Lowrey Celebration LX/500  
07-29-2008, 07:36 PM. I just found the subject organ for sale and I am considering purchasing it. It is under

\$3000. I really know nothing about this organ as my wife and I are just starting to take lessons. I know this was a top of the line organ when it was introduced by Lowrey. Can anyone tell me any particulars ...

Re: Lowrey C 500 Celebration I would add that this organ was built in Lowrey's heyday. Also, no connector problems like other brands. All cables going board to

board are wire wrapped or soldered. Most (if not all) IC's are socked for easy replacement. I used to own one and learned many songs while owning it. </p>
