Section 33 of 44 Peterson's

Graduate students depend on this series and ask for it by name. Why? For over 30 years, it's been the only one-stop source that supplies all of their information needs. The new editions of this six-volume set contain the most comprehensive information available on more than 1,500 colleges offering over 31,000 master's, doctoral, and professional-degree programs in more than 350 disciplines. New for 1997 -- Non-degree-granting research centers, institutes, and training programs that are part of a graduate degree program. Five discipline-specific volumes detail entrance and program requirements, deadlines, costs, contacts, and special options, such as distance learning, for each program, if available. Each Guide features The Graduate Adviser, which discusses

---

entrance exams, financial aid, accreditation, and more. The most exhaustive compilation of more than 10,000 programs in subject areas ranging from applied arts, architecture, and Hispanic studies to political science.
