The Black Lyon Createspace Independent Publishing Platform "Enthralling and intelligent, a masterly exploration of the sinister labyrinth that was wartime France . . . It is a remarkable book, utterly

fascinating." —Allan Massie Not long after 2:00 p.m. on June 21, 1943, eight men met in secret at a doctor's house in Lyon. They represented the warring factions of the French Resistance and had been summoned by General de Gaulle's new envoy, a man most of them knew simply as "Max." Minutes after the last man entered the house, the Gestapo broke in, led by Klaus Barbie, the infamous "Butcher of Lyon." The fate awaiting Barbie's prisoners was torture, deportation, and death. "Max" was tortured sadistically but never broke: he took his many secrets to his grave. In that moment, the legend of Jean Moulin was born. Who betrayed Jean Moulin? And who was this enigmatic hero, a man as skilled in deception as he was in acts of heroism? After the war, his ashes were transferred to the Panthéon—France's highest honor—where his memory is revered alongside that of Voltaire and Victor Hugo. But Moulin's story is full of unanswered questions: the truth of his life is far more complicated than the legend conveniently manufactured by de

Gaulle. *Resistance and Betrayal* tells for the first time in English the epic story of France's greatest war hero, a Schindler-like character of ambiguous motivation. A winner of the Marsh Prize for biography, praised by Graham Greene and Julian Barnes, Patrick Marnham is a brilliant storyteller with a keen appreciation for the complex maze of moral compromises navigated in times of war. Told with the drama and suspense of the best espionage fiction, *Resistance and Betrayal* brings to life the dark and duplicitous world of the French Resistance and offers a startling conclusion to one of the great unsolved mysteries of the Second World War. #1 New York Times bestselling author Julie Garwood takes breathless sensuality to thrilling heights in this unforgettable adventure of passion and intrigue. The

Emerald flew across the seas, carrying the pirate Pagan—despised by the ton whose riches he plundered, and beloved by the poor whose plight was eased by his gifts. The Marquess of Cainewood vows to hunt down the pirate wretch in revenge for his brother's death. But when Jade, an enchanting vision of rippling red hair and eyes of jewel-green, appears at his door to beg desperately for his protection, the Marquess agrees to keep her safe from the villains who want her dead. Jade is infuriating, exasperating, and gorgeous. No woman has ever befuddled him so, nor so deeply aroused his desire. But as Jade answers Caine's knowing caresses with an innocent, wild abandon, they are drawn into a web of treachery that will test the very heart of their love...

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind

America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one.

Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

INCLUDES THREE ALL-NEW

CHAPTERS Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between

high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

Rachel Lyon's first novel – soon to be made into a major motion picture starring Zoë Kravitz and Thomasin McKenzie Lu Rile is a relentlessly focused young photographer struggling to make ends meet. Working three jobs, and worrying that the crumbling warehouse she lives in is being sold

to developers, she is at a point of desperation. Until, by pure chance, Lu discovers she's captured a tragedy in the background of a self portrait; a boy falling to his death. The photograph turns out to be the best work of art she's ever made. It's an image that could change her life – if she lets it. Set in early 90s Brooklyn on the brink of gentrification, *Self-Portrait with Boy* is a provocative commentary about the emotional dues that must be paid on the road to success. When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's

destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire. "It's impossible not to be impressed with the ambition of it all . . . a larger-than-life adventure story about thieves, wizards, assassins and kings to dwell in for a good long while."—The New York Times

St Irenaeus is the most important theologian of the second century, laying the foundation for all future Christian thinkers. Irenaeus tells us that he had known Polycarp, who had himself known the apostles and been appointed by them as the bishop of the church of Smyrna. This direct contact with the immediate successors of the apostles was of importance for Irenaeus in his later defense of Christian practice and teaching. In this work *Against the Heresies*, he was the first to utilize the full range of apostolic writings in his controversy with the Gnostics and others. Uniting, for the first time, the whole history of God's activity in one all-encompassing divine economy, Irenaeus demonstrates that there is but one God, who has made Himself known through His one Son, Jesus Christ, by the one Holy Spirit, to the one human race, bringing His creatures made from mud into the intimacy of

communion with Himself.

