Kids on Strike! Harper Collins
On March 25, 1911, flames rapidly consumed everything within the Triangle Waist Company factory, killing 146 workers. The victims, mostly young Jewish and Italian immigrant women, died needlessly due to unsafe working conditions, such as locked or blocked doors, narrow stairways, faulty fire escapes, and a lack of sprinklers. Until September 11, 2001, the Triangle fire was the deadliest workplace disaster in New York City history. Mass grief and outrage spread from New York ’ s Lower East Side across the country. Garment union membership swelled, and New York politics shifted dramatically toward reform, paving the way for the New Deal and, ultimately, the workplace standards expected today. Through historic images, The New York City Triangle Factory Fire honors the victims ’ sacrifice and serves as a reminder of the ongoing struggle for the dignity of all working people.

Best-selling author Rick Riordan presents Kwame Mbalia's epic fantasy, a middle grade American Gods set in a richly-imagined world populated with African American folk heroes and West African gods. Seventh grader Tristan Strong feels anything but strong ever since he failed to save his best friend when they were in a bus accident together. All he has left of Eddie is the journal his friend wrote stories in. Tristan is dreading the month he's going to spend on his grandparents' farm in Alabama, where he's being sent to heal from the tragedy. But on his first night there, a sticky creature shows up in his bedroom and steals Eddie's notebook. Tristan chases after it--is that a doll?--and a tug-of-war ensues between them underneath a Bottle Tree. In a last attempt to wrestle the journal out of the creature's hands, Tristan punches the tree, accidentally ripping open a chasm into the MidPass, a volatile place with a burning sea, haunted bone ships, and iron monsters that are hunting the inhabitants of this world. Tristan finds himself in the middle of a battle that has left black American folk heroes John Henry and Brer Rabbit exhausted. In order to get back home, Tristan and these new allies will need to entice the god Anansi, the Weaver, to come out of hiding and seal the hole in the sky. But bartering with the trickster Anansi always comes at a price. Can Tristan save this world before he loses more of the things he loves?

"A storytelling wonder."--starred review, Kirkus Reviews A Publishers Weekly Flying Start ***Four starred reviews *** Lyndie B. Hawkins loves history, research, and getting to the truth no matter what. But when it comes to her family, her knowledge is full of holes. Like, what happened to her father in the Vietnam War? Where does he disappear to for days? And why exactly did they have to move in with her grandparents? Determined to mold recalcitrant Lyndie into a lady even if it kills her, her fusspot grandmother starts with lesson number one: Family=Loyalty=Keeping quiet about family secrets. Especially when it comes to Lyndie's daddy. Then DB, a boy from the local juvenile detention center comes to stay with Lyndie's best friend, Dawn. He's as friendly and open as a puppy. There to shape up his act, he has an optimism that's infectious. But when DB and Lyndie are paired for a school project about family history, it puts Lyndie in direct opposition to her grandmother's rules. A one-of-a-kind voice lights up this witty, heartwarming debut about the power of homespun wisdom (even when it's wrong), the clash between appearances and secrets, the effects of PTSD, and the barriers to getting help even when it's needed most.
