Note This book is the first compilation of an ongoing serial story, due to this fact it does not have a conclusion. A new chapter is released to the public for free every Monday on the Erica Stevens blog and Facebook page. The second book is available for purchase. The third book is currently in progress. This book is not a survivalist story. Though they are not in this book, the following books in this series do contain almost zombie like people. The First tremors of the earth were felt at 7:22 EST. time. Every single person felt the rumbling, and experienced the tremors that would forever alter the course of history. Most did not survive.

These are the accounts of some of those that did. *Note* This book is the first compilation of a serial story. The ongoing weekly chapters are released to the public for free every Monday on the Erica Stevens blog and Facebook page. The second book, The Divide, is now available. The Horde Is Always Hungry... The zombie apocalypse has begun, and Major Cordell McDaniels is given the most important

mission of his career: lead a Special Forces team into New York City to rescue the one man who can stop the ghastly virus that reanimates the dead. But as a growing army of flesh-eating corpses takes over the streets and a violent storm renders airborne extraction impossible, McDaniels struggles to find a way out of the Big Apple. The odds of anyone getting out alive plummet further when slaughtered members of his own Special Forces team join the ranks of the gathering dead... with their military skills intact!

Dead Leon and his younger sister, Grace, have recently moved to London from New York and are struggling to settle into their new school when rumors of an unidentified plague in Africa begin to fill the news. Within a week, the virus hits London. The siblings witness people turning to liquid before their eyes, and they run for their lives. A month after touching Earth's atmosphere, the virus has wiped out most of the population. Desperate to stay alive, Leon and Grace are reluctantly taken in by a tight-knit group of survivors. But as they struggle to win their trust, the siblings realize that the virus isn't their only enemy, and survival is just the first step... **GRACE LOST** McGraw-Hill Education / Medical Shaun Mason is a man without a mission. Not even running the news organization he built with his sister has the same urgency as it used to. Playing with dead things just doesn't seem as fun when you've lost as much as he has. But when a CDC researcher fakes her own death and appears on his doorstep with a ravenous pack of zombies in tow, Shaun has a newfound interest in life. Because she brings news-he may have put down the monster who attacked them, but the conspiracy is far from dead. Now, Shaun hits the road to find what truth can be found