After settling down with his wife and kids, Colton Lyon just wanted to put his past behind him, but now it looks like that past had come back to bite him in the ass. Now he's found himself hooked up with a mixed bag of bikers and military types, whose mission is to take down a group of high profile parasites, who're into everything from human trafficking to who knows what. On top of that he's got a fifteen year old daughter, the apple of his eye, who thinks she's in love, and a five year old who's gonna be featured on America's Most Wanted before she's fifteen, if he doesn't keep an eye on her. And then there's his mother and his wife, the Xmas freaks, who would raise all kinds of hell if the season doesn't go off without a hitch. So between watching his six, trying to hold himself back from killing the little snot nose kid who's been sniffing around his first born, he's got to make sure his wife's holiday season is all that is merry and bright.

Self Portrait with Boy Hachette Books

Caitlin Lyon is the favored first daughter of Colton Lyon. Anyone who wants to date her will have to go through this tough as nails biker dad who thinks no one is good enough for his kid, not even the little snot nosed kid who's been hanging around her for the past four years. Todd Henderson has spent the last four years learning his future

father in law, from the age of fifteen when the big man himself threatened him to within an inch of his life if he even thought of messing with his daughter. Most young men that age would've headed for the hills long ago, but Todd's no fool, he knows what he stands to gain if he sticks it out. Now he's nineteen and with the training from the erstwhile Mancini has grown in experience if not years so he's more than ready to claim his girl when he goes home on summer break from the college they'd both planned to meet at.

One of Tor Nightfire's "Horror Books We're Excited About in 2022"! "Lyons burnishes his reputation as a rising horror star . . . [and] keeps the pages flying with fast-paced chills." —Publishers Weekly (starred review) From the author of *The Night Will Find Us* comes a white-knuckled horror-thriller set across the American Southwest. Road trips can be hell. Siblings Jonah and Nell Talbot used to be inseparable, but ever since Jonah suddenly blew town twelve years ago, they couldn't be more distant. Now, in the wake of Jonah's divorce, they embark on a cross-country road trip back to their hometown of Albuquerque, hoping to mend their broken relationship along the way. But when a strange accident befalls

Nell at an abandoned industrial site somewhere in the Nevada desert, she begins experiencing ghastly visions and exhibiting terrifying, otherworldly symptoms. As their journey through the desolate American Southwest reveals the grotesque change happening within his sister, one thing becomes clear to Jonah: It's not only Nell in there anymore. Pursued by a mysterious stranger who knows far more about Nell's worsening condition than they let on, the siblings race to find a way to help Nell and escape the desert before they're met with a violent, bloody end. But there are far worse things lurking in the desert ahead... some of them just beneath the skin.

In 1968, a small and unassuming book of photographs featuring America's bikers was published. Little note was taken of its release, and it rather quietly disappeared. Today *The Bikeriders* is recognized as a seminal work of documentary photography by one of a new generation of photographers. This is a reissue of Lyon's long-out-of-print and much-sought-after first book, treasured both as a cult classic and a standard of photojournalism.

Twelve Lords for Christmas Flying Frog Publishing

Nineteen times, death penalty defense lawyer Andrea D. Lyon has represented a client found guilty of capital murder. Nineteen times, she has argued for that individual's life to be spared. Nineteen times, she has succeeded. Dubbed the "Angel of Death Row" by the Chicago Tribune, Lyon was the first woman to serve as lead attorney in a death penalty case. Throughout her career, she has defended those accused of heinous acts and argued that, no matter their guilt or innocence, they deserved a chance at redemption. Now, for the first time, Lyon shares her story, from her early work as a Legal Aid attorney to her founding of the Center for Justice in Capital Cases. Full of courtroom drama, tragedy, and redemption, *Angel of Death Row* is a remarkable inside look at what drives Lyon to defend those who seem indefensible-and to win. There was Annette who was suspected of murdering her own daughter. There was Patrick, the convicted murderer who thirsted for knowledge and shared his love of books with Lyon when she visited him in jail. There was Lonnie, whose mental illness made him nearly impossible to save until the daughter who remembered his better self spoke on his behalf. There was Deirdre, who shared Lyon's cautious optimism that her wrongful conviction would finally be overturned, allowing her to see her grandchildren born while she was in prison. And there was Madison Hobley, the man whose name made international headlines when he was wrongfully charged with the murder of his family and sentenced to death. These clients trusted Lyon with their stories-and their lives. Driven by an

overwhelming sense of justice, fairness, and morality, she fought for them in the courtroom and in the raucous streets, staying by their sides as they struggled through real tragedy and triumphed in startling ways. *Angel of Death Row* is the compelling memoir of Lyon's unusual journey and groundbreaking career.
