down to rule in

Hell, Lucifer Morningstar has resigned his post and abandoned his kingdom for the mortal city of Los Angeles. Emerging from the pages of writer Neil Gaiman's award-winning series *The Sandman*, the former Lord of Hell is now enjoying a quiet retirement as the proprietor of Lux, L.A.'s most elite piano bar. Still weak, with most of his power

locked in the feathers stolen by Susano-O-No-Mikoto, Lucifer faces the challenge of single combat to the death with his brother, the angel of the Host Amenadiel. But when victory comes at the sacrifice of another, Lucifer embarks on a voyage that will take him to the depths of his former kingdom and beyond to retrieve their lost soul.

Lucifer Book Two Vertigo
It is the final chapter in the former ruler of

Hell's extraordinary existence, as Lucifer concludes his quest to break free of God's influence and forge his own destiny. The war is over. Elaine Belloc, daughter of the Archangel Michael, watches over our world; Mazikeen has bested her mother, Lilith, and the legions of Hell; Jill Presto has come to terms with her godlike daughter, Noema. But there are still a few things for the Lightbringer to take care of -

including the final fate of former angel Gaudium and a bittersweet reunion with treacherous Underworld goddess Izanami... This eleventh volume in this acclaimed series concludes the multiple award-winning, gripping story of life, death... and what happens afterwards.

I was born to give the devil his due. When I woke up naked next to the hottest man I've ever met, I had no idea just how much my life was about to change. And I had no clue the man was the devil himself. Literally. I promised to be his for all eternity, and so far, it's going well. Luke will give me anything to keep me happy: jewels, food, days in bed, and more. I don't need material things to stay. I feel

more for Luke than I've ever felt before. But am I ready to give him my heart? I'm meant to be his queen, but now that Luke has found me, I'm in danger from everyone who opposes him. This isn't my first lifetime, and the last time he tried to crown me it ended in blood. My blood. Angels will do whatever it takes to stop my coronation. Luke promises it won't happen again. He says he'll sacrifice anything to protect me - even his soul. All I have to

do is trust him. Only The Devil can protect me from Heaven.

According to the

The notion of woman
as the Devil's

used to legitimize the
subordination of

In the nineteenth

counter-readings of
this misogynist

reconceptualized as a
feminist liberator of
womankind, and Eve
became a heroine. In
these reimaginations,
Satan is an ally in the
struggle against a
tyrannical patriarchy
supported by God the
Father and his male
priests. Per Faxneld
shows how this
Satanic feminism was
expressed in a wide
variety of nineteenth-

artifacts of consumer

And since the Lightbringer has no desire to revisit his former kingdom, a vicious power

struggle has erupted in the infernal realm, as well. Caught between chaos above and below, Earth has never been more vulnerable. In order to keep his terrestrial retreat safe from collateral damage, Lucifer must reluctantly rejoin the fight for control over Creation. But as the battle rages, the aftershocks from his Father's demise are growing stronger and making it clear that some fates really are worse than death. He's faced down God Himself, and lived (and died, and lived again) to

tell the tale. Now Lucifer Morningstar, the most irresistible antihero in all of Creation, is free to turn the final page on his past and begin a brand-new chapter in his legendarily eventful life. But before he can start booking retirement cruises, there's still one small matter that requires his attention: an all-powerful entity has usurped his deceased Father's place in Heaven and is preparing to extinguish every last vestige of free will throughout the

universe. The Lightbringer has always been the contrary type, and he's not about to change his ways for anyone or anything just because they occupy the Throne of Light. Together, this motley militia is poised to take their fight from the heights of the Silver City to the

depths of the Inferno. Against them stand multiple armies of angels, demons, and every dreaded thing imaginable that lies between them. Can Lucifer overcome their onslaught and keep his club, his city, and his indomitable independence intact? Or, after countless millennia, has the Devil's tab finally come due?
