As an on-the-job answer book ... a statistical
information resource ... a planning and
research guide ... and a directory and calendar,

The Bowker Annual Library and Book Trade Almanac 2000 delivers the hard-to-find industry news and information you need all year long. This acclaimed "must have" resource provides:

- Expert reviews of the key trends, events, and developments that will influence your work in 2000 and the years to come
- Plain-English explanations of new legislation and changes in funding programs
- and how it will affect libraries
- Definitive statistics on book prices, numbers of books published, library expenditures, average salaries, and other budget-crunching assistance
- A full calendar of events, key organizations, names and numbers of important individuals (including e-mail addresses and fax numbers), and much more.

This fully updated reference tool makes it easy to stay on top of the developments that affect libraries, booksellers, and publishers alike -- and to find fast answers to the countless on-the-job questions you encounter. You'll use it to:

- Keep informed on the latest trends in networking, the Internet, and other advances
- Locate information on industry events and organizations
- Find lists of best books, literary prizes, winners, and bestsellers
- Prepare budgets and justify requests
- Review recent legislation and regulations affecting your industry
- Learn about emerging trends, needs, problems, and opportunities. ... And that's just the beginning.

With The Bowker Annual 2000 on hand, you won't spend hours or even days tracking down needed library or book trade data -- because the information you need is right at your fingertips.

The Underground Guide to Finding a Computer Job and Earning Your It Certifications on a Shoestring Course

Technology Ptr

This certification exam measures the ability to develop and implement XML Web Services and server components using Visual C# and the Microsoft .NET Framework. This exam, released in September 2002, counts as a core credit toward the new MCAD (Microsoft Certified Application Developer) certification as well as a core credit toward the new MCSD .NET track. Readers preparing for this exam find our Training Guide series to be the most successful self-study tool in the market. This book is their one-stop shop because of its teaching methodology, the accompanying PrepLogic testing software, and superior Web site support at quepublishing.com.

Books in Print Supplement Rr Bowker Llc
With Microsoft certification, you get one of the most highly regarded -- and bankable -- IT credentials in the world. But which of the many Microsoft certification programs is best for you? This unique guide gives you a complete overview of Microsoft's many certification tracks and explains exactly what kind of career path and salary range you can expect with each of the credentials. With solid advice on how to prepare for certification exams, a comprehensive rundown of career resources, and seasoned tips on IT job hunting, it's the one guide you need to choose the right certification -- and launch your lucrative IT career.
