tensions between Germany, Russia, and the rest of Europe reach a crescendo. When war is declared, Gershon heads for Cairo and Eileen forgoes her studies to work in the Air Ministry. As cinematic as *Atonement*, written with the intimacy of the Neapolitan quartet, *Love in the Blitz* is an extraordinary glimpse of life in London during World War II and an illuminating portrait of an ordinary young woman trying to carve a place for herself in a time of uncertainty. As the Luftwaffe begins its bombardment of England, Eileen, like her fellow Britons, carries on while her loved ones are called up to fight, some never to return home. Written over the course of the conflict, Eileen ' s letters provide a vivid and personal glimpse of this historic era. Yet throughout the turmoil and bloodshed, one thing remains constant: her beloved Gershon, who remains a source of strength and support, even after he, too, joins the fighting. Though his letters have been lost to time, the bolstering force of his love for Eileen is illuminated in her responses to him. Equal parts

heartrending and heartwarming, *Love in the Blitz* is a timeless romance and a deeply personal story of life and resilience amid the violence and terror of war.

A “ New & Noteworthy ” selection of The New York Times Book Review “ Alexis Clark illuminates a whole corner of unknown World War II history. ” —Walter Isaacson, New York Times bestselling author of Leonardo da Vinci “ [A]n irresistible human story. . . . Clark ’ s voice is engaging, and her tale universal. ” —Jon Meacham, Pulitzer Prize – winning author of Thomas Jefferson: The Art of Power and American Lion: Andrew Jackson in the White House A true and deeply moving narrative of forbidden love during World War II and a shocking, hidden history of race on the home front This is a love story like no other: Elinor Powell was an African American nurse in the U.S. military during World War II; Frederick Albert was a soldier in Hitler ’ s army, captured by the Allies and shipped to a prisoner-of-war camp in the Arizona desert. Like most other black nurses, Elinor pulled a second-class assignment, in a dusty, sun-baked—and segregated—Western town. The army figured that the risk of fraternization between black nurses and white German

POWs was almost nil. Brought together by unlikely circumstances in a racist world, Elinor and Frederick should have been bitter enemies; but instead, at the height of World War II, they fell in love. Their dramatic story was unearthed by journalist Alexis Clark, who through years of interviews and historical research has pieced together an astounding narrative of race and true love in the cauldron of war. Based on a New York Times story by Clark that drew national attention, *Enemies in Love* paints a tableau of dreams deferred and of love struggling to survive, twenty-five years before the Supreme Court ’ s Loving decision legalizing mixed-race marriage—revealing the surprising possibilities for human connection during one of history ’ s most violent conflicts.
