**SCHOOL SHOOTER'S PARENTS CHARGED AS ACCESSORIES TO THE MURDERS** Sixteen-year-old Samuel Braxton walks into the Buckhead High

School cafeteria at lunchtime and murders 16 students, wounding 42 others with his grandfather's M16 assault rifle. Among the dead is Lacy Hathaway, daughter of Sarah Hathaway, a TV news anchorwoman for the Global News Network, which launches Sarah on a passionate journey to discover the real cause of these massacres. She knows gun control is only a very small part of the answer. On a deeper level, she needs to know what is creating this violent criminal behavior in our teenagers. In a surprise and unprecedented move, the District Attorney files charges against Samuel Braxton's parents, for criminal negligence by allowing Samuel unfettered access to the M16, and as accessories to the murders. The Braxton trial provides Sarah with the answers to her questions in a totally unexpected way. Follow along in the trial and find out what Sarah discovers that leads her to quit her job and devote her full time and attention to making sure this would happen #NeverAgain. "#NeverAgain is a thoughtful and intriguing look at the school shootings which are a sad reality in the United States today. This novella takes us inside the world of a mother attempting to come to terms with the death of her daughter; and as she tries to

deal with her own grief, she finds herself coping in ways she never expected."

**Logical Reasoning** Thorndike Striving Reader  
The classic, bestselling book on the psychology of racism -- now fully revised and updated Walk into any racially mixed high school and you will see Black, White, and Latino youth clustered in their own groups. Is this self-segregation a problem to address or a coping strategy? Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides. These topics have only become more urgent as the national conversation about race is increasingly acrimonious. This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in America.  
**Accounting for Evil Crime and Puzzlement**

A classic, chilling tale of mystery and psychological horror that "will hold your attention to the last" (The New York Times). When a young, blond, handsome man walks into a psychiatrist's office, stating that he believes he is losing his mind and asking questions about hallucinations,

the doctor is prepared to help his new patient overcome his delusions. But as this twisting tale progresses, the line between what is real and unreal begins to blur—and the story becomes not only a murder mystery but a dark, unsettling voyage into memory, madness, torture, and despair.

From the New York Times bestselling author of *The Midnight Library*. “A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel.” —The Washington Post “She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words.” Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group

which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present.

*How to Stop Time* tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

"Since we forget the implications of the assassination of President John F. Kennedy at our peril I welcome and support the recent work of Ed Souza's *Undeniable Truths*....Welcome aboard Mr. Souza." --Mark Lane- Author of *Rush to Judgment* To many, the murder of President John F. Kennedy was the defining tragedy of the twentieth century. To many, the intricate and pervasive veil of lies generated by the Warren Commission and some of our own government agencies is an egregious and continuing insult to our collective intelligence, integrity, and dignity. To many, there are more questions than plausible answers. But for one former LA cop, private investigator, and professor of criminal justice, the time has come to put forth the clear and plausible answers too many have craved for too long. In *Undeniable Truths*, Professor Ed Souza applies modern investigative techniques and theories to present the clear and simple facts surrounding this infamous murder. His approach exposes the lies, cover-ups, and misinformation involved in this case. He explores some of the murder's most enduring mysteries: Why was President Kennedy really murdered? Who really did--and did not--want

---

Kennedy eliminated? Why--and how--was Oswald chosen as the scapegoat? Through the use of time tested police strategies, the author puts decades of professional research to the task of solving one of history's most enduring unsolved crimes.

The Gun HarperCollins

Jeffrey Dahmer. Ted Bundy. John Wayne Gacy. Over the past thirty years, serial killers have become iconic figures in America, the subject of made-for-TV movies and mass-market paperbacks alike. But

why do we find such luridly transgressive and horrific individuals so fascinating? What compels us to look more closely at these figures when we really want to look away? Natural Born Celebrities considers how serial killers have become lionized in American culture and explores the consequences of their fame. David Schmid provides a historical account of how serial killers became famous and how that fame has been used in popular media and the corridors of the FBI alike.

