Chronicles! Mara has become used to the extraordinary. Roaming from place to place with Gideon Davorin's Traveling Carnival, she longs for an ordinary life where no one has the ability to levitate or predict the future. She gets her chance when the struggling sideshow sets up camp in the small town of Caudry, and she meets a gorgeous local guy named Gabe. But before long, Mara realizes there's a dark presence lurking in the town that's threatening the lives of her friends. She has seven days to take control of a power she didn't know she had in order to save everyone she cares about—and change the future forever. In the pages of *Freaks*, Amanda Hocking once again proves her ability to create amazing characters and enchanting worlds that will capture your imagination and never let go.

It's been three months since Alexis helplessly witnessed Lydia Small's violent death, and all she wants is for her

life to return to normal. But normal people don't see decaying bodies haunting photographs. Normal people don't have to deal with regular intrusions from Lydia's angry ghost, sometimes escalating to terrifying attacks. At first, it seems that Lydia wants revenge on Alexis alone. But a girl from school disappears one night, and Alexis spots one of Lydia's signature yellow roses lying on the girl's dresser the next day. Soon, it becomes clear that several of Alexis's friends are in danger, and that she's the only person who can save them. But as she tries to intervene, Alexis realizes that her enemy is a much more powerful ghost than she's ever faced before... and that its fate is tied to hers in ways she couldn't possibly imagine. Not even in her worst nightmares.

### The Princess Trials Hyperion

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his

---

sacrifice.
