Since the time of pre-  
history, carpetmakers tie  
intricate knots to form  
carpets for the court of the  
Emperor. These carpets

are made from the hairs of  
wives and daughters; they  
are so detailed and fragile  
that each carpetmaker  
finishes only one single  
carpet in his entire lifetime.  
This art descends from  
father to son, since the  
beginning of time itself.  
But one day the empire of  
the God Emperor  
vanishes, and strangers  
begin to arrive from the  
stars to follow the trace of  
the hair carpets. What  
these strangers discover is  
beyond all belief, more  
than anything they could

have ever imagined...

"Lilith" is a 1895 fantasy novel by Scottish writer George MacDonald. One of his darkest works, it follows the story of a library owner called Mr. Vane whose library is haunted by the former librarian. When he eventually encounters the ghost,

Vane learns that the apparition knew his father, who had visited the strange parallel universe wherein he now resides. George MacDonald (1824 – 1905) was a Scottish poet, author, poet and Christian minister. He is considered to have been a pioneer in the genre of fantasy literature and was the mentor of Lewis Carroll. Many notable writers have cited him as a literary influence, including W. H. Auden, Lloyd Alexander, C. S. Lewis, J. R. R. Tolkien, Walter de la Mare, and more. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new

She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true

identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom.