Ranging from H. H. Holmes, whose killing spree during the 1893 Chicago World's Fair inspired The Devil in the White City, right up to Aileen Wuornos, the lesbian prostitute whose vicious murder of seven men would serve as the basis for the hit film Monster, Schmid unveils a new understanding of serial killers by emphasizing both the social dimensions of their crimes and their susceptibility to multiple interpretations and uses.

He also explores why serial killers have become endemic in popular culture, from their depiction in The Silence of the Lambs and The X-Files to their becoming the stuff of trading cards and even Web sites where you can buy their hair and nail clippings. Bringing his fascinating history right up to the present, Schmid ultimately argues that America needs the perversely familiar figure of the serial killer now more than ever to manage the fear posed by Osama bin Laden since September 11. "This is a persuasively argued, meticulously researched, and compelling examination of the media phenomenon of the 'celebrity criminal' in American culture. It is highly readable as well."—Joyce Carol Oates

Veronica Mars meets the World of Warcraft in The Unfortunate Decisions of Dahlia Moss, a mystery romp with a most unexpected heroine. If it were up to me this book would be called Hilarious Things That Happened That Were Not At All Dahlia's Fault -- or HTTHTWNAADF, for short. OK, I probably shouldn't have taken money from a mysterious eccentric to solve a theft, given that I'm not a detective, and that I am sometimes

outwitted by puzzles in children's video games. I probably shouldn't have stolen bags of trash from a potential murder suspect.

Arguably-- just arguably, mind you-- it may have been unwise to cos-play at an event where I was likely to be shot at. But sometimes you just have to take some chances, right? And maybe things do get a little unfortunate. What of it? If you ask me, an unfortunate decision here or there can change your life. In a positive way, just so long you don't killed in the process.

Admittedly, that's the tricky bit.

The opening scene is a courtroom filled with reporters and spectators in a small town somewhere in Tennessee. The court is awaiting the arrival of Dr. Berringer, a well-known figure in Huntington, because of his position with the towns primary source of employment "the institution for the criminally insane that opened up some two and a half years ago. Dr. Berringer had been living in Florida in retirement He was extridited to Tennessee, to face murder charges against him. Two women were found in the garden of his house that he occupied when he was employed as chief of staff of the

institution. Dr. Berringer is brought into the courtroom in handcuffs by two officers of the court. He is seated by his attorney in front of the courtroom. The story opens up by the prosecuting attorney Marilyn Emery. The prosecuting attorney. She addresses the jury with her opening remarks accusing Dr. Berringer of being a cold, calculus, sadistic murderer. She makes a strong case against Dr. Berringer, and tells the jury, she will prove beyond a shadow of a doubt that he is guilty and she is seeking the death penalty. Dr. Berringer's attorney, then makes his opening remarks to the jury, that his client is innocent of all charges, and he will prove beyond any doubt Dr. Berringer is a respectable man and he will ask the jury for an acquittal because there is no tangible evidence. The story opens up with the defense attorney calling on Dr. Morrison and asks him to tell his story in his own words. A flash back opens up the story of the

beginning of Dr. Morrison and the institution. During the course of Dr. Morrison's testimony he brings to life the inmates that are interred at the institution. They are all serial killers. One of the inmates, who is one of the main characters of this book is "Billy Joe Courtney" he is a young farm boy who Dr. Morrison accidentally finds out, has Multiple Personalities of which most of them are serial killers. 'Billy Joe, is a type of kid that came from very poor ignorant farm people. His mother, took in laundry from neighboring farms to put food on the table. His father was the town drunk. they never had any type of education, and Billy Joe never learned to read or write' All of his personalities are different In fact two of them are women. In this story you will find, Dr. Berringer did not have a good marriage. He falls in love with a female inmate that was compared to "Lizizie Bordon" because she had killed her husband with an ax. When she

entered the institution She was pregnant at the time. He concocks a scheme to make her his mistress and swindles her out of a great deal of money and kills two people in the process I promise you this book is riveting and you will find it very hard to put it down. Sequel to follow.
