Aiden Elam has always been different from the other kids he knows. The adults say he has autism, but Aiden isn't so sure. He can understand everyone just fine, he just can't get the words out to tell them. Now, if he could only get past the strange feeling that keeps him trapped inside his own mind, then maybe he could tell his parents about the weird things he sees. Or perhaps he could even tell his sister, Meggy, for he knows she can hear and see the strange things, too.

Relive the history of the American highway from its origins in the era of the covered wagon through the age of the interstate. Illustrated with

more than 400 images from roads across the country, "Yesterday's Highways" takes you back to the old auto trails that paved the way for the first federal highway system. You'll visit the diners, motels, filling stations and quirky roadside haunts of yesteryear. From White Castle to Howard Johnson's, learn about how the American road served up burgers and coffee and blue-plate specials to weary truckers and vacationing families. Journey back to the age of auto camps and revisit the time when mom-and-pop motel courts ruled the side of the road. Before the advent of off-ramps and car-pool lanes, highways zigzagged through downtowns across the heartland, turning at stop signs and following rail lines. Cars chugged along at 15 mph over gravel roads and narrow, concrete ribbons with dozens of hairpin turns. Drivers were treated to barn ads and billboards and Burma-Shave signs. The Lincoln Highway. Route 66. Highway 99. El Camino Real. The Great Valley Road. Travel back in time and experience what made these roads and so many others the lifeblood of the American experience.

For seventeen years, the dragon Jaax has managed to

keep Jahrra hidden from the malevolent Tyrant King, but an inconceivable tragedy and the revelation of a secret kept from her since birth has turned her perfect world on its end. Now, Jahrra must flee Oescienne, the only home she's ever known, and accept the help of the one being she mistrusts more than anyone else... With her enemies at her heels and the terrifying truth looming before her, Jahrra will accompany Jaax as they seek refuge in the faraway city of Lidien, a place of enlightenment protected by ancient magic. No longer the hidden child of an ancient prophecy, Jahrra will take the first steps in her role as the savior of Ethoes - a responsibility she neither desires nor readily welcomes - while Jaax holds court with those he considers allies in the resistance against the growing evil in the east. But when the City of Light proves to be as vulnerable to darkness as Oescienne, Jahrra and her dragon guardian discover their safety to be at risk once again. This time, however, the danger may not be hiding in the shadows beyond the enchanted boundaries of Lidien, but within the very walls meant to keep them safe, festering in the hearts of those they have grown to trust above all others. Swords, sorcery, and dragons ... An epic fantasy adventure for the ages!

I had always known moving to Eilé would be dangerous, and that I might die some strange, unnatural death. Mostly, I imagined eventually being hunted down by Mikael and Moira for another game of sacrifice the Lorehnin girl. Who would have thought I'd go out like this? A living, breathing lightning rod, calmly accepting my fate like some maiden meekly submitting to her martyrdom. I almost snorted. I guess I could start kicking and screaming if I wanted to. Then again, it might be nice to die with some dignity intact. A few scant months ago Robyn Dunbarre, with the help of Devlin O'Brolaigh, managed to escape the claws of a sadistic Otherworldly mage with her life barely intact. Now living in Eilé, Robyn is eager to track down her Lorehnin roots.

Devlin believes they should start searching among the Amsíhría, the women of the Otherworld with the power to appease Eilé's wild, and sometimes volatile, weather. On their journey to the Amsíhr Mountains, Robyn and Devlin visit Luathara Castle. The time spent with Meghan and Cade is meant to be a calm and relaxing break from their recent trouble in the mortal world, but Robyn soon learns that not all has been peaceful in Eilé either, and that the stubborn well of her own Lorehnin magic is finally ready to leave its mark on the Otherworld.

This book was originally published in the anthology, Faery Tales: Six Novellas of Magic and Adventure I blinked at my reflection, my Faelorehn eyes shifting from one color to the next. I tried to get them to settle on a blue shade to go with my dress, but my nerves were too wired. In less than an hour, I would be Mrs. Caedehn MacRoich, Lady of Castle Luathara. During that hectic stretch of days, when Cade and I had traipsed about the countryside, spreading the word of our upcoming wedding, I didn't have a nervous bone in my body. Now that the day had finally arrived, I was ready to fall to pieces. Caedehn MacRoich and Meghan Elam have been through more trials and tribulations than most young couples can imagine. Despite the constant presence of a malevolent goddess bent on destroying them both, and the high queen Danua doing her best to keep them apart, Meghan and Cade have persevered through it all, never once losing sight of one another, or the love that kept them strong through it all. Now Cade and Meghan are

ready to make their relationship official, to pledge their souls to one another in a traditional bonding ceremony of Eilé. Before the bonding ceremony, however, they must inform everyone of their intentions. Although the goal is to share the news of their upcoming wedding, the faelah bounty hunter and the princess of Erintara grow even closer as their love is reflected back to them by those they hold most dear.
