Child of God Simon and Schuster

Booksmart meets Never Have I Ever in this Latinx road trip adventure—a big-hearted, voice-driven YA about two sisters who couldn't be more different, but become begrudging partners on their school's cross-country college trip—from debut author Angela Velez. Perfect for fans of Lilliam Rivera, Jenny Han, and Sandhya Menon. Overachiever Luz “Lulu” Zavala has straight As, perfect attendance, and a solid ten-year plan. First up: nail her interview

for a dream internship at Stanford, the last stop on her school's cross-country college road trip. The only flaw in her plan is Clara, her oldest sister, who went off to college and sparked a massive fight with their overprotective Peruvian mom, who is now convinced that out-of-state-college will destroy their family. If Lulu can't fix whatever went wrong between them, the whole trip—and her future—will be a waste. Middle sister Milagro wants nothing to do with college or a nerdy class field trip. Then a spot opens up on the trip just as her own spring break plans (Operation Don't Die a Virgin) are thwarted, and she hops on the bus with her glittery lipsticks, more concerned about getting back at her ex than she is about schools or any family drama.

But the trip opens her eyes about possibilities she'd never imagined for herself. Maybe she is more than the boy-crazy girl everyone seems to think she is. On a journey from Baltimore all the way to San Francisco, Lulu and Milagro will become begrudging partners as they unpack weighty family expectations, uncover Clara's secrets, and maybe even discover the true meaning of sisterhood.

masterpiece. In the midst of the madness, Mia finds her own creative expression and artistic identity, not to mention love.

THE PRINCE OF PARK AVENUE
FINALLY MEETS HIS MATCH IN A
FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her

sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. A Bridge Across Two Worlds "Nan Umrigar's astonishing and well-illustrated story will certainly open up many minds. It asks many questions and provides some answers that give new insights of life's greatest mysteries." - Reincarnation International Magazine, U. K. "I had absolutely no leanings towards spirituality or spiritualism for that matter," says Nan Umrigar. "And I must admit that the space for God remained restricted to simple visits to the Zoroastrian fire temple on birthdays

and auspicious occasions. But all of this changed with the death of my son Karl, a champion jockey, whose accident on the race track of Mumbai cut short a brilliant career. After Karl's death, we felt betrayed and gave up God and religion and the belief that if you were good, kind and truthful, nothing would go wrong. My grieving family questioned the unjust hand of fate, and nothing could fill the void, till the time I met some people who communicated with their loved ones from the spirit world." Soon, Nan also began communicating with her son and received messages that were to change her life forever. Karl was determined to show his mother the way to happiness. Sounds came in from the silence - conquering the great divide and proving that there is something far beyond the life we live. Sounds of Silence traces in moving detail her joy at coming in touch with Karl once again, and her gradual introduction to Meher Baba, her son's guru in the afterlife. In Sounds of Silence Nan bares her soul, reflecting her own initial scepticism and doubts,

until the weight of the evidence left her in no doubt about the reality of the messages. This is a book that challenges many concepts about life and death and particularly life after death. Originally self-published, Sounds of Silence fast became an 'underground' bestseller, and a tremendous source of strength for thousands who were drawn to it. This is a story of a mother's unrelenting hope, and of a love that never dies.

The Secrets of Happy Families Tantor Media Incorporated
In Wendy Walker's brilliant debut, the lives of four wives and mothers intertwine and

collide in a tale of suburban angst among outrageous wealth. On the outside, it appears as though Love Welsh, Marie Passetti, Gayle Beck and Janie Kirk lead enviable lives, with marriages to handsome, successful men; bright, happy children; and homes right out of Architectural Digest. But in the wealthy suburb of Hunting Ridge, appearances mask a deeper truth: These four wives are anything but perfect. As they try to maintain a façade of bliss, behind closed doors they each face their own crises—infidelity, dissatisfaction, self-doubt. As springtime draws to an end, doors are both opened and closed and the women come face to face with the most difficult and heartbreaking challenge of their lives—to reconcile their innermost desires with the lives that each of them has chosen. Four Wives shares a peek beyond the perfectly manicured lawns of Hunting Ridge—exposing a world as troubled as it is blessed.

Rebecca Serle's next great love story is here, and this time it's between a mother and a daughter. Prayers by a Prisoner Titledown Pub

To Sir, with Love CreateSpace

"A debut story collection offering a kaleidoscopic portrait of life for contemporary Chinese people, set between China and the United States"--
Welcome to Paradise John Wiley and Sons

As disappointing and difficult as your incarceration may be, there is always hope and a spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you

at your point of need. This book will help you discover that the God of all comfort is near to the brokenhearted and discouraged. God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was

thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extra ordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am always asking God to make the necessary changes that He knows I need to implement in order for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we

experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and

corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, *Hope Is Not My Enemy*, which details my life story and the failure of my securities business and MBT Bank.
