"Lyrics 1962-2001" is the solution to my problem, a 600 page (hard cover) book, containing the lyrics to all Bob Dylan's songs. The book is arranged album-by-album, and song-by-song within those albums, and contains in addition the words to other songs that were not originally on any album. Bob Dylan towers over the music scene like few others, and his word-crafting has no equal. This book is essential, not just for Bob Dylan fans, but for any serious music lover.
