Master storyteller Alice Hoffman brings us the conclusion of the Practical Magic series in a spellbinding and enchanting final Owens novel brimming with lyric beauty and vivid characters. The Owens family has been cursed in matters of love for over three-hundred years but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save

a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Franny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. The Book of Magic is a breathtaking conclusion that celebrates mothers and daughters, sisters and brothers, and anyone who has ever been in love.

Undaunted, she sails to the bustling city-state of Hexos, hoping to find a place at a university where they don't think there's anything untoward about providing a woman with a magical education. But as soon as Onna arrives, she's drawn into the mysterious murder of four trolls. Tsira is a troll who never quite fit into her clan, despite being the leader's daughter. Amber Sand is not a witch. The Sand family magical gene somehow leapfrogged over her. But she did get one highly specific bewitching talent: she can see true love. As a matchmaker, Amber's pretty far down the sorcery food chain (even birthday party magicians rank higher), but after five seconds of eye contact, she can envision anyone's soul mate. Amber works at her mother's magic shop -- Windy City Magic -- in downtown Chicago, and she's confident she's seen every kind of happy ending there is: except for one--her own. (The Fates are tricky jerks that way.) So when Charlie Blitzman, the mayor's son and most-desired boy in school, comes to her for help finding his father's missing girlfriend, she's distressed to find herself falling for him. Because while she can't see her

own match, she can see his -- and it's not Amber. How can she, an honest peddler of true love, pursue a boy she knows full well isn't her match? *The Best Kind of Magic* is set in urban Chicago and will appeal to readers who long for magic in the real world. With a sharp-witted and sassy heroine, a quirky cast of mystical beings, and a heady dose of adventure, this novel will have you laughing out loud and questioning your belief in happy endings. *Wicked As You Wish* North Star Editions, Inc.

Or that the cute guy she meets at her brother's concert is the international rock god Adam Copeland. By the time she learns the truth, she's already spent an unforgettable night in his bed . . .
