Juniper Berry's parents are the most beloved actor and actress in the world—but Juniper can't help but feel they haven't been quite right lately. And she and her friend Giles are determined to find out why.

On a cold and rainy night, Juniper follows her parents as they sneak out of the house and enter the woods. What she discovers is an underworld filled with contradictions: one that is terrifying and enticing, lorded over by a creature both sinister and seductive, who can sell you all the world's secrets bound in a balloon. For the first time, Juniper and Giles have a choice to make. And it will be up to them to confront their own fears in order to save the ones who couldn't. M.P. Kozlowsky's debut is a modern-day fairy tale of terror, temptation, and ways in which it is our choices that make us who we are.

Age Alex Verus is back in the seventh in the "gorgeously realized" * urban fantasy series from the national bestselling author of Veiled. I ' m used to people wanting me dead. But, this time, I ' m not the only one on the hit list—and time is running out... Diviner Alex Verus finally made one too many enemies on the Council of Mages, and now one of them is angry enough to have him executed. Fighting for his life is nothing new, but this kill order also calls for the death of Alex ' s dependents—and there ' s no way that he ' ll let Luna, Anne, and Vari take the heat. With only a week before he ' s history, Alex will have to figure out how to disassociate himself from his friends, scrounge up allies on the Council, and hopefully keep his head attached to his body. But saving himself is going to bring him into direct opposition with his former master and the Dark mages surrounding him. And, this time, escaping with his life might mean losing his soul...

Collecting books can be a dangerous prospect in this fun, time-traveling, fantasy adventure—the first in the Invisible Library series! One thing any Librarian will tell you: the truth is much stranger than fiction... Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it's already been stolen. London's underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested—the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option—because it isn't just Irene's reputation at stake, it's the nature of reality itself... **FEATURING BONUS MATERIAL:** including an interview with the author, a legend from the Library, and more!

Sophie Mercer thought she was a witch. That was the whole reason she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered the family secret, and that her hot crush, Archer Cross, is an agent for The Eye, a group bent on wiping Prodigium off the face of the earth.

Heir to Sevenwaters Harper Collins

A triumphant story of a father and his little boy—and a love that knows no limits. Rob Coates is a survivor. He'd thought he'd won the lottery of life—a beautiful home, an incredible wife Anna, and their precious son Jack, who makes every day an extraordinary adventure. But when tragedy befalls his family, Rob becomes his own worst enemy, pushing away all he holds dear. With his world now suddenly just outside of his grasp, Rob turns to photography, capturing the beautiful skyscrapers and cliff-tops he used to visit—memories of the time when his family was happy. And just when it feels as though there's nowhere left to turn, Rob embarks on the most unforgettable of journeys to reclaim the joy and love he thought he'd lost. Deeply emotional, beautifully written, and filled with tremendous heart, **We Own the Sky** is a soaring debut about the strength of the human spirit and the boundlessness of love. It is a stunningly honest reminder of life's greatest gifts, showing how even a broken heart can learn to beat again.

Lilith - A Romance Akashic Books

"A darkly humorous, rapid-fire read." —Kirkus Reviews Stranger Things meets Buffy the Vampire Slayer in this contemporary novel from Francesca Zappia, the acclaimed author of *Eliza and Her Monsters*. When Zora Novak is framed for a crime she didn't commit, she must track down the true culprit and clear her name before it's too late. But in a small town obsessed with ghosts, getting people to believe the truth might prove to be impossible. When someone burns down the home of the school janitor and he dies in the blaze, everyone in Addamsville, Indiana, points a finger at Zora. Never mind that Zora has been on the straight and narrow since her father was thrown in jail. With everyone looking for evidence against her, her only choice is to uncover the identity of the real killer. There's one big problem—Zora has no leads. No one does. Addamsville has a history of tragedy, and thirty years ago a similar string of fires left several townspeople dead. The arsonist was never caught. Now, Zora must team up with her cousin Artemis—an annoying self-proclaimed Addamsville historian—to clear her name. But with a popular ghost-hunting television show riling up the townspeople, almost no support from her family and friends, and rumors spinning out of control, things aren't looking good. Zora will have to read between the lines of Addamsville's ghost stories before she becomes one herself. Acclaimed author Francesca Zappia has a perfectly pitched teen voice that shines in this inventive novel. Now *Entering Addamsville* is perfect for fans of Brittany Cavallaro, Victoria Schwab, Riverdale, Truly Devious, and *The Chilling Adventures of Sabrina*. Includes interior spot illustrations from the author.

"Lilith" is a 1895 fantasy novel by Scottish writer George MacDonald. One of his darkest works, it follows the story of a library owner called Mr. Vane whose library is haunted by the former librarian. When he eventually encounters the ghost, Vane learns that the apparition knew his father, who had visited the strange parallel universe wherein he now resides. George MacDonald (1824 – 1905) was a Scottish poet, author, poet and Christian minister. He is considered to have been a pioneer in the genre of fantasy literature and was the mentor of Lewis Carroll. Many notable writers have cited him as a literary influence, including W. H.

Auden, Lloyd Alexander, C. S. Lewis, J. R. R. Tolkien, Walter de la Mare, and more. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

Mystery Kids Simon and Schuster

In this final installment of the thrilling, edgy Personal Demons series, the battle between Heaven and Hell has become critical, and Frannie Cavanaugh is right at the center of it. With the help of the powerful angel Gabe and demon-turned-mortal Luc, Frannie has been able to stay one step ahead of the forces of Hell. But when the demons killed Frannie's best friend and destroyed her brother, they raised the stakes. If Frannie wants to keep her family and friends safe, she knows she has no choice but to go on the run. Their best defense is the power Frannie has been struggling to master, but her attempts to hone her skill go horribly awry. If Frannie doesn't learn fast, the consequences could be devastating--even apocalyptic. What happens when you can't outrun Hell...or trust the ones you love? Those stories you hear? The ones about things that only come out at night? Things that feed on blood, feed on us? Got news for you: they're true. Only it's not like the movies or old man Stoker's storybook. It's worse. Especially if you happen to be one of them. Just ask Joe Pitt. There's a shambler on the loose. Some fool who got himself infected with a flesh-eating bacteria is lurching around, trying to munch on folks' brains. Joe hates shamblers, but he's still the one who has to deal with them. That's just the kind of life he has. Except afterlife might be better word. From the Battery to the Bronx, and from river to river, Manhattan is crawling with Vampyres. Joe is one of them, and he's not happy about it. Yeah, he gets to be stronger and faster than you, and he's tough as nails and hard to kill. But spending his nights trying to score a pint of blood to feed the Vyrus that's eating at him isn't his idea of a good time. And Joe doesn't make it any easier on himself. Going his own way, refusing to ally with the Clans that run the undead underside of Manhattan--it ain't easy. It's worse once he gets mixed up with the Coalition--the city's most powerful Clan--and finds himself searching for a poor little rich girl who's gone missing in Alphabet City. Now the Coalition and the girl's high-society parents are breathing down his neck, anarchist Vampyres are pushing him around, and a crazy Vampyre cult is stalking him. No time to complain, though. Got to find that girl and kill that shambler before the whip comes down . . . and before the sun comes up.

North to the Orient Delacorte Press

The follow-up to "Halo." Even the love of her boyfriend, Xavier Woods, and her archangel siblings, Gabriel and Ivy, can't keep the angel Bethany Church from being tricked into a motorcycle ride that ends up in Hell. There, Jake Thorn bargains for Beth's release back to Earth. But what he asks of her will destroy her.
