The Widow Waltz Grey Eagle Publications

“ This book underscores what we have long known—Gurganus stands among the best writers of our time. ” —Ann Patchett
Through memorable language and bawdy humor, Gurganus returns to his mythological

Falls, North Carolina, home of Widow. This first work in a decade offers three novellas mirroring today ' s face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, Local Souls uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a "Winesburg, Ohio" with high-speed Internet. Wells Tower says of Gurganus, "No living writer knows more about how humans matter to each other."

Such ties of love produce hilarious, if wrenching, complications: "Fear Not" gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In "Saints Have Mothers," a beloved high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic "Decoy," the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges

their fates. Gurganus finds fresh pathos in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain's knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne ' s small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus "the most technically gifted and morally responsive writer of his generation." Local Souls confirms Cheever ' s prescient

faith. It deepens the luster of Gurganus ' s reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village. *Return Billionaire to Sender* Minotaur Books

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately,

plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton.

Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship

between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. *The Secrets He Kept* Storm Stone Barrington must track down an enemy intent on disturbing law and order in the latest action-packed
